4. Disciplinary proceedings based upon repeated negligence shall be exempt from all limitations set forth in this section.

5. Disciplinary proceedings based upon a complaint involving sexual misconduct shall be exempt from all limitations set forth in this section.

7. The licensing agency may, in its discretion, toll any time limitation when the accused **applicant**, licensee, registrant, or certificant enters into and participates in a treatment program for chemical dependency or mental impairment.

324.045. 1. Notwithstanding any provision of chapter 536, in any proceeding initiated by the division of professional registration or any board, committee, commission, or office within the division of professional registration to determine the appropriate level of discipline or additional discipline, if any, against a licensee of the board, committee, commission, or office within the division, if the licensee against whom the proceeding has been initiated upon a properly pled writing filed to initiate the contested case and upon proper notice fails to plead or otherwise defend against the proceeding, the board, commission, committee, or office within the division shall enter a default decision against the licensee without further proceedings. The division, office, board, commission, or committee shall provide the licensee notice of the default decision in writing.

2. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. "Good cause" includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

334.001. 1. Notwithstanding any other provision of law to the contrary, the following information is an open record and shall be released upon request of any person and may be published on the board's website:

(2) The licensee's business address;

(3) Registration type;

(4) Currency of the license, certificate, or registration;

(5) Professional schools attended;

If the information requested is more than five years old, the board may charge a fee equivalent to the fee specified by regulation.

4. At its discretion, the board may disclose confidential information, without the consent of the licensee or applicant, to a licensee or applicant for a license in order to further an investigation or to facilitate settlement negotiations, in the course of voluntary interstate exchange of information, in the course of any litigation concerning a licensee or applicant, pursuant to a lawful request, or to other administrative or law enforcement agencies acting within the scope of their statutory authority.

5. Information obtained from a federal administrative or law enforcement agency shall be disclosed only after the board has obtained written consent to the disclosure from the federal administrative or law enforcement agency.

6. The board is entitled to the attorney/client privilege and work product privilege to the same extent as any other person.

334.040. 1. Except as provided in section 334.260, all persons desiring to practice as physicians and surgeons in this state shall be examined as to their fitness to engage in such practice by the board. All persons applying for examination shall file a completed application with the board [at least eighty days before the date set for examination upon blanks] **upon forms** furnished by the board.

2. The examination shall be sufficient to test the applicant's fitness to practice as a physician and surgeon. The examination shall be conducted in such a manner as to conceal the identity of the applicant until all examinations have been scored. In all such examinations an average score of not less than seventy-five percent is required to pass; provided, however, that the board may require applicants to take the Federation Licensing Examination, also known as FLEX, or the United States Medical Licensing Examination (USMLE). If the FLEX examination is required, a weighted average score of no less than seventy-five [percent] is required to pass. **Scores from one test administration of the FLEX shall not be combined or averaged with scores from other test administrations to achieve a passing score.** The passing score of the United States Medical Licensing Examination shall be determined by the board through rule and regulation. The board shall not issue a permanent license as a physician and surgeon or allow the Missouri state board examination to be administered to any applicant who has failed to achieve a passing score within three attempts on licensing examinations administered in one or more states or territories of the United States, the District of Columbia or Canada. The steps one, two and three of the United States Medical Licensing Examination shall be taken within a seven-year period with no more than three attempts on any step of the examination; however, the board may grant an extension of the seven-year period if the applicant has obtained a MD/PhD degree in a program accredited by the [liaison committee on medical education] **Liaison Committee on Medical Education (LCME)** and a regional university accrediting body

or a DO/PhD degree accredited by the American Osteopathic Association and a regional university accrediting body. The board may waive the provisions of this section if the applicant is licensed to practice as a physician and surgeon in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States or the District of Columbia and no license issued to the applicant has been disciplined in any state or territory of the United States or the District of Columbia[. Prior to waiving the provisions of this section, the board may require the applicant to achieve a passing score on one of the following:

(1) The American Specialty Board's certifying examination in the physician's field of specialization;

(2) Part II of the FLEX; or

(3) The Federation portion of the State Medical Board's Special Purpose Examination (SPEX)] **and the applicant is certified in the applicant's area of specialty by the American Board of Medical Specialties, the American Osteopathic Association, or other certifying agency approved by the board by rule.**

3. If the board waives the provisions of this section, then the license issued to the applicant may be limited or restricted to the applicant's board specialty. [Scores from one test administration shall not be combined or averaged with scores from other test administrations to achieve a passing score.] The board shall not be permitted to favor any particular school or system of healing.

4. If an applicant has not actively engaged in the practice of clinical medicine or held a teaching or faculty position in a medical or osteopathic school approved by the American Medical Association, the Liaison Committee on Medical Education, or the American Osteopathic Association for any two years in the three year period immediately preceding the filing of his or her application for licensure, the board may require successful completion of another examination, continuing medical education, or further training before issuing a permanent license. The board shall adopt rules to prescribe the form and manner of such reexamination, continuing medical education, and training.

334.070. 1. Upon due application therefor and upon submission by such person of evidence satisfactory to the board that he **or she** is licensed to practice in this state, and upon the payment of fees required to be paid by this chapter, the board shall issue to [him] **such person** a certificate of registration. The certificate of registration shall contain the name of the person to whom it is issued and his **or her** office address [and residence address], the expiration date, and the date and number of the license to practice.

2. [Every person shall, upon receiving such certificate, cause it to be conspicuously displayed at all times in every office maintained by him in the state. If he maintains more than one office in this state, the board shall without additional fee issue to him duplicate certificates of registration for each office so maintained.] If any registrant shall change the location of his **or her** office during the period for which any certificate of registration has been issued, [he] **the registrant** shall, within fifteen days thereafter, notify the board of such change [and it shall issue to him without additional fee a new registration certificate showing the new location].

334.090. 1. Each applicant for registration under this chapter shall accompany the application for registration with a registration fee to be paid to the [director of revenue] **board**. If the application is filed and the fee paid after the registration renewal date, a delinquent fee shall be paid; but whenever in the opinion of the board the applicant's failure to register is caused by extenuating circumstances including illness of the applicant, as defined by rule and regulation, the delinquent fee may be waived by the board.

Whenever any new license is granted to any person under the provisions of this chapter, the board shall, upon application therefor, issue to such licensee a certificate of registration covering a period from the date of the issuance of the license to the next renewal date without the payment of any registration fee.

2. The board shall set the amount of the fees which this chapter authorizes and requires by rules and regulations promulgated pursuant to section 536.021. The fees shall be set at a level to produce revenue which shall not substantially exceed the cost and expense of administering this chapter.

334.099. 1. The board may initiate a hearing to determine if reasonable cause exists to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances:

(1) The board shall serve notice pursuant to section 536.067 of the hearing at least fifteen days prior to the hearing. Such notice shall include a statement of the reasons the board believes there is reasonable cause to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental, or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances;

(2) For purposes of this section and prior to any hearing, the board may, notwithstanding any other law limiting access to medical or other health data, obtain medical data and health records relating to the licensee or applicant without the licensee's or applicant's consent, upon issuance of a subpoena by the board. These data and records shall be admissible without further authentication by either board or licensee at any hearing held pursuant to this section;

(3) After a contested hearing before the board, and upon a showing of reasonable cause to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental, or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances the board may require a licensee or applicant to submit to an examination. The board shall maintain a list of facilities approved to perform such examinations. The licensee or applicant may propose a facility not previously approved to the board and the board may accept such facility as an approved facility for such licensee or applicant by a majority vote;

(4) For purposes of this subsection, every licensee or applicant is deemed to have consented to an examination upon a showing of reasonable cause. The applicant or licensee shall be deemed to have waived all objections to the admissibility of testimony by the provider of the examination and to the admissibility of examination reports on the grounds that the provider of the examination's testimony or the examination is confidential or privileged;

(5) Written notice of the order for an examination shall be sent to the applicant or licensee by registered mail, addressed to the licensee or applicant at the licensee's or applicant's last known address on file with the board, or shall be personally served on the applicant or licensee. The order shall state the cause for the examination, how to obtain information about approved facilities, and a time limit for obtaining the examination. The licensee or applicant shall cause a report of the examination to be sent to the board;

(6) The licensee or applicant shall sign all necessary releases for the board to obtain and use the examination during a hearing and to disclose the recommendations of the examination as part of a

disciplinary order;

(7) After receiving the report of the examination ordered in subdivision (3) of this subsection, the board may hold a hearing to determine if by a preponderance of the evidence the licensee or applicant is unable to practice with reasonable skill or safety to the public by reasons of medical or osteopathic incompetency, reason of mental or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances. If the board finds that the licensee or applicant is unable to practice with reasonable skill or safety to the public by reasons of medical or osteopathic incompetency, reason of mental or physical incapacity, or substance abuse, the board shall, after a hearing, enter an order imposing one or more of the disciplinary measures set forth in subsection 4 of section 334.100; and

(8) The provisions of chapter 536 for a contested case, except those provisions or amendments which are in conflict with this section, shall apply to and govern the proceedings contained in this subsection and the rights and duties of the parties involved. The person appealing such an action shall be entitled to present evidence under chapter 536 relevant to the allegations.

2. Failure to submit to the examination when directed shall be cause for the revocation of the license of the licensee or denial of the application. No license may be reinstated or application granted until such time as the examination is completed and delivered to the board or the board withdraws its order.

3. Neither the record of proceedings nor the orders entered by the board shall be used against a licensee or applicant in any other proceeding, except for a proceeding in which the board or its members are a party or in a proceeding involving any state or federal agency.

4. A licensee or applicant whose right to practice has been affected under this section shall, at reasonable intervals not to exceed twelve months, be afforded an opportunity to demonstrate that he or she can resume the competent practice of his or her profession or should be granted a license. The board may hear such motion more often upon good cause shown.

5. For purposes of this section, “examination” means a skills, multidisciplinary, or substance abuse evaluation.

334.100. 1. The board may refuse to issue or renew any certificate of registration or authority, permit or license required pursuant to this chapter for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of the applicant’s right to file a complaint with the administrative hearing commission as provided by chapter 621. As an alternative to a refusal to issue or renew any certificate, registration or authority, the board may, at its discretion, issue a license which is subject to probation, restriction or limitation to an applicant for licensure for any one or any combination of causes stated in subsection 2 of this section. The board’s order of probation, limitation or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited or restricted license seeking review of the board’s determination. Notwithstanding any law to the contrary, the sole issue before the administrative hearing commission shall be whether there is cause to deny the license. If the commission determines there is cause to deny the license, the decision of whether to deny the license, issue the license with discipline, or issue the

license with no discipline vests in the board. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered as waived.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered the person's certificate of registration or authority, permit or license for any one or any combination of the following causes:

(1) Use of any controlled substance, as defined in chapter 195, or alcoholic beverage to an extent that such use impairs a person's ability to perform the work of any profession licensed or regulated by this chapter;

(2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States **or any municipal violation**, for any offense reasonably related to the qualifications, functions or duties of any profession licensed or regulated pursuant to this chapter, for any offense [an essential element of which is] **involving** fraud, dishonesty or an act of violence, or for any offense involving moral turpitude, whether or not sentence is imposed;

(3) Use of fraud, deception, misrepresentation or bribery in securing any certificate of registration or authority, permit or license issued pursuant to this chapter or in obtaining permission to take any examination given or required pursuant to this chapter;

(4) Misconduct, fraud, misrepresentation, dishonesty, unethical conduct or unprofessional conduct in the performance of the functions or duties of any profession licensed or regulated by this chapter, including, but not limited to, the following:

(a) Obtaining or attempting to obtain any fee, charge, tuition or other compensation by fraud, deception or misrepresentation; willfully and continually overcharging or overtreating patients; or charging for visits to the physician's office which did not occur unless the services were contracted for in advance, or for services which were not rendered or documented in the patient's records;

(g) Final disciplinary action by any professional medical or osteopathic association or society or licensed hospital or medical staff of such hospital in this or any other state or territory, whether agreed to voluntarily or not, and including, but not limited to, any removal, suspension, limitation, or restriction of the person's license or staff or hospital privileges, failure to renew such privileges or license for cause, or

other final disciplinary action, if the action was in any way related to unprofessional conduct, professional incompetence, malpractice or any other violation of any provision of this chapter;

(h) Signing a blank prescription form; or dispensing, prescribing, administering or otherwise distributing any drug, controlled substance or other treatment without sufficient examination **including failing to establish a valid physician-patient relationship pursuant to section 334.108**, or for other than medically accepted therapeutic or experimental or investigative purposes duly authorized by a state or federal agency, or not in the course of professional practice, or not in good faith to relieve pain and suffering, or not to cure an ailment, physical infirmity or disease, except as authorized in section 334.104;

(i) Exercising influence within a physician-patient relationship for purposes of engaging a patient in sexual activity;

(j) **Being listed on any state or federal sexual offender registry;**

(k) Terminating the medical care of a patient without adequate notice or without making other arrangements for the continued care of the patient;

An applicant or licensee shall also be in violation of this provision if the applicant or licensee has a financial interest in any organization, corporation or association which issues or conducts such advertising;

(s) Any other conduct that is unethical or unprofessional involving a minor;

(5) Any conduct or practice which is or might be harmful or dangerous to the mental or physical health of a patient or the public; or incompetency[, gross negligence] or [repeated] negligence in the performance of the functions or duties of any profession licensed or regulated by this chapter. For the purposes of this subdivision, ["repeated negligence" means] **the following terms shall mean:**

(a) "Incompetency", lacking the requisite skills, abilities, and qualities to effectively perform an aspect of professional practice that the licensee has represented he or she can perform;

(b) "Negligence", the failure[, on more than one occasion,] to use that degree of skill and learning ordinarily used under the same or similar circumstances by the member of the applicant's or licensee's profession, in the treatment of one or more patients whether or not actual injury or harm occurs to

the patient as a result of any such negligence;

(a) In enforcing this subdivision the board shall, after a hearing by the board, upon a finding of probable cause, require a physician to submit to a reexamination for the purpose of establishing his or her competency to practice as a physician or surgeon or with a specialty conducted in accordance with rules adopted for this purpose by the board, including rules to allow the examination of the pattern and practice of such physician's or surgeon's professional conduct, or to submit to a mental or physical examination or combination thereof by at least three physicians, one selected by the physician compelled to take the examination, one selected by the board, and one selected by the two physicians so selected who are graduates of a professional school approved and accredited as reputable by the association which has approved and accredited as reputable the professional school from which the licentiate graduated. (d) Written notice of the reexamination or the physical or mental examination shall be sent to the physician, by registered mail, addressed to the physician at the physician's last known address. 5. In any order of revocation, the board may provide that the person may not apply for reinstatement of the person's license for a period of time ranging from two to seven years following the date of the order of revocation. All stay orders shall toll this time period.

6. Before restoring to good standing a license, certificate or permit issued pursuant to this chapter which has been in a revoked, suspended or inactive state for any cause for more than two years, the board may require the applicant to attend such continuing medical education courses and pass such examinations as the board may direct.

7. In any investigation, hearing or other proceeding to determine a licensee's or applicant's fitness to practice, any record relating to any patient of the licensee or applicant shall be discoverable by the board and admissible into evidence, regardless of any statutory or common law privilege which such licensee, applicant, record custodian or patient might otherwise invoke. In addition, no such licensee, applicant, or record custodian may withhold records or testimony bearing upon a licensee's or applicant's fitness to practice on the ground of privilege between such licensee, applicant or record custodian and a patient.

334.102. 1. [Upon receipt of information that the holder of any certificate of registration or authority, permit or license issued pursuant to this chapter may present a clear and present danger to the public health and safety, the executive secretary or director shall direct that the information be brought to the board in the form of sworn testimony or affidavits during a meeting of the board.

2. The board may issue an order suspending and/or restricting the holder of a certificate of registration or authority, permit or license if it believes:

- (2) A licensee is practicing, attempting or intending to practice in Missouri; and

(3) Either a licensee is unable by reason of any physical or mental condition to receive and evaluate information or to communicate decisions to the extent that the licensee's condition or actions significantly affect the licensee's ability to practice, or another state, territory, federal agency or country has issued an order suspending or restricting the holder of a license or other right to practice a profession regulated by this chapter, or the licensee has engaged in repeated acts of life-threatening negligence as defined in subsection 2 of section 334.100; and

(4) The acts, conduct or condition of the licensee constitute a clear and present danger to the public health and safety.

3. (1) The order of suspension or restriction:

(3) The order of restriction shall be effective upon service of the documents required in subdivision (2) of this subsection.

(4) The order of suspension shall become effective upon the entry of the preliminary order of the administrative hearing commission.

(5) The licensee may seek a stay order from the circuit court of Cole County from the preliminary order of suspension, pending the issuance of a final order by the administrative hearing commission.

4. The board shall file a complaint in the administrative hearing commission with a request for expedited preliminary hearing and shall certify the order of suspension or restriction and all sworn testimony or affidavits presented to the board. Immediately upon receipt of a complaint filed pursuant to this section, the administrative hearing commission shall set the place and date of the expedited preliminary hearing which shall be conducted as soon as possible, but not later than five days after the date of service upon the licensee. The administrative hearing commission shall grant a licensee's request for a continuance of the preliminary hearing; however, the board's order shall remain in full force and effect until the preliminary hearing, which shall be held not later than forty-five days after service of the documents required in subdivision (2) of subsection 3.

5. At the preliminary hearing, the administrative hearing commission shall receive into evidence all information certified by the board and shall only hear evidence on the issue of whether the board's order of suspension or restriction should be terminated or modified. Within one hour after the preliminary hearing, the administrative hearing commission shall issue its oral or written preliminary order, with or without findings of fact and conclusions of law, that either adopts, terminates or modifies the board's order. The administrative hearing commission shall reduce to writing any oral preliminary order within five business days, but the effective date of the order shall be the date orally issued.

6. The preliminary order of the administrative hearing commission shall become a final order and shall remain in effect for three years unless either party files a request for a full hearing on the merits of the complaint filed by the board within thirty days from the date of the issuance of the preliminary order of the administrative hearing commission.

7. Upon receipt of a request for full hearing, the administrative hearing commission shall set a date for hearing and notify the parties in writing of the time and place of the hearing. If a request for full hearing is timely filed, the preliminary order of the administrative hearing commission shall remain in effect until the administrative hearing commission enters an order terminating, modifying, or dismissing its preliminary order or until the board issues an order of discipline following its consideration of the decision of the

administrative hearing commission pursuant to section 621.110 and subsection 3 of section 334.100.

8. In cases where the board initiates summary suspension or restriction proceedings against a physician licensed pursuant to this chapter, and said petition is subsequently denied by the administrative hearing commission, in addition to any award made pursuant to sections 536.085 and 536.087, the board, but not individual members of the board, shall pay actual damages incurred during any period of suspension or restriction.

9. Notwithstanding the provisions of this chapter or chapter 610 or chapter 621 to the contrary, the proceedings under this section shall be closed and no order shall be made public until it is final, for purposes of appeal.

10. The burden of proving the elements listed in subsection 2 of this section shall be upon the state board of registration for the healing arts.] **The board may, upon a showing of probable cause, issue an emergency suspension or restriction to a licensee for the following causes:**

(1) Engaging in sexual conduct, as defined in section 566.010, with a patient who is not the licensee's spouse or significant other, regardless of whether the patient consented to the contact;

(2) Engaging in sexual misconduct with a minor or a person the licensee believes to be a minor. "Sexual misconduct" means any conduct which would be illegal under state law;

(3) Possession of a controlled substance in violation of chapter 195 or any other state or federal drug law, rule, or regulation;

(5) The licensee is adjudicated incapacitated or disabled by court of competent jurisdiction;

(6) Habitual intoxication or dependence on alcohol or controlled substances or failure to comply with a treatment program or an aftercare program entered into as part of a board order, settlement agreement, or a licensee's professional health program; or

(7) Any other conduct for which the board may otherwise impose discipline if such conduct is a serious danger to the health, safety, or welfare of a patient or the public.

2. The board shall hold a hearing to determine if probable cause exists.

(1) At least seven days prior to the hearing, the board shall serve the licensee with notice of the hearing, including a statement of the facts alleged to give rise to the emergency suspension, the affidavits the board intends to rely on to prove such facts, the date of the hearing, and the licensee's right to present evidence via affidavit or by his or her own sworn testimony;

(2) Service may be by personal service or by leaving a copy of the notice at the last known address of the licensee on file with the board.

(3) At the hearing, the board shall receive into evidence and review any affidavits presented in proper form from either party and shall hear the sworn testimony of the licensee if offered;

(4) If the board determines that there is probable cause pursuant to subsection one of this section, the board may issue an emergency suspension or restriction.

3. The emergency suspension or restriction shall be effective upon service pursuant to section 536.067 to the licensee of:

(1) The order of emergency suspension or restriction; and

(2) A statement of the basis of the emergency suspension or restriction.

4. (1) The suspension or restriction may be appealed to the circuit court of the county of residence of the licensee or if the licensee is not a resident of Missouri, to the circuit court of Cole County.

(2) Such appeal shall be filed within thirty days of the effective date of the suspension or restriction.

(3) The circuit court may modify or stay the emergency suspension or restriction upon a finding that the board's action:

(a) Was unsupported by competent and substantial evidence upon the whole record;

(b) Was arbitrary or capricious; or

(c) Involved an abuse of discretion.

(4) If the circuit court determines to vacate or modify the emergency suspension or restriction pursuant to this section, the court shall issue its decision vacating or modifying the suspension or restriction no later than five days after the appeal is filed.

5. (1) Unless the circuit court vacates the order, the board shall hold a hearing on the causes pled for discipline within ninety days of the effective date of the suspension issued pursuant to subsection 2 of this section.

(2) The board shall grant a continuance on request of the petitioner; except that, the emergency suspension or restriction shall remain in effect unless otherwise ordered by a court under subsection 4 of this section.

(3) The board shall determine whether cause for discipline exists and, if so, may impose any discipline otherwise authorized by state law.

(4) The board shall issue a final order within thirty days of hearing the case.

(5) The emergency suspension or restriction shall be terminated as of the date of the final order of the board.

6. Any action under subsections 1 to 7 of this section shall be in addition to and not in lieu of any penalty otherwise in the board's power to impose and may be brought concurrently with other actions.

7. Unless it conflicts with provisions of subsections 1 to 7 of this section, chapter 536 shall govern the hearings held under subsections 1 to 7 of this section.

8. If the court vacates the emergency suspension or in its final order the board rescinds the emergency suspension, the board shall remove all reference to such emergency suspension from its public records. Records relating to the suspension shall be maintained in the board files. The board or licensee may use such records in the course of any litigation to which they are both parties. (d) **Evidence of final discipline against the licensee's license, certification, or registration to practice issued by any other state, the United States and its territories, or any other country;**

(e) **Evidence of certified court records finding the licensee has been judged incapacitated or disabled under Missouri law or the laws of any other state or the United States and its territories;**

(4) **The board's decision regarding discipline of a license shall be subject to judicial review under chapter 536.**

334.103. 1. A license issued under this chapter by the Missouri State Board of Registration for the Healing Arts shall be automatically revoked at such time as the final trial proceedings are concluded whereby a licensee has been adjudicated and found guilty, or has entered a plea of guilty or nolo contendere, in a felony criminal prosecution under the laws of the state of Missouri, the laws of any other state, or the laws of the United States of America for any offense reasonably related to the qualifications, functions or duties of their profession, or for any felony offense[, an essential element of which is] **involving** fraud, dishonesty or an act of violence, or for any felony offense involving moral turpitude, whether or not sentence is imposed, or, upon the final and unconditional revocation of the license to practice their profession in another state or territory upon grounds for which revocation is authorized in this state following a review of the record of the proceedings and upon a formal motion of the state board of registration for the healing arts. The license of any such licensee shall be automatically reinstated if the conviction or the revocation is ultimately set aside upon final appeal in any court of competent jurisdiction.

2. Anyone who has been denied a license, permit or certificate to practice in another state shall automatically be denied a license to practice in this state. However, the board of healing arts may set up other qualifications by which such person may ultimately be qualified and licensed to practice in Missouri.

(3) If appropriate, following up with the patient to assess the therapeutic outcome;

(4) Maintaining a contemporaneous medical record that is readily available to the patient and, subject to the patient's consent, to the patient's other health care professionals; and

(5) Including the electronic prescription information as part of the patient's medical record.

As an alternative to a refusal to issue or renew any certificate, registration, or authority, the board may, in its discretion, issue a license which is subject to reprimand, probation, restriction, or limitation to an applicant for licensure for any one or any combination of causes listed in subsection 2 of this section or section 334.100. The board's order of reprimand, probation, limitation, or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited, or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited, or restricted license seeking review of the board's determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered waived.

2. 3. After the filing of such complaint before the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the board may, singly or in combination:

“536.063. In any contested case:

(1) The contested case shall be commenced by the filing of a writing by which the party or agency instituting the proceeding seeks such action as by law can be taken by the agency only after opportunity for hearing, or seeks a hearing for the purpose of obtaining a decision reviewable upon the record of the proceedings and evidence at such hearing, or upon such record and additional evidence, either by a court or by another agency. Answering, intervening and amendatory writings and motions may be filed in any

case and shall be filed where required by rule of the agency, except that no answering instrument shall be required unless the notice of institution of the case states such requirement. Entries of appearance shall be permitted[.];

(2) Any writing filed whereby affirmative relief is sought shall state what relief is sought or proposed and the reason for granting it, and shall not consist merely of statements or charges phrased in the language of a statute or rule; provided, however, that this subdivision shall not apply when the writing is a notice of appeal as authorized by law[.];

(3) Reasonable opportunity shall be given for the preparation and presentation of evidence bearing on any issue raised or decided or relief sought or granted. Where issues are tried without objection or by consent, such issues shall be deemed to have been properly before the agency. Any formality of procedure may be waived by mutual consent[.];

(4) Every writing seeking relief or answering any other writing, and any motion shall state the name and address of the attorney, if any, filing it; otherwise the name and address of the party filing it[.];

(5) By rule the agency may require any party filing such a writing to furnish, in addition to the original of such writing, the number of copies required for the agency's own use and the number of copies necessary to enable the agency to comply with the provisions of this subdivision hereinafter set forth. The agency shall, without charge therefor, mail one copy of each such writing, as promptly as possible after it is filed, to every party or his **or her** attorney who has filed a writing or who has entered his **or her** appearance in the case, and who has not theretofore been furnished with a copy of such writing and shall have requested copies of the writings; provided that in any case where the parties are so numerous that the requirements of this subdivision would be unduly onerous, the agency may in lieu thereof (a) notify all parties of the fact of the filing of such writing, and (b) permit any party to copy such writing[.];

(6) When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under section 536.067 upon a properly pled writing filed to initiate the contested case under this chapter, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. "Good cause" includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

536.067. In any contested case:

(1) The agency shall promptly mail a notice of institution of the case to all necessary parties, if any, and to all persons designated by the moving party and to any other persons to whom the agency may determine that notice should be given. The agency or its clerk or secretary shall keep a permanent record of the persons to whom such notice was sent and of the addresses to which sent and the time when sent. Where a contested case would affect the rights, privileges or duties of a large number of persons whose interests are sufficiently similar that they may be considered as a class, notice may in a proper case be given to a reasonable number thereof as representatives of such class. In any case where the name or address of

any proper or designated party or person is not known to the agency, and where notice by publication is permitted by law, then notice by publication may be given in accordance with any rule or regulation of the agency or if there is no such rule or regulation, then, in a proper case, the agency may by a special order fix the time and manner of such publication[.];

(2) The notice of institution of the case to be mailed as provided in this section shall state in substance:

(a) The caption and number of the case;

(b) That a writing seeking relief has been filed in such case, the date it was filed, and the name of the party filing the same;

(c) A brief statement of the matter involved in the case unless a copy of the writing accompanies said notice;

(d) Whether an answer to the writing is required, and if so the date when it must be filed;

(e) That a copy of the writing may be obtained from the agency, giving the address to which application for such a copy may be made. This may be omitted if the notice is accompanied by a copy of such writing;

(f) The location in the Code of State Regulations of any rules of the agency regarding discovery or a statement that the agency shall send a copy of such rules on request;

(3) Unless the notice of hearing hereinafter provided for shall have been included in the notice of institution of the case, the agency shall, as promptly as possible after the time and place of hearing have been determined, mail a notice of hearing to the moving party and to all persons and parties to whom a notice of institution of the case was required to be or was mailed, and also to any other persons who may thereafter have become or have been made parties to the proceeding. The notice of hearing shall state:

(a) The caption and number of the case;

(b) The time and place of hearing;

(4) No hearing in a contested case shall be had, except by consent, until a notice of hearing shall have been given substantially as provided in this section, and such notice shall in every case be given a reasonable time before the hearing. Such reasonable time shall be at least ten days except in cases where the public morals, health, safety or interest may make a shorter time reasonable; provided that when a longer time than ten days is prescribed by statute, no time shorter than that so prescribed shall be deemed reasonable;

(5) When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under this section upon a properly pled writing filed to initiate the contested case under this chapter, a default decision shall be entered against the holder of a license, registration, permit, or certificate of authority without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. "Good cause" includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative

process.

536.070. In any contested case:

(1) Oral evidence shall be taken only on oath or affirmation[.];

(2) Each party shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not the subject of the direct examination, to impeach any witness regardless of which party first called him **or her** to testify, and to rebut the evidence against him[.] **or her**;

(3) A party who does not testify in his **or her** own behalf may be called and examined as if under cross-examination[.];

(4) Each agency shall cause all proceedings in hearings before it to be suitably recorded and preserved. A copy of the transcript of such a proceeding shall be made available to any interested person upon the payment of a fee which shall in no case exceed the reasonable cost of preparation and supply[.];

(5) Records and documents of the agency which are to be considered in the case shall be offered in evidence so as to become a part of the record, the same as any other evidence, but the records and documents may be considered as a part of the record by reference thereto when so offered[.];

(6) Agencies shall take official notice of all matters of which the courts take judicial notice. They may also take official notice of technical or scientific facts, not judicially cognizable, within their competence, if they notify the parties, either during a hearing or in writing before a hearing, or before findings are made after hearing, of the facts of which they propose to take such notice and give the parties reasonable opportunity to contest such facts or otherwise show that it would not be proper for the agency to take such notice of them[.];

(7) Evidence to which an objection is sustained shall, at the request of the party seeking to introduce the same, or at the instance of the agency, nevertheless be heard and preserved in the record, together with any cross-examination with respect thereto and any rebuttal thereof, unless it is wholly irrelevant, repetitious, privileged, or unduly long[.];

(8) Any evidence received without objection which has probative value shall be considered by the agency along with the other evidence in the case. The rules of privilege shall be effective to the same extent that they are now or may hereafter be in civil actions. Irrelevant and unduly repetitious evidence shall be excluded. **Evidence contesting or challenging the basis or merits of a guilty finding or a plea of guilty or nolo contendere in a criminal prosecution under the laws of any state or the United States or any of its territories or the basis or merits of any disciplinary action taken by any other state or territory shall be excluded when evidence establishing the existence of such guilty finding, plea of guilty or nolo contendere, or disciplinary action has been admitted in the case;**

(9) Copies of writings, documents and records shall be admissible without proof that the originals thereof cannot be produced, if it shall appear by testimony or otherwise that the copy offered is a true copy of the original, but the agency may, nevertheless, if it believes the interests of justice so require, sustain any objection to such evidence which would be sustained were the proffered evidence offered in a civil action in the circuit court, but if it does sustain such an objection, it shall give the party offering such evidence reasonable opportunity and, if necessary, opportunity at a later date, to establish by evidence the facts sought to be proved by the evidence to which such objection is sustained[.];

(10) Any writing or record, whether in the form of an entry in a book or otherwise, made as a memorandum or record of an act, transaction, occurrence or event, shall be admissible as evidence of the act, transaction, occurrence or event, if it shall appear that it was made in the regular course of any business, and that it was the regular course of such business to make such memorandum or record at the time of such act, transaction, occurrence, or event or within a reasonable time thereafter. All other circumstances of the making of such writing or record, including lack of personal knowledge by the entrant or maker, may be shown to affect the weight of such evidence, but such showing shall not affect its admissibility. The term “business” shall include business, profession, occupation and calling of every kind[.];

(11) The results of statistical examinations or studies, or of audits, compilations of figures, or surveys, involving interviews with many persons, or examination of many records, or of long or complicated accounts, or of a large number of figures, or involving the ascertainment of many related facts, shall be admissible as evidence of such results, if it shall appear that such examination, study, audit, compilation of figures, or survey was made by or under the supervision of a witness, who is present at the hearing, who testifies to the accuracy of such results, and who is subject to cross-examination, and if it shall further appear by evidence adduced that the witness making or under whose supervision such examination, study, audit, compilation of figures, or survey was made was basically qualified to make it. All the circumstances relating to the making of such an examination, study, audit, compilation of figures or survey, including the nature and extent of the qualifications of the maker, may be shown to affect the weight of such evidence but such showing shall not affect its admissibility[.];

(12) Any party or the agency desiring to introduce an affidavit in evidence at a hearing in a contested case may serve on all other parties (including, in a proper case, the agency) copies of such affidavit in the manner hereinafter provided, at any time before the hearing, or at such later time as may be stipulated. Not later than seven days after such service, or at such later time as may be stipulated, any other party (or, in a proper case, the agency) may serve on the party or the agency who served such affidavit an objection to the use of the affidavit or some designated portion or portions thereof on the ground that it is in the form of an affidavit; provided, however, that if such affidavit shall have been served less than eight days before the hearing such objection may be served at any time before the hearing or may be made orally at the hearing. If such objection is so served, the affidavit or the part thereof to which objection was made, may not be used except in ways that would have been permissible in the absence of this subdivision; provided, however, that such objection may be waived by the party or the agency making the same. Failure to serve an objection as aforesaid, based on the ground aforesaid, shall constitute a waiver of all objections to the introduction of such affidavit, or of the parts thereof with respect to which no such objection was so served, on the ground that it is in the form of an affidavit, or that it constitutes or contains hearsay evidence, or that it is not, or contains matters which are not, the best evidence, but any and all other objections may be made at the hearing. Nothing herein contained shall prevent the cross-examination of the affiant if he **or she** is present in obedience to a subpoena or otherwise and if he **or she** is present, he **or she** may be called for cross-examination during the case of the party who introduced the affidavit in evidence. If the affidavit is admissible in part only it shall be admitted as to such part, without the necessity of preparing a new affidavit. The manner of service of such affidavit and of such objection shall be by delivering or mailing copies thereof to the attorneys of record of the parties being served, if any, otherwise, to such parties, and service shall be deemed complete upon mailing; provided, however, that when the parties are so numerous as to make service of copies of the affidavit on all of them unduly onerous, the agency may make an order specifying on what parties service of copies of such affidavit shall be made, and in that case a copy of such affidavit shall be filed with the agency and kept available for inspection and copying. Nothing in this

subdivision shall prevent any use of affidavits that would be proper in the absence of this subdivision.

621.045. 1. The administrative hearing commission shall conduct hearings and make findings of fact and conclusions of law in those cases when, under the law, a license issued by any of the following agencies may be revoked or suspended or when the licensee may be placed on probation or when an agency refuses to permit an applicant to be examined upon his **or her** qualifications or refuses to issue or renew a license of an applicant who has passed an examination for licensure or who possesses the qualifications for licensure without examination:

2. If in the future there are created by law any new or additional administrative agencies which have the power to issue, revoke, suspend, or place on probation any license, then those agencies are under the provisions of this law.

3. The administrative hearing commission is authorized to conduct hearings and make findings of fact and conclusions of law in those cases brought by the Missouri state board for architects, professional engineers, professional land surveyors and landscape architects against unlicensed persons under section 327.076.

4. Notwithstanding any other provision of this section to the contrary, after August 28, 1995, in order

to encourage settlement of disputes between any agency described in subsection 1 or 2 of this section and its licensees, any such agency shall:

(1) Provide the licensee with a written description of the specific conduct for which discipline is sought and a citation to the law and rules allegedly violated, together with copies of any documents which are the basis thereof and the agency's initial settlement offer, or file a contested case against the licensee;

(2) If no contested case has been filed against the licensee, allow the licensee at least sixty days, from the date of mailing, to consider the agency's initial settlement offer and to contact the agency to discuss the terms of such settlement offer;

(3) If no contested case has been filed against the licensee, advise the licensee that the licensee may, either at the time the settlement agreement is signed by all parties, or within fifteen days thereafter, submit the agreement to the administrative hearing commission for determination that the facts agreed to by the parties to the settlement constitute grounds for denying or disciplining the license of the licensee; and

(4) In any contact under this subsection by the agency or its counsel with a licensee who is not represented by counsel, advise the licensee that the licensee has the right to consult an attorney at the licensee's own expense.

5. If the licensee desires review by the administrative hearing commission under subdivision (3) of subsection 4 of this section at any time prior to the settlement becoming final, the licensee may rescind and withdraw from the settlement and any admissions of fact or law in the agreement shall be deemed withdrawn and not admissible for any purposes under the law against the licensee. Any settlement submitted to the administrative hearing commission shall not be effective and final unless and until findings of fact and conclusions of law are entered by the administrative hearing commission that the facts agreed to by the parties to the settlement constitute grounds for denying or disciplining the license of the licensee.

6. When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under sections 536.067 and 621.100 upon a properly pled writing filed to initiate the contested case under this chapter or chapter 536, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. "Good cause" includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

621.100. 1. Upon receipt of a written complaint from an agency named in section 621.045 in a case relating to a holder of a license granted by such agency, or upon receipt of such complaint from the attorney general, the administrative hearing commission shall cause a copy of said complaint to be served upon such licensee in person, **or by leaving a copy of the complaint at the licensee's dwelling house or usual place of abode or last address given to the agency by the licensee with some person residing or present therein over the age of fifteen**, or by certified mail, together with a notice of the place of and the date upon which the hearing on said complaint will be held. If service cannot be accomplished [in person or by certified mail] **as described in this section**, notice by publication as described in subsection 3 of section

506.160 shall be allowed; any commissioner is authorized to act as a court or judge would in that section, and any employee of the commission is authorized to act as a clerk would in that section. In any case initiated upon complaint of the attorney general, the agency which issued the license shall be given notice of such complaint and the date upon which the hearing will be held by delivery of a copy of such complaint and notice to the office of such agency or by certified mail. Such agency may intervene and may retain the services of legal counsel to represent it in such case.

2. When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under this section and section 536.067 upon a properly pled writing filed to initiate the contested case under this chapter or chapter 536, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. “Good cause” includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

3. In any case initiated under this section, the custodian of the records of an agency may prepare a sworn affidavit stating truthfully pertinent information regarding the license status of the licensee charged in the complaint, including only: the name of the licensee; his **or her** license number; its designated date of expiration; the date of his **or her** original Missouri licensure; the particular profession, practice or privilege licensed; and the status of his **or her** license as current and active or otherwise. This affidavit shall be received as substantial and competent evidence of the facts stated therein notwithstanding any objection as to the form, manner of presentment or admissibility of this evidence, and shall create a rebuttable presumption of the veracity of the statements therein; provided, however, that the procedures specified in section 536.070 shall apply to the introduction of this affidavit in any case where the status of this license constitutes a material issue of fact in the proof of the cause charged in the complaint.

621.110. Upon a finding in any cause charged by the complaint for which the license may be suspended or revoked as provided in the statutes and regulations relating to the profession or vocation of the licensee **and within one hundred twenty days of the date the case became ready for decision**, the commission shall deliver or transmit by mail to the agency which issued the license the record and a transcript of the proceedings before the commission together with the commission’s findings of fact and conclusions of law. The commission may make recommendations as to appropriate disciplinary action but any such recommendations shall not be binding upon the agency. A copy of the findings of fact, conclusions of law and the commission’s recommendations, if any, shall be delivered or transmitted by mail to the licensee if the licensee’s whereabouts are known, and to any attorney who represented the licensee. Within thirty days after receipt of the record of the proceedings before the commission and the findings of fact, conclusions of law, and recommendations, if any, of the commission, the agency shall set the matter for hearing upon the issue of appropriate disciplinary action and shall notify the licensee of the time and place of the hearing, provided that such hearing may be waived by consent of the agency and licensee where the commission has made recommendations as to appropriate disciplinary action. In case of such waiver by the agency and licensee, the recommendations of the commission shall become the order of the agency. The licensee may

appear at said hearing and be represented by counsel. The agency may receive evidence relevant to said issue from the licensee or any other source. After such hearing the agency may order any disciplinary measure it deems appropriate and which is authorized by law. In any case where the commission fails to find any cause charged by the complaint for which the license may be suspended or revoked, the commission shall dismiss the complaint, and so notify all parties.”; and

Further amend said bill, Page 2, Section 34.036, Line 22, by inserting after all of said line the following:

“34.376. 1. Sections 34.376 to 34.380 may be known as the “Transparency in Private Attorney Contracts Act”.

(3) “State”, the state of Missouri, in any action instituted by the attorney general pursuant to section 27.060.

34.378. 1. The state shall not enter into a contingency fee contract with a private attorney unless the attorney general makes a written determination prior to entering into such a contract that contingency fee representation is both cost-effective and in the public interest. Any written determination shall include specific findings for each of the following factors:

(1) Whether there exists sufficient and appropriate legal and financial resources within the attorney general’s office to handle the matter;

(2) The time and labor required; the novelty, complexity, and difficulty of the questions involved; and the skill requisite to perform the attorney services properly;

(3) The geographic area where the attorney services are to be provided; and

(4) The amount of experience desired for the particular kind of attorney services to be provided and the nature of the private attorney’s experience with similar issues or cases.

2. If the attorney general makes the determination described in subsection 1 of this section, the attorney general shall request written proposals from private attorneys to represent the state, unless the attorney general determines that requesting proposals is not feasible under the circumstances and sets forth the basis for this determination in writing. If a request for proposals is issued, the attorney general shall choose the lowest and best bid or request the office of administration establish an independent panel to evaluate the proposals and choose the lowest and best bid.

3. The state may not enter into a contingency fee contract that provides for the private attorney to receive an aggregate contingency fee in excess of twenty-five percent of the net recovery to the state.

4. The state shall not enter into a contract for contingency fee attorney services unless the following requirements are met throughout the contract period and any extensions to the contract:

(1) The government attorneys shall retain complete control over the course and conduct of the

case;

(2) A government attorney with supervisory authority shall oversee the litigation;

(3) The government attorneys shall retain veto power over any decisions made by outside counsel;

(4) A government attorney with supervisory authority for the case shall attend all settlement conferences; and

(5) Decisions regarding settlement of the case shall be reserved exclusively to the discretion of the attorney general.

Any payment of contingency fees shall be posted on the attorney general's website within fifteen days after the payment of such contingency fees to the private attorney and shall remain posted on the website for at least three hundred sixty-five days.

7. Any private attorney under contract to provide services to the state on a contingency fee basis shall, from the inception of the contract until at least four years after the contract expires or is terminated, maintain detailed current records, including documentation of all expenses, disbursements, charges, credits, underlying receipts and invoices, and other financial transactions that concern the provision of such attorney services. The private attorney shall maintain detailed contemporaneous time records for the attorneys and paralegals working on the matter in increments of no greater than one tenth of an hour and shall promptly provide these records to the attorney general, upon request. Any request under chapter 610 for inspection and copying of such records shall be served upon and responded to by the attorney general's office.

8. By February first of each year, the attorney general shall submit a report to the president pro tem of the senate and the speaker of the house of representatives describing the use of contingency fee contracts with private attorneys in the preceding calendar year. (b) The nature and status of the legal matter;

(c) The name of the parties to the legal matter;

(d) The amount of any recovery; and

(e) The amount of any contingency fee paid.

(2) Include copies of any written determinations made under subsections 1 and 2 of this section.

34.380. Nothing in sections 34.376 to 34.380 shall be construed to expand the authority of any state agency or state agent to enter into contracts where no such authority previously existed.”; and

“196.1109. All moneys that are appropriated by the general assembly from the life sciences research trust fund shall be appropriated to the life sciences research board to increase the capacity for quality of life sciences research at public and private not-for-profit institutions in the state of Missouri and to thereby:

196.1115. 1. The moneys appropriated to the life sciences research board that are not distributed by the board in any fiscal year to a center for excellence or a center for excellence endorsed program pursuant to section 196.1112, if any, shall be held in reserve by the board or shall be awarded on the basis of peer review panel recommendations for capacity building initiatives proposed by public and private not-for-profit academic, research, or health care institutions or organizations, or individuals engaged in competitive research in targeted fields consistent with the provisions of sections 196.1100 to 196.1130.

2. The life sciences research board may, in view of the limitations expressed in section 196.1130:

4. The life sciences research board shall utilize as much of the moneys as reasonably possible for building capacity at public and private not-for-profit institutions to do research rather than for administrative expenses. The board shall not in any fiscal year expend more than two percent of the total moneys appropriated to it and of the moneys that it has in reserve or has received from other sources for its own administrative expenses for appropriations over twenty million dollars; three percent for appropriations less than twenty million dollars but more than fifteen million dollars; four percent for appropriations less than fifteen million dollars but more than ten million dollars; five percent for appropriations less than ten million dollars; provided, however, that the general assembly by appropriation from the life sciences research trust fund may authorize a limited amount of additional moneys to be expended for administrative costs.”; and

In no event shall the incremental increase include any amounts attributable to retail sales unless the Missouri development finance board and the department of economic development are satisfied based on information provided by the municipality or authority, and such entities have made a finding that a substantial portion of all but a de minimus portion of the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The incremental increase for an existing facility shall be the amount of all state sales taxes generated pursuant to section 144.020 at the facility in excess of the amount of all state sales taxes generated pursuant to section 144.020 at the facility in the baseline year. The incremental increase in development project areas where the baseline year is the year following the year in which the development project is approved by the municipality pursuant to subdivision (2) of section 99.918 shall be the state sales tax revenue generated by out-of-state businesses relocating into a development project area. The incremental increase for a Missouri facility which relocates to a development project area shall be the amount by which the state sales tax revenue of the facility exceeds the state sales tax revenue for the facility in the calendar year prior to relocation.”; and

“32.115. 1. The department of revenue shall grant a tax credit, to be applied in the following order until used, against:

- (1) The annual tax on gross premium receipts of insurance companies in chapter 148;
- (2) The tax on banks determined pursuant to subdivision (2) of subsection 2 of section 148.030;

- (5) The corporation franchise tax in chapter 147;
- (6) The state income tax in chapter 143; and
- (7) The annual tax on gross receipts of express companies in chapter 153.

2. For proposals approved pursuant to section 32.110:

(1) The amount of the tax credit shall not exceed fifty percent of the total amount contributed during the taxable year by the business firm or, in the case of a financial institution, where applicable, during the relevant income period in programs approved pursuant to section 32.110;

(2) Except as provided in subsection 2 or 5 of this section, a tax credit of up to seventy percent may be allowed for contributions to programs where activities fall within the scope of special program priorities as defined with the approval of the governor in regulations promulgated by the director of the department of economic development;

(3) Except as provided in subsection 2 or 5 of this section, the tax credit allowed for contributions to programs located in any community shall be equal to seventy percent of the total amount contributed where such community is a city, town or village which has fifteen thousand or less inhabitants as of the last decennial census and is located in a county which is either located in:

(a) An area that is not part of a standard metropolitan statistical area;

(b) A standard metropolitan statistical area but such county has only one city, town or village which has more than fifteen thousand inhabitants; or

(c) A standard metropolitan statistical area and a substantial number of persons in such county derive their income from agriculture. Such community may also be in an unincorporated area in such county as provided in subdivision (1), (2) or (3) of this subsection. Except in no case shall the total economic benefit of the combined federal and state tax savings to the taxpayer exceed the amount contributed by the taxpayer during the tax year;

(4) Such tax credit allocation, equal to seventy percent of the total amount contributed, shall not exceed four million dollars in fiscal year 1999 and six million dollars in fiscal year 2000 and any subsequent fiscal year. When the maximum dollar limit on the seventy percent tax credit allocation is committed, the tax credit allocation for such programs shall then be equal to fifty percent credit of the total amount contributed. Regulations establishing special program priorities are to be promulgated during the first month of each fiscal year and at such times during the year as the public interest dictates. Such credit shall not exceed two

hundred and fifty thousand dollars annually except as provided in subdivision (5) of this subsection. No tax credit shall be approved for any bank, bank and trust company, insurance company, trust company, national bank, savings association, or building and loan association for activities that are a part of its normal course of business. Any tax credit not used in the period the contribution was made may be carried over the next five succeeding calendar or fiscal years until the full credit has been claimed. Except as otherwise provided for proposals approved pursuant to section 32.111, 32.112 or 32.117, in no event shall the total amount of all other tax credits allowed pursuant to sections 32.100 to 32.125 exceed thirty-two million dollars in any one fiscal year, of which six million shall be credits allowed pursuant to section 135.460. If six million dollars in credits are not approved, then the remaining credits may be used for programs approved pursuant to sections 32.100 to 32.125;

(5) The credit may exceed two hundred fifty thousand dollars annually and shall not be limited if community services, crime prevention, education, job training, physical revitalization or economic development, as defined by section 32.105, is rendered in an area defined by federal or state law as an impoverished, economically distressed, or blighted area or as a neighborhood experiencing problems endangering its existence as a viable and stable neighborhood, or if the community services, crime prevention, education, job training, physical revitalization or economic development is limited to impoverished persons.

3. For proposals approved pursuant to section 32.111:

(1) The amount of the tax credit shall not exceed fifty-five percent of the total amount invested in affordable housing assistance activities or market rate housing in distressed communities as defined in section 135.530 by a business firm. Whenever such investment is made in the form of an equity investment or a loan, as opposed to a donation alone, tax credits may be claimed only where the loan or equity investment is accompanied by a donation which is eligible for federal income tax charitable deduction, and where the total value of the tax credits herein plus the value of the federal income tax charitable deduction is less than or equal to the value of the donation. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. If the affordable housing units or market rate housing units in distressed communities for which a tax is claimed are within a larger structure, parts of which are not the subject of a tax credit claim, then expenditures applicable to the entire structure shall be reduced on a prorated basis in proportion to the ratio of the number of square feet devoted to the affordable housing units or market rate housing units in distressed communities, for purposes of determining the amount of the tax credit. The total amount of tax credit granted for programs approved pursuant to section 32.111 for the fiscal year beginning July 1, 1991, shall not exceed two million dollars, to be increased by no more than two million dollars each succeeding fiscal year, until the total tax credits that may be approved reaches ten million dollars in any fiscal year;

(2) For any year during the compliance period indicated in the land use restriction agreement, the owner of the affordable housing rental units for which a credit is being claimed shall certify to the commission that all tenants renting claimed units are income eligible for affordable housing units and that the rentals for each claimed unit are in compliance with the provisions of sections 32.100 to 32.125. The commission is authorized, in its discretion, to audit the records and accounts of the owner to verify such certification;

(3) In the case of owner-occupied affordable housing units, the qualifying owner occupant shall, before the end of the first year in which credits are claimed, certify to the commission that the occupant is income eligible during the preceding two years, and at the time of the initial purchase contract, but not thereafter.

The qualifying owner occupant shall further certify to the commission, before the end of the first year in which credits are claimed, that during the compliance period indicated in the land use restriction agreement, the cost of the affordable housing unit to the occupant for the claimed unit can reasonably be projected to be in compliance with the provisions of sections 32.100 to 32.125. Any succeeding owner occupant acquiring the affordable housing unit during the compliance period indicated in the land use restriction agreement shall make the same certification;

(4) If at any time during the compliance period the commission determines a project for which a proposal has been approved is not in compliance with the applicable provisions of sections 32.100 to 32.125 or rules promulgated therefor, the commission may within one hundred fifty days of notice to the owner either seek injunctive enforcement action against the owner, or seek legal damages against the owner representing the value of the tax credits, or foreclose on the lien in the land use restriction agreement, selling the project at a public sale, and paying to the owner the proceeds of the sale, less the costs of the sale and less the value of all tax credits allowed herein. The commission shall remit to the director of revenue the portion of the legal damages collected or the sale proceeds representing the value of the tax credits. However, except in the event of intentional fraud by the taxpayer, the proposal's certificate of eligibility for tax credits shall not be revoked.

4. For proposals approved pursuant to section 32.112, the amount of the tax credit shall not exceed fifty-five percent of the total amount contributed to a neighborhood organization by business firms. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. The total amount of tax credit granted for programs approved pursuant to section 32.112 shall not exceed one million dollars for each fiscal year.

5. The total amount of tax credits used for market rate housing in distressed communities pursuant to sections 32.100 to 32.125 shall not exceed thirty percent of the total amount of all tax credits authorized pursuant to sections 32.111 and 32.112.

6. Notwithstanding any provision of law to the contrary, no tax credits provided under sections 32.100 to 32.125 shall be authorized on or after August 28, 2015. The provisions of this subsection shall not be construed to limit or in any way impair the department's ability to issue tax credits authorized prior to August 28, 2015, or a taxpayer's ability to redeem such tax credits.”; and

The department of economic development shall prescribe the method for claiming the tax credits allowed in this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. All rulemaking authority delegated prior to June 27, 1997, is of no force and effect and repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to June 27, 1997, if such rule complied with the provisions of chapter 536. The provisions of this section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, including the ability to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void.

4. The tax credits allowed by this section shall be claimed by the taxpayer to offset the taxes that become due in the taxpayer's tax period in which the contribution was made. Any tax credit not used in such tax period may be carried over the next five succeeding tax periods.

5. 2. A taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability, in an amount equal to fifty percent of the amount such taxpayer contributed to a shelter for victims of domestic violence.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the taxable year that the credit is claimed, and such taxpayer shall not be allowed to claim a tax credit in excess of fifty thousand dollars per taxable year. If a shelter for victims of domestic violence fails to use all, or some percentage to be determined by the director of the department of social services, of its apportioned tax credits during this predetermined period of time, the director of the department of social services may reapportion these unused tax credits to those shelters for victims of domestic violence that have used all, or some percentage to be determined by the director of the department of social services, of their apportioned tax credits during this predetermined period of time. The director of the department of social services may establish more than one period of time and reapportion more than once during each fiscal year. 5. The director shall determine, at least annually, which facilities in this state may be classified as pregnancy resource centers. The director may require of a facility seeking to be classified as a pregnancy resource center whatever information which is reasonably necessary to make such a determination. The director shall classify a facility as a pregnancy resource center if such facility meets the definition set forth in subsection 1 of this section.

6. The director shall establish a procedure by which a taxpayer can determine if a facility has been classified as a pregnancy resource center. Pregnancy resource centers shall be permitted to decline a contribution from a taxpayer. The cumulative amount of tax credits which may be claimed by all the taxpayers contributing to pregnancy resource centers in any one fiscal year shall not exceed two million dollars. Tax credits shall be issued in the order contributions are received.

7. If a pregnancy resource center fails to use all, or some percentage to be determined by the director, of its apportioned tax credits during this predetermined period of time, the director may reapportion these unused tax credits to those pregnancy resource centers that have used all, or some percentage to be determined by the director, of their apportioned tax credits during this predetermined period of time. The director may establish more than one period of time and reapportion more than once during each fiscal year. To the maximum extent possible, the director shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax credits possible up to the cumulative amount of tax credits available for the fiscal year.

8. Each pregnancy resource center shall provide information to the director concerning the identity of each taxpayer making a contribution to the pregnancy resource center who is claiming a tax credit pursuant to this section and the amount of the contribution. The director shall provide the information to the director of revenue. The director shall be subject to the confidentiality and penalty provisions of section 32.057 relating to the disclosure of tax information.

9. Notwithstanding any other law to the contrary, any tax credits granted under this section may be assigned, transferred, sold, or otherwise conveyed without consent or approval. Such taxpayer, hereinafter the assignor for purposes of this section, may sell, assign, exchange, or otherwise transfer earned tax credits:

- (1) For no less than seventy-five percent of the par value of such credits; and
- (2) In an amount not to exceed one hundred percent of annual earned credits.

10. [Pursuant to section 23.253 of the Missouri sunset act:

(1) Any new program authorized under this section shall automatically sunset six years after August 28, 2006, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

Journal of the Senate

FIRST REGULAR SESSION

SIXTY-FIRST DAY—MONDAY, MAY 2, 2011

The Senate met pursuant to adjournment.

Senator Pearce in the Chair.

Reverend Carl Gauck offered the following prayer:

“...I act with steadfast love, justice, and righteousness in the earth, for in these things I delight.” (Jeremiah 9:24b)

Righteous Lord, ten years ago we prayed during special session for Your mercy on those who died violently and for comfort for the families who grieved, and You have answered our prayers. We also prayed that those responsible would be brought to justice and that now has come to completion. So we give You thanks and praise for hearing our cries and that Your justice is made complete through Your people. May we also be those who see Your righteousness and provide justice for Your people here in Missouri. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

MESSAGES FROM THE GOVERNOR

The following messages were received from the Governor, reading of which was waived:

GOVERNOR OF MISSOURI

JEFFERSON CITY

65102

April 29, 2011

TO THE SECRETARY OF THE SENATE
96TH GENERAL ASSEMBLY
FIRST REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you Senate Committee Substitute for Senate Bill No. 188 entitled:

AN ACT

To repeal sections 213.010, 213.070, 213.101, and 213.111, RSMo, and to enact in lieu thereof five new sections relating to unlawful discriminatory practices.

I disapprove of Senate Committee Substitute for Senate Bill No. 188. My reasons for disapproval are as follows:

The Missouri Human Rights Act provides fundamental protections for individual citizens against discrimination in employment, housing and use of public accommodations. The Act implements the basic belief of Missourians that unfair treatment based on race, color, religion, national origin, sex, ancestry, age, disability or familial status shall not be tolerated and the citizens who have been subjected to such unfair treatment must have a meaningful opportunity to protect their basic civil rights.

Senate Committee Substitute for Senate Bill No. 188 represents a significant retreat from the basic principles of fairness embodied in the Missouri Human Rights Act and erects unacceptable impediments to those victimized by discrimination and seeking to avail themselves of the Act's legal protection. Senate Committee Substitute for Senate Bill No. 188 is characterized by an overarching lack of accountability for discriminatory conduct. Missouri has made important progress, over decades, in insisting its workplaces, public accommodations and housing opportunities are free from discrimination. Senate Committee Substitute for Senate Bill No. 188 would roll back that progress and enfeeble the protections that should, and must, be afforded to Missourians.

Senate Committee Substitute for Senate Bill No. 188 contains provisions that I deem bad public policy and an unacceptable step backward from the protections of the Missouri Human Rights Act, including but not limited to the following:

- **Eliminating individual responsibility for discrimination.** Senate Committee Substitute for Senate Bill No. 188 releases from liability the person who committed the allegedly discriminatory act. For example, a supervisor who fired an employee because of the employee's race; who sexually harassed an employee; or who demoted an employee because of the employee's age could not be held liable under the Missouri Human Rights Act if Senate Committee Substitute for Senate Bill No. 188 became law. That is not acceptable in the State of Missouri. A victimized employee should have the opportunity to hold the victimizer accountable in a court of law.
- **Exempting private clubs from suit.** Under Senate Committee Substitute for Senate Bill No. 188, private clubs that discriminate against their employees could not be sued under the Missouri Human Rights Act. Excusing discrimination based simply on where it occurred is an abhorrent policy, and even more so given the history surrounding these clubs. Discrimination must not be tolerated in any setting.
- **Limiting actual damages.** Senate Committee Substitute for Senate Bill No. 188 establishes compensatory damage caps that are inadequate for persons that have suffered discrimination on the basis of their race, color, religion, national origin, sex, ancestry, age, disability or familial status. Moreover, Senate Committee Substitute for Senate Bill No. 188 limits actual damages in ways that are

more restrictive than federal law. Senate Committee Substitute for Senate Bill No. 188 caps back pay by expressly including it in the damages cap, and Senate Committee Substitute for Senate Bill No. 188 caps front pay, which is a type of equitable relief, through use of the phrase “other equitable relief” in the damages limitation provision. These limitations will reduce the recovery available to victims of discrimination and have a chilling effect on the ability of those persons to bring legal action under the Missouri Human Rights Act.

- **Limiting punitive damages against private companies and prohibiting punitive damages against government.** Senate Committee Substitute for Senate Bill No. 188 limits the amount of punitive damages a person can recover by including punitive damages in the overall damages cap, and Senate Committee Substitute for Senate Bill No. 188 also bars punitive damages against the State or political subdivisions. Enactment of these provisions into law would unfairly and wrongly diminish the accountability of a wrongdoer who discriminates with evil motive or reckless indifference. Furthermore, by prohibiting punitive damages against government, Senate Committee Substitute for Senate Bill No. 188 would have the unfortunate effect of making government less accountable for discriminatory conduct than the private sector. Neither proposition is tenable. Missourians deserve, and the Missouri Human Rights Act should provide, appropriate accountability for such egregious conduct.
- **Limiting the right to a jury trial.** Senate Committee Substitute for Senate Bill No. 188 would limit the right to a jury trial under the Missouri Human Rights Act by instructing Missouri judges to dismiss more employment discrimination cases through summary judgment. Given the significant progress in establishing the right to jury trial under the Missouri Human Rights Act, and considering the fact-intensive nature of these types of cases, it would be a step backward to limit the right to jury trial by statutorily instructing judges to increase the use of summary judgment. It should also be noted that directing Missouri courts to find certain federal judicial decisions and their “progeny” “highly persuasive” is a confusing and misdirected relinquishment of state authority. “Progeny” does not typically include statutory changes. Even if it does, it is unclear whether Senate Committee Substitute for Senate Bill No. 188 directs Missouri courts to look to potential future amendments to the 1991 Civil Rights Act. “Progeny” would also seemingly require Missouri courts to reconcile the myriad of sometimes conflicting judicial decisions handed down by federal district and appellate courts in analyzing a Missouri employment discrimination case. Neither approach would promote judicial efficiency or clarity. Missouri courts should first and foremost look to Missouri law when evaluating a Missouri employment discrimination case.
- **Making Missouri law more restrictive than federal law.** Senate Committee Substitute for Senate Bill No. 188 is more restrictive than federal law in important respects. Unlike federal law, Senate Committee Substitute for Senate Bill No. 188 caps damages for back pay and front pay. Unlike federal law, Senate Committee Substitute for Senate Bill No. 188 prohibits punitive damages against government in housing discrimination claims and prohibits liquidated damages against local government (the equivalent of punitive damages) in age discrimination claims. Unlike federal law, the amount of punitive damages that a plaintiff can recover under Senate Committee Substitute for Senate Bill No. 188 is less than federal law, because a back pay award under Senate Committee Substitute for Senate Bill No. 188 would count toward the damages cap that encompasses punitive damages. And, unlike federal law, Senate Committee Substitute for Senate Bill No. 188 prohibits certain types of relief that are recoverable in an employment discrimination action if one assumes that Senate Committee Substitute for Senate Bill No. 188 establishes a “but for” standard of causation.
- **Jeopardizing federal funding for the Missouri Human Rights Commission.** The Missouri Human Rights Commission enters into work sharing agreements with the federal Equal Employment Opportunity Commission (EEOC) to enforce federal anti-discrimination laws and with the federal Department of Housing and Urban Development (HUD) to enforce the federal Fair Housing Act. Both federal agencies provide funding to the Missouri Human Rights Commission under these agreements. Both the EEOC and HUD have concluded that contracting and funding for enforcement of federal anti-discrimination laws might be jeopardized if the provisions of Senate Committee Substitute for Senate Bill No. 188 that are more restrictive than federal statutes become law. That is a risk that should not be taken. The Missouri Human Rights Commission performs important functions that should not be endangered.
- **Exempting seasonal employers.** Senate Committee Substitute for Senate Bill No. 188 limits liability to those employers that employ persons for each working day for twenty or more calendar weeks in the current or preceding calendar year, which will have the effect of preventing seasonal employers from being accountable for discrimination. Excluding a class of employers solely on this basis would impede the goals of the Missouri Human Rights Act.

In accordance with the above stated reasons for disapproval, I am returning Senate Committee Substitute for Senate Bill No. 188 without my approval.

Respectfully submitted,
Jeremiah W. (Jay) Nixon
Governor

Also,

GOVERNOR OF MISSOURI
JEFFERSON CITY

65102

April 29, 2011

On April 29, 2011, I approved said Senate Committee Substitute for Senate Bill No. 108.

Respectfully submitted,
Jeremiah W. (Jay) Nixon
Governor

Also,

Any tobacco product manufacturer selling cigarettes to consumers within the State (whether directly or through a distributor, retailer or similar intermediary or intermediaries) after the date of enactment of this Act shall do one of the following:

(a) become a participating manufacturer (as that term is defined in section II(jj) of the Master Settlement Agreement) and generally perform its financial obligations under the Master Settlement Agreement; or

share of the total payments that such manufacturer would have been required to make in that year under the Master Settlement Agreement (as determined pursuant to section IX(i)(2) of the Master Settlement Agreement, and before any of the adjustments or offsets described in section IX(i)(3) of that Agreement other than the Inflation Adjustment)] **Master Settlement Agreement payments, as determined under section IX(i) of that Agreement including after final determination of all adjustments, that such manufacturer would have been required to make on account of such units sold** had it been a participating manufacturer, the excess shall be released from escrow and revert back to such tobacco product manufacturer; or

(C) to the extent not released from escrow under subparagraphs (A) or (B), funds shall be released from escrow and revert back to such tobacco product manufacturer twenty-five years after the date on which they were placed into escrow.

SIXTY-SECOND DAY—TUESDAY, MAY 3, 2011

The Senate met pursuant to adjournment.

Senator Pearce in the Chair.

Reverend Carl Gauck offered the following prayer:

“Let us not love in word or in speech but in deed and in truth.” (I John 3:18)

We ask, O Lord, let us never forget You or how loving and gracious You are to us. You have blessed us with good work that must be done so we ask that our deed match our speech and word be true. May we rejoice and be proud of the actions we take this day and may we find completion in the efforts put forth. And may we never fail to show our appreciation for those who do so much to help us get through each week. Let us show in loving words and action how much they mean to us and treat them accordingly. In Your Holy Name we pray. Amen.

2. Notwithstanding the requirements of subsection 1 of this section, the commissioner of administration shall give further preference as required by section 34.076].

2. Notwithstanding any other provision of law to the contrary, no other preference shall be awarded to any entity or person other than as provided in subsection 1 of this section.

[34.031. 1. Products that utilize recovered materials of a price and quality comparable to products made from virgin materials shall be sought and purchased, with particular emphasis on recycled oil, retread tires, compost materials and recycled paper products. The commissioner shall exercise a preference for such products if their use is technically feasible and, where a bid is required, their price is equal to, or less than, the price of items which are manufactured or produced from virgin materials. Products that would be inferior, violate safety standards or violate product warranties if the provisions of this section are followed may be excluded from the provisions of this section.

2. The commissioner of administration shall:

3. Notwithstanding the provisions of this section, no state agency may purchase any food or beverage containers or wrapping manufactured from any polystyrene foam manufactured using any fully halogenated chlorofluorocarbon (CFC) found by the United States Environmental Protection Agency (EPA) to be an ozone-depleting chemical.

4. Approval shall not be granted unless the purchasing agency demonstrates to the satisfaction of the director of the department of natural resources and the commissioner that there is no environmentally more acceptable alternatives or the quality of such alternatives is not adequate for the purpose intended.

5. For each paper product type and corresponding recycled paper content standard pursuant to subdivision (2) of subsection 2 of this section, attainment goals for the percentage of paper products to be purchased that utilize post-consumer recovered materials shall be:

- (1) Ten percent in 1991 and 1992;
- (2) Twenty-five percent in 1993 and 1994;
- (3) Forty percent in 1995; and

7. The commissioner of administration, in consultation with the environmental improvement and energy resources authority of the department of natural resources, shall prepare and provide by January first of each year an annual report summarizing past activities and accomplishments of the program and proposed goals of the program including projections for each affected agency. The report shall also include a list of

8. The office of administration, department of natural resources and department of economic development shall cooperate jointly and share to the greatest extent possible, information and other resources to promote:

(1) Producers or potential producers of secondary material goods to expand or develop their product lines;

(2) Increased demand for secondary materials recovered in Missouri; and

The total number of highway design-build project contracts awarded by the commission in any state fiscal year shall not exceed two percent of the total number of all state highway system projects **awarded to contracts for construction from projects** listed in the commission’s approved statewide transportation improvement project for that state fiscal year. Authority to enter into design-build projects granted by this section shall expire on July 1, [2012] **2018**, unless extended by statute.

2. Notwithstanding provisions of subsection 1 of this section to the contrary, the state highways and transportation commission is authorized to enter into additional design-build contracts for the design, construction, reconstruction, or improvement of Missouri Route 364 as contained in any county with a charter form of government and with more than two hundred fifty thousand but fewer than three hundred fifty thousand inhabitants and in any county with a charter form of government and with more than one million inhabitants, and the State Highway 169 and 96th Street intersection located within a home rule city with more than four hundred thousand inhabitants and located in more than one county. The state highways and transportation commission is authorized to enter into an additional design-build contract for the design, construction, reconstruction, or improvement of State Highway 92, contained in a county of the first classification with more than one hundred eighty-four thousand but fewer than one hundred eighty-eight thousand inhabitants, from its intersection with State Highway 169, east to its intersection with State Highway E. **The state highways and transportation commission is authorized to enter into an additional design-build contract for the design, construction, reconstruction, or improvement of US 40/61 I-64 Missouri River Bridge as contained in any county with a charter form of government and with more than one million inhabitants and any county with a charter form of government and with more than two hundred fifty thousand but fewer than three hundred fifty thousand inhabitants.** The authority to enter into a design-build highway project under this subsection shall not be subject to the time limitation expressed in subsection 1 of this section.

3. For the purpose of this section a “design-builder” is defined as an individual, corporation, partnership, joint venture or other entity, including combinations of such entities making a proposal to perform or performing a design-build highway project contract.

4. For the purpose of this section, “design-build highway project contract” is defined as the procurement of all materials and services necessary for the design, construction, reconstruction or improvement of a state highway project in a single contract with a design-builder capable of providing the necessary materials and services.

5. For the purpose of this section, “highway project” is defined as the design, construction, reconstruction or improvement of highways or bridges under contract with the state highways and transportation commission, which is funded by state, federal or local funds or any combination of such funds.

6. In using a design-build highway project contract, the commission shall establish a written procedure by rule for prequalifying design-builders before such design-builders will be allowed to make a proposal on the project.

(2) A performance bond or bonds for the construction period specified in the design-build highway project contract equal to a reasonable estimate of the total cost of construction work under the terms of the design-build highway project contract. If the commission determines in writing supported by specific findings that the reasonable estimate of the total cost of construction work under the terms of the design-build highway project contract is expected to exceed two-hundred fifty million dollars and a performance bond or bonds in such amount is impractical, the commission shall set the performance bond or bonds at the largest amount reasonably available, but not less than two-hundred fifty million dollars, and may require additional security, including but not limited to letters of credit, for the balance of the estimate not covered by the performance bond or bonds;

(3) A payment bond or bonds that shall be enforceable under section 522.300 for the protection of persons supplying labor and material in carrying out the construction work provided for in the design-build highway project contract. The aggregate amount of the payment bond or bonds shall equal a reasonable estimate of the total amount payable for the cost of construction work under the terms of the design-build highway project contract unless the commission determines in writing supported by specific findings that a payment bond or bonds in such amount is impractical, in which case the commission shall establish the amount of the payment bond or bonds; except that the amount of the payment bond or bonds shall not be less than the aggregate amount of the performance bond or bonds and any additional security to such performance bond or bonds; and

(4) Upon award of the design-build highway project contract, the sum of the performance bond and any required additional security established under subdivisions (2) and (3) of this subsection shall be stated, and shall be a matter of public record.

14. The commission shall pay a reasonable stipend to prequalified responsive design-builders who submit a proposal, but are not awarded the design-build highway project.

15. The commission shall comply with the provisions of any act of congress or any regulations of any federal administrative agency which provides and authorizes the use of federal funds for highway projects using the design-build process.

16. The commission shall promulgate administrative rules to implement this section or to secure federal funds. Such rules shall be published for comment in the Missouri Register and shall include prequalification criteria, the make-up of the prequalification review team, specifications for the design criteria package, the method of advertising, receiving and evaluating proposals from design-builders, the criteria for awarding the design-build highway project based on the design criteria package and a separate proposal stating the cost of construction, and other methods, procedures and criteria necessary to administer this section.

17. The commission shall make a status report to the members of the general assembly and the governor following the award of the design-build project, as an individual component of the annual report submitted by the commission to the joint transportation oversight committee in accordance with the provisions of section 21.795. The annual report prior to advertisement of the design-build highway project contracts shall state the goals of the project in reducing costs and/or the time of completion for the project in comparison to the design-bid-build method of construction and objective measurements to be utilized in determining achievement of such goals. Subsequent annual reports shall include: the time estimated for design and construction of different phases or segments of the project and the actual time required to complete such work during the period; the amount of each progress payment to the design-builder during the period and the percentage and a description of the portion of the project completed regarding such payment; the number and a description of design change orders issued during the period and the cost of each such change order; upon substantial and final completion, the total cost of the design-build highway project with a breakdown of costs for design and construction; and such other measurements as specified by rule. The annual report immediately after final completion of the project shall state an assessment of the advantages and disadvantages of the design-build method of contracting for highway and bridge projects in comparison to the design-bid-build method of contracting and an assessment of whether the goals of the project in reducing costs and/or the time of completion of the project were met.

18. The commission shall give public notice of a request for qualifications in at least two public newspapers that are distributed wholly or in part in this state and at least one construction industry trade publication that is distributed nationally.

19. The commission shall publish its cost estimates of the design-build highway project award and the project completion date along with its public notice of a request for qualifications of the design-build project.

20. If the commission fails to receive at least two responsive submissions from design-builders considered qualified, submissions shall not be opened and it shall readvertise the project.

21. For any highway design-build project constructed under this section, the commission shall negotiate

and reach agreements with affected railroads. Such agreements shall include clearance, safety, insurance, and indemnification provisions, but are not required to include provisions on right-of-way acquisitions.”; and

HOUSE AMENDMENT NO. 6

Amend House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 58, Page 2, Section 301.3084, Line 33 by inserting after said line the following:

“302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person’s reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

(a) [A business, occupation, or] **Driving to or from the operator’s places of** employment;

(b) [Seeking medical treatment for such operator;

(c)] Attending school or other institution of higher education;

[(d)] (c) Attending alcohol or drug treatment programs; **or**

[(e)] (d) Seeking the required services of a certified ignition interlock device provider; [or

(f) Any other circumstance the court or director finds would create an undue hardship on the operator;] the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator’s principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant’s driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has

complied with chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection, until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege.

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

Such transportation development district sales tax may be imposed for any transportation development purpose designated by the transportation development district in its ballot of submission to its qualified voters, except that no resolution enacted pursuant to the authority granted by this section shall be effective unless:

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the board of directors of the transportation development district shall have no power to impose the sales tax authorized by this section unless and until the board of directors of the transportation development district shall again have submitted another proposal to authorize it to impose the sales tax pursuant to the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon.

(3) The sales tax authorized by this section shall become effective on the first day of the second calendar

quarter after the department of revenue receives notification of the tax.

(4) In each transportation development district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the transportation development district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

(5) In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the transportation development district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

(6) All revenue received by a transportation development district from the tax authorized by this section which has been designated for a certain transportation development purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. Upon the expiration of the period of years approved by the qualified voters pursuant to subdivision (2) of this subsection or if the tax authorized by this section is repealed pursuant to subsection 6 of this section, all funds remaining in the special trust fund shall continue to be used solely for such designated transportation development purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other transportation development district funds.

(7) The sales tax may be imposed in increments of one-eighth of one percent, up to a maximum of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the transportation development district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525, except such transportation development district sales tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors nor to public utilities. Any transportation development district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

2. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the transportation development district.

3. On and after the effective date of any tax imposed pursuant to this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect, in addition to all other sales taxes imposed by law, the additional tax authorized pursuant to this section. The tax imposed pursuant to this section and the taxes imposed pursuant to all other laws of the state of Missouri shall be collected together and reported upon such forms and pursuant to such administrative rules and regulations as may be prescribed by the director of revenue.

4. (1) All applicable provisions contained in sections 144.010 to 144.525, governing the state sales tax, sections 32.085 and 32.087 and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the transportation development district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

5. All sales taxes received by the transportation development district shall be deposited by the director of revenue in a special fund to be expended for the purposes authorized in this section. The director of revenue shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each transportation development district and the general public.

6. (1) No transportation development district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects.

(2) Whenever the board of directors of any transportation development district in which a transportation development sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the qualified voters calling for an election to repeal such transportation development sales tax, the board of directors shall, if such repeal will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects, submit to the qualified voters of such transportation development district a proposal to repeal the transportation development sales tax imposed pursuant to the provisions of this section. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal to repeal the transportation development sales tax, then the resolution imposing the transportation

development sales tax, along with any amendments thereto, is repealed. Further amend said bill, page, Section 227.428, Line 5 by inserting after all of said section and line the following:

“301.032. 1. Notwithstanding the provisions of sections 301.030 and 301.035 to the contrary, the director of revenue shall establish a system of registration of all fleet vehicles owned or purchased by a fleet owner registered pursuant to this section. The director of revenue shall prescribe the forms for such fleet registration and the forms and procedures for the registration updates prescribed in this section. Any owner of ten or more motor vehicles which must be registered in accordance with this chapter may register as a

fleet owner. All registered fleet owners may, at their option, register all motor vehicles included in the fleet on a calendar year or biennial basis pursuant to this section in lieu of the registration periods provided in sections 301.030, 301.035, and 301.147. The director shall issue an identification number to each registered owner of fleet vehicles.

2. All fleet vehicles included in the fleet of a registered fleet owner shall be registered during April each year or on a prorated basis as provided in subsection 3 of this section. Fees of all vehicles in the fleet to be registered on a calendar year basis or on a biennial basis shall be payable not later than the last day of April of each year, with two years' fees due for biennially-registered vehicles. Notwithstanding the provisions of section 307.355, an application for registration of a fleet vehicle must be accompanied by a certificate of inspection and approval issued no more than one hundred twenty days prior to the date of application. The fees for vehicles added to the fleet which must be licensed at the time of registration shall be payable at the time of registration, except that when such vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the annual fee, when licensed between October first and December thirty-first the fee shall be one-half the annual fee and when licensed on or after January first the fee shall be one-fourth the annual fee. When biennial registration is sought for vehicles added to a fleet, an additional year's annual fee will be added to the partial year's prorated fee.

3. At any time during the calendar year in which an owner of a fleet purchases or otherwise acquires a vehicle which is to be added to the fleet or transfers plates to a fleet vehicle, the owner shall present to the director of revenue the identification number as a fleet number and may register the vehicle for the partial year as provided in subsection 2 of this section. The fleet owner shall also be charged a transfer fee of two dollars for each vehicle so transferred pursuant to this subsection.

4. Except as specifically provided in this subsection, all fleet vehicles registered pursuant to this section shall be issued a special license plate which shall have the words "Fleet Vehicle" in place of the words "Show-Me State" in the manner prescribed by the advisory committee established in section 301.129. Alternatively, for a one-time additional five dollar per-vehicle fee beyond the regular registration fee, owners of fleet vehicles may apply for fleet license plates bearing a company name or logo. All fleet license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Fleet vehicles shall be issued multiyear license plates as provided in this section which shall not require issuance of a renewal tab **or window sticker**. Upon payment of appropriate registration fees, the director of revenue shall issue a registration certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued. The director of revenue shall promulgate rules and regulations establishing the procedure for application and issuance of fleet vehicle license plates.

5. Notwithstanding the provisions of sections 307.350 to 307.390 to the contrary, a fleet vehicle registered in Missouri is exempt from the requirements of sections 307.350 to 307.390, if at the time of the annual fleet registration, such fleet vehicle is situated outside the state of Missouri.

301.130. 1. The director of revenue, upon receipt of a proper application for registration, required fees and any other information which may be required by law, shall issue to the applicant a certificate of registration in such manner and form as the director of revenue may prescribe and a set of license plates, or other evidence of registration, as provided by this section. Each set of license plates shall bear the name or abbreviated name of this state, the words "SHOW-ME STATE", the month and year in which the registration shall expire, and an arrangement of numbers or letters, or both, as shall be assigned from year to year by the director of revenue. The plates shall also contain fully reflective material with a common

color scheme and design for each type of license plate issued pursuant to this chapter. The plates shall be clearly visible at night, and shall be aesthetically attractive. Special plates for qualified disabled veterans will have the “DISABLED VETERAN” wording on the license plates in preference to the words “SHOW-ME STATE” and special plates for members of the national guard will have the “NATIONAL GUARD” wording in preference to the words “SHOW-ME STATE”.

2. The arrangement of letters and numbers of license plates shall be uniform throughout each classification of registration. The director may provide for the arrangement of the numbers in groups or otherwise, and for other distinguishing marks on the plates.

3. All property-carrying commercial motor vehicles to be registered at a gross weight in excess of twelve thousand pounds, all passenger-carrying commercial motor vehicles, local transit buses, school buses, trailers, semitrailers, motorcycles, motortricycles, motorscooters and driveaway vehicles shall be registered with the director of revenue as provided for in subsection 3 of section 301.030, or with the state highways and transportation commission as otherwise provided in this chapter, but only one license plate shall be issued for each such vehicle.

4. The plates issued to manufacturers and dealers shall bear the letters and numbers as prescribed by section 301.560, and the director may place upon the plates other letters or marks to distinguish commercial motor vehicles and trailers and other types of motor vehicles.

5. No motor vehicle or trailer shall be operated on any highway of this state unless it shall have displayed thereon the license plate or set of license plates issued by the director of revenue or the state highways and transportation commission and authorized by section 301.140. Each such plate shall be securely fastened to the motor vehicle or trailer in a manner so that all parts thereof shall be plainly visible and reasonably clean so that the reflective qualities thereof are not impaired. Each such plate may be encased in a transparent cover so long as the plate is plainly visible and its reflective qualities are not impaired. License plates shall be fastened to all motor vehicles except trucks, tractors, truck tractors or truck-tractors licensed in excess of twelve thousand pounds on the front and rear of such vehicles not less than eight nor more than forty-eight inches above the ground, with the letters and numbers thereon right side up. The license plates on trailers, motorcycles, motortricycles and motorscooters shall be displayed on the rear of such vehicles, with the letters and numbers thereon right side up. The license plate on buses, other than school buses, and on trucks, tractors, truck tractors or truck-tractors licensed in excess of twelve thousand pounds shall be displayed on the front of such vehicles not less than eight nor more than forty-eight inches above the ground, with the letters and numbers thereon right side up or if two plates are issued for the vehicle pursuant to subsection 3 of this section, displayed in the same manner on the front and rear of such vehicles. The license plate or plates authorized by section 301.140, when properly attached, shall be prima facie evidence that the required fees have been paid.

6. (1) **Beginning January 1, 2012**, the director of revenue shall issue annually or biennially a [tab or set of tabs] **window sticker, to be placed on the front windshield of the motor vehicle**, as provided by law as evidence of the annual payment of registration fees and the current registration of a vehicle in lieu of the set of plates. **Notwithstanding the provisions of this section, motorcycles and trailers shall be issued license plate tabs in lieu of window stickers.** Beginning January 1, 2010, the director may prescribe any additional information recorded on the tab or tabs **or window sticker** to ensure that the tab or tabs **or the window sticker** positively correlate with the license plate or plates issued by the department of revenue for such vehicle. Such tabs **or window stickers** shall be produced in each license bureau office.

(2) [The vehicle owner to whom a tab or set of tabs is issued shall affix and display such tab or tabs in the designated area of the license plate, no more than one per plate] **The window sticker shall be placed on the inside front window in an area prescribed by the director of revenue. Tabs issued to motorcycles and trailers shall be affixed and displayed in the designated area of the license plate.**

(3) A tab or [set of tabs] **window sticker** issued by the director of revenue when attached to a vehicle in the prescribed manner shall be prima facie evidence that the registration fee for such vehicle has been paid.

(4) Except as otherwise provided in this section, the director of revenue shall issue plates for a period of at least six years.

(5) For those commercial motor vehicles and trailers registered pursuant to section 301.041, the plate issued by the highways and transportation commission shall be a permanent nonexpiring license plate for which no tabs **or window sticker** shall be issued. Nothing in this section shall relieve the owner of any vehicle permanently registered pursuant to this section from the obligation to pay the annual registration fee due for the vehicle. The permanent nonexpiring license plate shall be returned to the highways and transportation commission upon the sale or disposal of the vehicle by the owner to whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a replacement commercial motor vehicle when the owner files a supplemental application with the Missouri highways and transportation commission for the registration of such replacement commercial motor vehicle. Upon payment of the annual registration fee, the highways and transportation commission shall issue a certificate of registration or other suitable evidence of payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued.

(6) Upon the sale or disposal of any vehicle permanently registered under this section, or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such vehicle shall be returned to the highways and transportation commission and shall not be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner files a supplemental application with the Missouri highways and transportation commission for the registration of such replacement vehicle. If a vehicle which is permanently registered under this section is sold, wrecked or otherwise disposed of, or the lease terminated, the registrant shall be given credit for any unused portion of the annual registration fee when the vehicle is replaced by the purchase or lease of another vehicle during the registration year.

7. The director of revenue and the highways and transportation commission may prescribe rules and regulations for the effective administration of this section. [No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.] **Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2011, shall be invalid and void.**

8. Notwithstanding the provisions of any other law to the contrary, owners of motor vehicles other than apportioned motor vehicles or commercial motor vehicles licensed in excess of eighteen thousand pounds gross weight may apply for special personalized license plates. Vehicles licensed for eighteen thousand

pounds that display special personalized license plates shall be subject to the provisions of subsections 1 and 2 of section 301.030.

9. No later than January 1, 2009, the director of revenue shall commence the reissuance of new license plates of such design as directed by the director consistent with the terms, conditions, and provisions of this section and this chapter. Except as otherwise provided in this section, in addition to all other fees required by law, applicants for registration of vehicles with license plates that expire during the period of reissuance, applicants for registration of trailers or semitrailers with license plates that expire during the period of reissuance and applicants for registration of vehicles that are to be issued new license plates during the period of reissuance shall pay the cost of the plates required by this subsection. The additional cost prescribed in this subsection shall not be charged to persons receiving special license plates issued under section 301.073 or 301.443. Historic motor vehicle license plates registered pursuant to section 301.131 and specialized license plates are exempt from the provisions of this subsection. Except for new, replacement, and transfer applications, permanent nonexpiring license plates issued to commercial motor vehicles and trailers registered under section 301.041 are exempt from the provisions of this subsection.

301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates **and window sticker** shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. **A window sticker shall not be required during the thirty-day time frame.** As used in this subsection, the term “trade-in motor vehicle or trailer” shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, **and payment of a fee as prescribed in section 301.300 for a replacement window sticker**, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars, **the fee prescribed in section 301.300 for a replacement window sticker**, and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars, **and payment of a fee as prescribed in section 301.300 for a replacement window sticker**, if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars, **the fee prescribed in section 301.300 for a replacement**

window sticker, and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. Upon the sale of a motor vehicle or trailer by a dealer, a buyer who has made application for registration, by mail or otherwise, may operate the same for a period of thirty days after taking possession thereof, if during such period the motor vehicle or trailer shall have attached thereto, in the manner required by section 301.130, number plates issued to the dealer. Upon application and presentation of proof of financial responsibility as required under subsection 5 of this section and satisfactory evidence that the buyer has applied for registration, a dealer may furnish such number plates to the buyer for such temporary use. In such event, the dealer shall require the buyer to deposit the sum of ten dollars and fifty cents to be returned to the buyer upon return of the number plates as a guarantee that said buyer will return to the dealer such number plates within thirty days. The director shall issue a temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days of the date of purchase.

5. The temporary permit shall be made available by the director of revenue and may be purchased from the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer. The director shall make temporary permits available to registered dealers in this state or authorized agents of the department of revenue in sets of ten permits. The fee for the temporary permit shall be seven dollars and fifty cents for each permit or plate issued. No dealer or authorized agent shall charge more than seven dollars and fifty cents for each permit issued. The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility.

6. The permit shall be issued on a form prescribed by the director and issued only for the applicant's use in the operation of the motor vehicle or trailer purchased to enable the applicant to legally operate the vehicle while proper title and registration plate are being obtained, and shall be displayed on no other vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director shall determine the size and numbering configuration, construction, and color of the permit.

7. The dealer or authorized agent shall insert the date of issuance and expiration date, year, make, and manufacturer's number of vehicle on the permit when issued to the buyer. The dealer shall also insert such dealer's number on the permit. 8. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

301.160. Upon approval of the application for registration of a motor vehicle or trailer and when the required fee has been paid to the department of revenue, the department shall forward or deliver to the applicant the registration receipt and the number of license plates prescribed for the vehicle or trailer by section 301.130, or renewal tabs **or window stickers** if appropriate. 2. 3. Correctional enterprises shall furnish the plates and signs at such a price as will not exceed the price at which such plates and signs may be obtained upon the open market, but in no event shall such price be less than the cost of manufacture, including labor and materials.

4. All moneys derived from the sale of the plates, tabs, **window stickers**, and signs shall be paid into the state treasury to the credit of the working capital revolving fund as provided in section 217.595.

301.300. 1. In event of the loss, theft, mutilation or destruction of any certificate of ownership, number plate, tab [or set of tabs] **or window sticker** issued by the director of revenue, the lawful holder thereof shall, within five days, file with the director of revenue, an affidavit showing such fact, and shall, on the payment of a fee of eight dollars and fifty cents, obtain a duplicate or replacement of such plate, certificate, tab [or set of tabs] **or window sticker**. Any duplicate certificate issued for any “motor vehicle primarily for business use”, as defined in section 301.010, shall be issued only to the owner of record.

3. Vehicle owners who elect not to transfer or renew multiyear plates shall be charged a fee equal to that charged for a lost plate in addition to the registration fee prescribed by law at the time the new plate or plates are issued.

4. Notwithstanding subsection 1 of this section, a new or used motor vehicle dealer may obtain a duplicate or replacement title in the owner’s name if the owner’s title has been lost, stolen, mutilated, or destroyed and is not available for assignment. In order to obtain the duplicate or replacement title from the department of revenue, the licensed dealer shall procure a power of attorney from the owner authorizing the dealer to obtain a duplicate or replacement title in the owner’s name and sign any title assignments on the owner’s behalf. The application to the department of revenue for the duplicate or replacement title shall be accompanied by the executed power of attorney, or a copy thereof, and the application shall contain the appropriate mailing address of the dealer. The director of the department of revenue is authorized to make all necessary rules and regulations for the administration of this subsection, and shall design all necessary forms required by this subsection. No rule or portion of a rule promulgated pursuant to the authority of this

section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

301.302. A law enforcement officer may issue a warning under these circumstances. In the event a citation is improperly issued to a person for a missing [tabs] **tab or window sticker** when the requirements of this section are met, any court costs shall be waived."; and

Further amend said bill. Page 14, Section 537.293, Line 13 by inserting after all of said section and line the following:

SIXTY-THIRD DAY—WEDNESDAY, MAY 4, 2011

The Senate met pursuant to adjournment.

Senator Pearce in the Chair.

Reverend Carl Gauck offered the following prayer:

“Government is not warfare of interests. We shall not gain our ends by heat and bitterness, which make it impossible to think either calmly or fairly...” (Woodrow Wilson)

Gracious God, it has already been an interesting week and yet there is much to be accomplished, while heat and frustrations grow, making things more difficult. Help us, O Lord, to obtain a spirit of cooperation and helpfulness in a calm and just atmosphere. Help us do what is right in Your eyes and benefit the most people we serve. In Your Holy Name we pray. Amen.

HOUSE AMENDMENT NO. 3

Amend House Committee Substitute for Senate Bill No. 173, Page 10, Section 249.425, Line 97 by

inserting after said line the following:

“302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person’s reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

(a) [A business, occupation, or] **Driving to or from the operator’s places of employment;**

(b) [Seeking medical treatment for such operator;

(c)] Attending school or other institution of higher education;

[(d)] (c) Attending alcohol or drug treatment programs; **or**

[(e)] (d) Seeking the required services of a certified ignition interlock device provider; [or

(f) Any other circumstance the court or director finds would create an undue hardship on the operator;] the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator’s principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant’s driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection, until the applicant has filed proof with the department of revenue that any

motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege.

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, or having left the scene of an accident as provided in section 577.060;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041 or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041 or a similar implied consent law of any other state; or

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed such revocation.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege

issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least three years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding three years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least two years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding two years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

(9) A DWI docket or court established under section 478.007 may grant a limited driving privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review,

to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.”; and

Further amend said bill, Page 11, Section 319.025, Line 38 by inserting after said line the following:

Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load of thirty-four thousand pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six feet or more.

4. Whenever the state highways and transportation commission finds that any state highway bridge in the state is in such a condition that use of such bridge by vehicles of the weights specified in subsection 3

of this section will endanger the bridge, or the users of the bridge, the commission may establish maximum weight limits and speed limits for vehicles using such bridge. The governing body of any city or county may grant authority by act or ordinance to the state highways and transportation commission to enact the limitations established in this section on those roadways within the purview of such city or county. Notice of the weight limits and speed limits established by the commission shall be given by posting signs at a conspicuous place at each end of any such bridge.

5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle loads or gross loads in excess of those permitted under the provisions of Section 127 of Title 23 of the United States Code.

6. Notwithstanding the weight limitations contained in this section, any vehicle or combination of vehicles operating on highways other than the interstate highway system may exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two thousand pounds. However, total gross weight shall not exceed eighty thousand pounds, except as provided in subsection 9 of this section.

7. Notwithstanding any provision of this section to the contrary, the department of transportation shall issue a single-use special permit, or upon request of the owner of the truck or equipment, shall issue an annual permit, for the transporting of any concrete pump truck or well-drillers' equipment. The department of transportation shall set fees for the issuance of permits pursuant to this subsection. 8. Notwithstanding the provision of this section to the contrary, the maximum gross vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an idle reduction technology may be increased by a quantity necessary to compensate for the additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127, as amended. In no case shall the additional weight increase allowed by this subsection be greater than four hundred pounds. Upon request by an appropriate law enforcement officer, the vehicle operator shall provide proof that the idle reduction technology is fully functional at all times and that the gross weight increase is not used for any purpose other than for the use of idle reduction technology.

9. Notwithstanding subsection 3 of this section or any other provision of law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling livestock **or agricultural products not including local log truck as defined in section 301.010** may be as much as, but shall not exceed, eighty-five thousand five hundred pounds [while operating on U.S. Highway 36 from St. Joseph to U.S. Highway 65, and on U.S. Highway 65 from the Iowa state line to U.S. Highway 36]. **The provisions of this subsection, however, shall not apply to vehicles operated on the Dwight D. Eisenhower System of Interstate and Defense Highways.**"; and

“304.120. 1. Municipalities, by ordinance, may establish reasonable speed regulations for motor vehicles within the limits of such municipalities. No person who is not a resident of such municipality and who has not been within the limits thereof for a continuous period of more than forty-eight hours, shall be convicted of a violation of such ordinances, unless it is shown by competent evidence that there was posted at the

place where the boundary of such municipality joins or crosses any highway a sign displaying in black letters not less than four inches high and one inch wide on a white background the speed fixed by such municipality so that such sign may be clearly seen by operators and drivers from their vehicles upon entering such municipality.

2. Municipalities, by ordinance, may:

- (1) Make additional rules of the road or traffic regulations to meet their needs and traffic conditions;
- (2) Establish one-way streets and provide for the regulation of vehicles thereon;
- (3) Require vehicles to stop before crossing certain designated streets and boulevards;

(4) Limit the use of certain designated streets and boulevards to passenger vehicles, **except that each municipality shall allow at least one street, with lawful traffic movement and access from both directions, to be available for use by commercial vehicles to access any roads in the state highway system. Under no circumstances shall the provisions of this subdivision be construed to authorize municipalities to limit the use of all streets in the municipality;**

- (5) Prohibit the use of certain designated streets to vehicles with metal tires, or solid rubber tires;

(6) Regulate the parking of vehicles on streets by the installation of parking meters for limiting the time of parking and exacting a fee therefor or by the adoption of any other regulatory method that is reasonable and practical, and prohibit or control left-hand turns of vehicles;

- (7) Require the use of signaling devices on all motor vehicles; and

- (8) Prohibit sound producing warning devices, except horns directed forward.

3. No ordinance shall be valid which contains provisions contrary to or in conflict with this chapter, except as herein provided.

4. Any registered owner-lessor who fails or refuses to provide such information within the period required by this subsection shall be liable for the imposition of any fine established by municipal ordinance for the violation. Provided, however, if a leased motor vehicle is illegally parked due to a defect in such vehicle, which renders it inoperable, not caused by the fault or neglect of the lessee, then the lessor shall be liable on any violation for illegal parking of such vehicle.

5. No ordinance shall deny the use of commercial vehicles on all streets within the municipality.

537.293. 1. Notwithstanding any other provision of law, the use of vehicles on a public street or highway in a manner which is legal under state and local law shall not constitute a public or private nuisance, and shall not be the basis of a civil action for public or private nuisance.

2. No individual or business entity shall be subject to any civil action in law or equity for a public or private nuisance on the basis of such individual or business entity legally using vehicles on a public street or highway. Any actions by a court in this state to enjoin the use of a public street or highway in violation of this section and any damages awarded or imposed by a court, or assessed by a jury,

against an individual or business entity for public or private nuisance in violation of this section shall be null and void.

After such preliminary approval, the district may impose and collect such taxes and assessments as may be included in the commission's preliminary approval. After the commission approves the final construction plans and specifications, the district shall obtain prior commission approval of any modification of such plans or specifications.

2. If the proposed project is not intended to be merged into the state highways and transportation system under the commission's jurisdiction, the district shall also submit the proposed project and proposed plans and specifications to the local transportation authority that will become the owner of the project for its prior approval.

3. In those instances where a local transportation authority is required to approve a project and the commission determines that it has no direct interest in that project, the commission may decline to consider the project.

Approval of the project shall then vest exclusively with the local transportation authority subject to the district making any revisions in the plans and specifications required by the local transportation authority and the district and the local transportation authority entering into a mutually satisfactory agreement regarding development and future maintenance of the project. After the local transportation authority approves the final construction plans and specifications, the district shall obtain prior approval of the local transportation authority before modifying such plans or specifications.

4. Notwithstanding any provision of this section to the contrary, this section shall not apply to any district whose project is a public mass transportation system.

238.235. 1. (1) Any transportation development district may by resolution impose a transportation development district sales tax on all retail sales made in such transportation development district which are subject to taxation pursuant to the provisions of sections 144.010 to 144.525, except such transportation development district sales tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors nor to all sales of electricity or electrical current, water and gas, natural or artificial, nor to sales of service to telephone subscribers, either local or long distance. Such transportation development district sales tax may be imposed for any transportation development purpose designated by the transportation development district in its ballot of submission to its qualified voters, except that no resolution enacted

pursuant to the authority granted by this section shall be effective unless:

(a) The board of directors of the transportation development district submits to the qualified voters of the transportation development district a proposal to authorize the board of directors of the transportation development district to impose or increase the levy of an existing tax pursuant to the provisions of this section; or

(b) The voters approved the question certified by the petition filed pursuant to subsection 5 of section 238.207.

(2) If the transportation district submits to the qualified voters of the transportation development district a proposal to authorize the board of directors of the transportation development district to impose or increase the levy of an existing tax pursuant to the provisions of paragraph (a) of subdivision (1) of this subsection, the ballot of submission shall contain, but need not be limited to, the following language:

Shall the transportation development district of (transportation development district's name) impose a transportation development district-wide sales tax at the rate of (insert amount) for a period of (insert number) years from the date on which such tax is first imposed for the purpose of (insert transportation development purpose)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the board of directors of the transportation development district shall have no power to impose the sales tax authorized by this section unless and until the board of directors of the transportation development district shall again have submitted another proposal to authorize it to impose the sales tax pursuant to the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon.

(3) The sales tax authorized by this section shall become effective on the first day of the second calendar quarter after the department of revenue receives notification of the tax.

(4) In each transportation development district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the transportation development district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

(5) In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the transportation development district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

(6) All revenue received by a transportation development district from the tax authorized by this section which has been designated for a certain transportation development purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. Upon the expiration of the period of years

approved by the qualified voters pursuant to subdivision (2) of this subsection or if the tax authorized by this section is repealed pursuant to subsection 6 of this section, all funds remaining in the special trust fund shall continue to be used solely for such designated transportation development purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other transportation development district funds.

(7) The sales tax may be imposed in increments of one-eighth of one percent, up to a maximum of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the transportation development district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525, except such transportation development district sales tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors nor to public utilities. Any transportation development district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

2. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the transportation development district.

3. On and after the effective date of any tax imposed pursuant to this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect, in addition to all other sales taxes imposed by law, the additional tax authorized pursuant to this section. The tax imposed pursuant to this section and the taxes imposed pursuant to all other laws of the state of Missouri shall be collected together and reported upon such forms and pursuant to such administrative rules and regulations as may be prescribed by the director of revenue.

4. (1) All applicable provisions contained in sections 144.010 to 144.525, governing the state sales tax, sections 32.085 and 32.087 and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the transportation development district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those

sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

5. All sales taxes received by the transportation development district shall be deposited by the director of revenue in a special fund to be expended for the purposes authorized in this section. The director of revenue shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each transportation development district and the general public.

6. (1) No transportation development district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects.

(2) Whenever the board of directors of any transportation development district in which a transportation development sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the qualified voters calling for an election to repeal such transportation development sales tax, the board of directors shall, if such repeal will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects, submit to the qualified voters of such transportation development district a proposal to repeal the transportation development sales tax imposed pursuant to the provisions of this section. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal to repeal the transportation development sales tax, then the resolution imposing the transportation development sales tax, along with any amendments thereto, is repealed. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal to repeal the transportation development sales tax, then the ordinance or resolution imposing the transportation development sales tax, along with any amendments thereto, shall remain in effect.

7. Notwithstanding any provision of sections 99.800 to 99.865, and this section to the contrary, the sales tax imposed by a district whose project is a public mass transportation system shall not be considered economic activity taxes as such term is defined under sections 99.805 and 99.918 and shall not be subject to allocation under the provisions of subsection 3 of section 99.845, or subsection 4 of section 99.957.”; and

SENATE AMENDMENT NO. 1

Amend Senate Committee Substitute for House Bill No. 101, Page 2, Section 311.297, Line 36, by inserting after all of said line the following:

“311.482. 1. Notwithstanding any other provision of this chapter, a permit for the sale of **all kinds of** intoxicating liquor [as defined in section 311.020], **including intoxicating liquor in the original package, at retail by the drink** for consumption on **the** premises [where sold] **of the licensee** may be issued to any church, school, civic, service, fraternal, veteran, political, or charitable club or organization for the sale of such intoxicating liquor at a picnic, bazaar, fair, or similar gathering. The permit shall be issued only for the day or days named therein and it shall not authorize the sale of intoxicating liquor for more than seven days by any such club or organization.

2. To secure the permit, the applicant shall complete a form provided by the supervisor, but no applicant shall be required to furnish a personal photograph as part of the application. The applicant shall pay a fee of twenty-five dollars for such permit.

3. If the event will be held on a Sunday, the permit shall authorize the sale of intoxicating liquor on that day beginning at 11:00 a.m.

4. At the same time that an applicant applies for a permit under the provisions of this section, the applicant shall notify the director of revenue of the holding of the event and by such notification, by certified mail, shall accept responsibility for the collection and payment of any applicable sales tax. Any sales tax due shall be paid to the director of revenue within fifteen days after the close of the event, and failure to do so shall result in a liability of triple the amount of the tax due plus payment of the tax, and denial of any other permit for a period of three years. Under no circumstances shall a bond be required from the applicant.

5. No provision of law or rule or regulation of the supervisor shall be interpreted as preventing any wholesaler or distributor from providing customary storage, cooling or dispensing equipment for use by the permit holder at such picnic, bazaar, fair or similar gathering.

311.485. 1. The supervisor of liquor control may issue a temporary permit to caterers and other persons

holding licenses to sell intoxicating liquor, **including intoxicating liquor in the original package**, by the drink at retail for consumption on the premises pursuant to the provisions of this chapter who furnish provisions and service for use at a particular function, occasion or event at a particular location other than the licensed premises, but not including a festival as defined in chapter 316. The temporary permit shall be effective for a period not to exceed one hundred sixty-eight consecutive hours, and shall authorize the service of alcoholic beverages at such function, occasion or event during the hours at which alcoholic beverages may lawfully be sold or served upon premises licensed to sell alcoholic beverages for on-premises consumption. For every permit issued pursuant to the provisions of this section, the permittee shall pay to the director of revenue the sum of ten dollars for each calendar day, or fraction thereof, for which the permit is issued.

2. Except as provided in subsection 3 of this section, all provisions of the liquor control law and the ordinances, rules and regulations of the incorporated city, or the unincorporated area of any county, in which is located the premises in which such function, occasion or event is held shall extend to such premises and shall be in force and enforceable during all the time that the permittee, its agents, servants, employees, or stock are in such premises. [Except for Missouri-produced wines in the original package, the provisions of this section shall not include the sale of packaged goods covered by this temporary permit.]

3. Notwithstanding any other law to the contrary, any caterer who possesses a valid state and valid local liquor license may deliver alcoholic beverages in the course of his or her catering business. A caterer who possesses a valid state and valid local liquor license need not obtain a separate license for each city the caterer delivers in, so long as such city permits any caterer to deliver alcoholic beverages within the city.

4. To assure and control product quality, wholesalers may, but shall not be required to, give a retailer credit for intoxicating liquor with an alcohol content of less than five percent by weight delivered and invoiced under the catering permit number, but not used, if the wholesaler removes the product within seventy-two hours of the expiration of the catering permit issued pursuant to this section.

311.486. 1. The supervisor of alcohol and tobacco control may issue a special license to caterers and other persons holding licenses to sell intoxicating liquor, **including intoxicating liquor in the original package**, by the drink at retail for consumption on the premises pursuant to the provisions of this chapter who furnish provisions and service for use at a particular function, occasion, or event at a particular location other than the licensed premises, but not including a festival as defined in chapter 316. The special license shall be effective for a maximum of fifty days during any year, and shall authorize the service of alcoholic beverages at such function, occasion, or event during the hours at which alcoholic beverages may lawfully be sold or served upon premises licensed to sell alcoholic beverages for on-premises consumption. For every special license issued pursuant to the provisions of this subsection, the licensee shall pay to the director of revenue the sum of five hundred dollars a year payable at the same time and in the same manner as its other license fees.

2. The supervisor of alcohol and tobacco control may issue a special license to caterers and other persons holding licenses to sell intoxicating liquor by the drink at retail for consumption on the premises pursuant to the provisions of this chapter who furnish provisions and service for use at a particular function, occasion, or event at a particular location other than the licensed premises, but not including a festival as defined in chapter 316. The special license shall be effective for an unlimited number of functions during the year, and shall authorize the service of alcoholic beverages at such function, occasion, or event during the hours at which alcoholic beverages may lawfully be sold or served upon premises licensed to sell alcoholic

beverages for on-premises consumption. For every special license issued pursuant to the provisions of this subsection, the licensee shall pay to the director of revenue the sum of one thousand dollars a year payable at the same time and in the same manner as its other license fees.

3. Caterers issued a special license pursuant to subsections 1 and 2 of this section shall report to the supervisor of alcohol and tobacco control the location of each function three business days in advance. The report of each function shall include permission from the property owner and city, description of the premises, and the date or dates the function will be held.

4. Except as provided in subsection 5 of this section, all provisions of the liquor control law and the ordinances, rules and regulations of the incorporated city, or the unincorporated area of any county, in which is located the premises in which such function, occasion, or event is held shall extend to such premises and shall be in force and enforceable during all the time that the licensee, its agents, servants, employees, or stock are in such premises. [Except for wines in the original package, the provisions of this section shall not include the sale of packaged goods covered by this special license.]

5. Notwithstanding any other law to the contrary, any caterer who possesses a valid state and valid local liquor license may deliver alcoholic beverages, in the course of his or her catering business. A caterer who possesses a valid state and valid local liquor license need not obtain a separate license for each city the caterer delivers in, so long as such city permits any caterer to deliver alcoholic beverages within the city.

6. To assure and control product quality, wholesalers may, but shall not be required to, give a retailer credit for intoxicating liquor with an alcohol content of less than five percent by weight delivered and invoiced under the catering license number, but not used, if the wholesaler removes the product within seventy-two hours of the expiration of the catering function.”; and

Further amend the title and enacting clause accordingly.

HOUSE AMENDMENT NO. 3

Amend House Committee Substitute for Senate Bill No. 145, Page 5, Section 67.319, Line 53, by inserting after all of said line the following:

“447.708. 1. For eligible projects, the director of the department of economic development, with notice to the directors of the departments of natural resources and revenue, and subject to the other provisions of sections 447.700 to 447.718, may not create a new enterprise zone but may decide that a prospective operator of a facility being remedied and renovated pursuant to sections 447.700 to 447.718 may receive the tax credits and exemptions pursuant to sections 135.100 to 135.150 and sections 135.200 to 135.257. The tax credits allowed pursuant to this subsection shall be used to offset the tax imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or the tax otherwise imposed by chapter 147, or the tax otherwise imposed by chapter 148. For purposes of this subsection:

(1) For receipt of the ad valorem tax abatement pursuant to section 135.215, the eligible project must create at least ten new jobs or retain businesses which supply at least twenty-five existing jobs. The city, or county if the eligible project is not located in a city, must provide ad valorem tax abatement of at least fifty percent for a period not less than ten years and not more than twenty-five years;

(2) For receipt of the income tax exemption pursuant to section 135.220 and tax credit for new or expanded business facilities pursuant to sections 135.100 to 135.150, and 135.225, the eligible project must create at least ten new jobs or retain businesses which supply at least twenty-five existing jobs, or combination thereof. For purposes of sections 447.700 to 447.718, the tax credits described in section 135.225 are modified as follows: the tax credit shall be four hundred dollars per employee per year, an additional four hundred dollars per year for each employee exceeding the minimum employment thresholds of ten and twenty-five jobs for new and existing businesses, respectively, an additional four hundred dollars per year for each person who is a person difficult to employ as defined by section 135.240, and investment tax credits at the same amounts and levels as provided in subdivision (4) of subsection 1 of section 135.225;

(3) For eligibility to receive the income tax refund pursuant to section 135.245, the eligible project must create at least ten new jobs or retain businesses which supply at least twenty-five existing jobs, or combination thereof, and otherwise comply with the provisions of section 135.245 for application and use of the refund and the eligibility requirements of this section;

(4) The eligible project operates in compliance with applicable environmental laws and regulations, including permitting and registration requirements, of this state as well as the federal and local requirements;

(5) The eligible project operator shall file such reports as may be required by the director of economic development or the director's designee;

(6) The taxpayer may claim the state tax credits authorized by this subsection and the state income exemption for a period not in excess of ten consecutive tax years. For the purpose of this section, "taxpayer" means an individual proprietorship, partnership or corporation described in section 143.441 or 143.471 who operates an eligible project. The director shall determine the number of years the taxpayer may claim the state tax credits and the state income exemption based on the projected net state economic benefits attributed to the eligible project;

(7) For the purpose of meeting the new job requirement prescribed in subdivisions (1), (2) and (3) of this subsection, it shall be required that at least ten new jobs be created and maintained during the taxpayer's tax period for which the credits are earned, in the case of an eligible project that does not replace a similar facility in Missouri. "New job" means a person who was not previously employed by the taxpayer or related taxpayer within the twelve-month period immediately preceding the time the person was employed by that taxpayer to work at, or in connection with, the eligible project on a full-time basis. "Full-time basis" means the employee works an average of at least thirty-five hours per week during the taxpayer's tax period for which the tax credits are earned. For the purposes of this section, related taxpayer has the same meaning as defined in subdivision (9) of section 135.100;

(8) For the purpose of meeting the existing job retention requirement, if the eligible project replaces a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, it shall be required that at least twenty-five existing jobs be retained at, and in connection with the eligible project, on a full-time basis during the taxpayer's tax period for which the credits are earned. "Retained job" means a person who was previously employed by the taxpayer or related taxpayer, at a facility similar to the eligible project that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, within the tax period immediately preceding the time the person was employed by the taxpayer to work at, or in connection with, the eligible project on a full-time basis. "Full-time basis" means the employee works an average of at least thirty-five hours per

week during the taxpayer's tax period for which the tax credits are earned;

(9) In the case where an eligible project replaces a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, the owner and operator of the eligible project shall provide the director with a written statement explaining the reason for discontinuing operations at the closed facility. The statement shall include a comparison of the activities performed at the closed facility prior to the date the facility ceased operating, to the activities performed at the eligible project, and a detailed account describing the need and rationale for relocating to the eligible project. If the director finds the relocation to the eligible project significantly impaired the economic stability of the area in which the closed facility was located, and that such move was detrimental to the overall economic development efforts of the state, the director may deny the taxpayer's request to claim tax benefits;

(10) Notwithstanding any provision of law to the contrary, for the purpose of this section, the number of new jobs created and maintained, the number of existing jobs retained, and the value of new qualified investment used at the eligible project during any tax year shall be determined by dividing by twelve, in the case of jobs, the sum of the number of individuals employed at the eligible project, or in the case of new qualified investment, the value of new qualified investment used at the eligible project, on the last business day of each full calendar month of the tax year. If the eligible project is in operation for less than the entire tax year, the number of new jobs created and maintained, the number of existing jobs retained, and the value of new qualified investment created at the eligible project during any tax year shall be determined by dividing the sum of the number of individuals employed at the eligible project, or in the case of new qualified investment, the value of new qualified investment used at the eligible project, on the last business day of each full calendar month during the portion of the tax year during which the eligible project was in operation, by the number of full calendar months during such period;

(11) For the purpose of this section, "new qualified investment" means new business facility investment as defined and as determined in subdivision (7) of section 135.100 which is used at and in connection with the eligible project. "New qualified investment" shall not include small tools, supplies and inventory. "Small tools" means tools that are portable and can be hand held.

2. The determination of the director of economic development pursuant to subsection 1 of this section shall not affect requirements for the prospective purchaser to obtain the approval of the granting of real property tax abatement by the municipal or county government where the eligible project is located.

3. (1) The director of the department of economic development, with the approval of the director of the department of natural resources, may, in addition to the tax credits allowed in subsection 1 of this section, grant a remediation tax credit to the applicant for up to one hundred percent of the costs of materials, supplies, equipment, labor, professional engineering, consulting and architectural fees, permitting fees and expenses, demolition, asbestos abatement, **environmental insurance premiums, backfill of areas where contaminated soil excavation occurs**, and direct utility charges for performing the voluntary remediation activities for the preexisting hazardous substance contamination and releases, including, but not limited to, the costs of performing operation and maintenance of the remediation equipment at the property beyond the year in which the systems and equipment are built and installed at the eligible project and the costs of performing the voluntary remediation activities over a period not in excess of four tax years following the taxpayer's tax year in which the system and equipment were first put into use at the eligible project, provided the remediation activities are the subject of a plan submitted to, and approved by, the director of natural resources pursuant to sections 260.565 to 260.575. The tax credit may also include up to one

hundred percent of the costs of demolition that are not directly part of the remediation activities, provided that the demolition is on the property where the voluntary remediation activities are occurring, the demolition is necessary to accomplish the planned use of the facility where the remediation activities are occurring, and the demolition is part of a redevelopment plan approved by the municipal or county government and the department of economic development. The demolition may occur on an adjacent property if the project is located in a municipality which has a population less than twenty thousand and the above conditions are otherwise met. The adjacent property shall independently qualify as abandoned or underutilized. The amount of the credit available for demolition not associated with remediation cannot exceed the total amount of credits approved for remediation including demolition required for remediation.

(2) The amount of remediation tax credits issued shall be limited to the least amount necessary to cause the project to occur, as determined by the director of the department of economic development.

(3) The director may, with the approval of the director of natural resources, extend the tax credits allowed for performing voluntary remediation maintenance activities, in increments of three-year periods, not to exceed five consecutive three-year periods. The tax credits allowed in this subsection shall be used to offset the tax imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or the tax otherwise imposed by chapter 147, or the tax otherwise imposed by chapter 148.

The remediation tax credit may be taken in the same tax year in which the tax credits are received or may be taken over a period not to exceed twenty years.

(4) The project facility shall be projected to create at least ten new jobs or at least twenty-five retained jobs, or a combination thereof, as determined by the department of economic development, to be eligible for tax credits pursuant to this section.

(5) No more than seventy-five percent of earned remediation tax credits may be issued when the remediation costs were paid, and the remaining percentage may be issued when the department of natural resources issues a letter of completion letter or covenant not to sue following completion of the voluntary remediation activities. It shall not include any costs associated with ongoing operational environmental compliance of the facility or remediation costs arising out of spills, leaks, or other releases arising out of the ongoing business operations of the facility. In the event the department of natural resources issues a letter of completion for a portion of a property, an impacted media such as soil or groundwater, or for a site or a portion of a site improvement, a prorated amount of the remaining percentage may be released based on the percentage of the total site receiving a letter of completion.

4. In the exercise of the sound discretion of the director of the department of economic development or the director's designee, the tax credits and exemptions described in this section may be terminated, suspended or revoked, if the eligible project fails to continue to meet the conditions set forth in this section. In making such a determination, the director shall consider the severity of the condition violation, actions taken to correct the violation, the frequency of any condition violations and whether the actions exhibit a pattern of conduct by the eligible facility owner and operator. The director shall also consider changes in general economic conditions and the recommendation of the director of the department of natural resources, or his or her designee, concerning the severity, scope, nature, frequency and extent of any violations of the environmental compliance conditions. The taxpayer or person claiming the tax credits or exemptions may appeal the decision regarding termination, suspension or revocation of any tax credit or exemption in accordance with the procedures outlined in subsections 4 [to 6] **and 5** of section 135.250. The director of the department of economic development shall notify the directors of the departments of natural resources

and revenue of the termination, suspension or revocation of any tax credits as determined in this section or pursuant to the provisions of section 447.716.

5. Notwithstanding any provision of law to the contrary, no taxpayer shall earn the tax credits, exemptions or refund otherwise allowed in subdivisions (2), (3) and (4) of subsection 1 of this section and the tax credits otherwise allowed in section 135.110, or the tax credits, exemptions and refund otherwise allowed in sections 135.215, 135.220, 135.225 and 135.245, respectively, for the same facility for the same tax period.

6. The total amount of the tax credits allowed in subsection 1 of this section may not exceed the greater of:

(1) That portion of the taxpayer's income attributed to the eligible project; or

(2) One hundred percent of the total business' income tax if the eligible facility does not replace a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, and further provided the taxpayer does not operate any other facilities besides the eligible project in Missouri; fifty percent of the total business' income tax if the eligible facility replaces a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the credits are earned, and further provided the taxpayer does not operate any other facilities besides the eligible project in Missouri; or twenty-five percent of the total business income if the taxpayer operates, in addition to the eligible facility, any other facilities in Missouri. In no case shall a taxpayer operating more than one eligible project in Missouri be allowed to offset more than twenty-five percent of the taxpayer's business income in any tax period. That portion of the taxpayer's income attributed to the eligible project as referenced in subdivision (1) of this subsection, for which the credits allowed in sections 135.110 and 135.225 and subsection 3 of this section, may apply, shall be determined in the same manner as prescribed in subdivision (6) of section 135.100. That portion of the taxpayer's franchise tax attributed to the eligible project for which the remediation tax credit may offset, shall be determined in the same manner as prescribed in paragraph (a) of subdivision (6) of section 135.100.

7. Taxpayers claiming the state tax benefits allowed in subdivisions (2) and (3) of subsection 1 of this section shall be required to file all applicable tax credit applications, forms and schedules prescribed by the director during the taxpayer's tax period immediately after the tax period in which the eligible project was first put into use. Otherwise, the taxpayer's right to claim such state tax benefits shall be forfeited. Unused business facility and enterprise zone tax credits shall not be carried forward but shall be initially claimed for the tax period during which the eligible project was first capable of being used, and during any applicable subsequent tax periods.

8. Taxpayers claiming the remediation tax credit allowed in subsection 3 of this section shall be required to file all applicable tax credit applications, forms and schedules prescribed by the director during the taxpayer's tax period immediately after the tax period in which the eligible project was first put into use, or during the taxpayer's tax period immediately after the tax period in which the voluntary remediation activities were performed.

9. The recipient of remediation tax credits, for the purpose of this subsection referred to as assignor, may assign, sell or transfer, in whole or in part, the remediation tax credit allowed in subsection 3 of this section to any other person, for the purpose of this subsection referred to as assignee. To perfect the transfer, the assignor shall provide written notice to the director of the assignor's intent to transfer the tax credits to the assignee, the date the transfer is effective, the assignee's name, address and the assignee's tax period and

the amount of tax credits to be transferred. The number of tax periods during which the assignee may subsequently claim the tax credits shall not exceed twenty tax periods, less the number of tax periods the assignor previously claimed the credits before the transfer occurred.

10. In the case where an operator and assignor of an eligible project has been certified to claim state tax benefits allowed in subdivisions (2) and (3) of subsection 1 of this section, and sells or otherwise transfers title of the eligible project to another taxpayer or assignee who continues the same or substantially similar operations at the eligible project, the director shall allow the assignee to claim the credits for a period of time to be determined by the director; except that, the total number of tax periods the tax credits may be earned by the assignor and the assignee shall not exceed ten. To perfect the transfer, the assignor shall provide written notice to the director of the assignor's intent to transfer the tax credits to the assignee, the date the transfer is effective, the assignee's name, address, and the assignee's tax period, and the amount of tax credits to be transferred.

11. For the purpose of the state tax benefits described in this section, in the case of a corporation described in section 143.471 or partnership, in computing Missouri's tax liability, such state benefits shall be allowed to the following:

(1) The shareholders of the corporation described in section 143.471;

(2) The partners of the partnership. The credit provided in this subsection shall be apportioned to the entities described in subdivisions (1) and (2) of this subsection in proportion to their share of ownership on the last day of the taxpayer's tax period.”; and

Further amend said title, enacting clause and intersectional references accordingly.

(3) Advise the patient that if the patient challenges the appeals committee's determination under this subsection, the provider will not be permitted to setoff the provider's claim against the patient's refund under this section unless and until the provider files suit against the patient in court seeking a determination that the provider's claim is valid regarding the amount of the claim and that the claim is eligible for setoff under this section, and the court determines that the provider's claim is valid, the amount of the provider's claim, and that provider's claim is eligible for setoff under this section; and

(4) Advise the patient that if the patient does not challenge the appeal committee's determination under this subsection, the provider will submit the claim to the claim clearinghouse for setoff by the department under this subsection.

6. If the provider prevails in the lawsuit filed under subsection 5 of this section, the provider may submit the claim to the claim clearinghouse for setoff by the department under this section. If the patient prevails in the lawsuit filed by the provider under subsection 5 of this section, the provider shall be:

(2) Forever barred from taking any other steps to collect the amount of the claim from the patient; and

(3) Obligated to reimburse the patient for court costs and attorney's fees associated with the lawsuit filed under subsection 5 of this section.

7. Any provider may submit a claim to the claim clearinghouse for review. In connection with its submission of a claim to the claim clearinghouse, the provider, whenever possible, shall provide the claim clearinghouse with the patient's full name, Social Security number, address, and any other identifying information that the department advises the claim clearinghouse is necessary for the department to setoff the claim under this section. The provider shall also provide the claim clearinghouse with information demonstrating the provider's compliance with the requirements of this section with respect to the claim.

8. If the claim clearinghouse receives sufficient evidence that a provider has fully complied with the requirements of this section and finds the claim valid, the claim shall be deemed eligible for setoff by the department under this section and shall be forwarded to the department. In connection with its submission of the claim to the department, the claim clearinghouse, whenever possible, shall provide the department with the patient's full name, Social Security number, address, and any other identifying information that the department advises the claim clearinghouse is necessary for the department to setoff the claim under this section.

9. If the claim clearinghouse determines that the provider has failed to comply with any applicable requirements in this section or that the claim is not valid, the claim clearinghouse shall return the

claim to the provider.

10. If the department determines that a patient identified by a provider in an eligible claim filed with the department is entitled to a refund, the department shall notify the claim clearinghouse that a refund is available for setoff and the amount of such refund, and whether the refund results from a joint or combined return. Notwithstanding any provision of section 32.057 and any other confidentiality statute of this state to the contrary, the department may provide the claim clearinghouse with all information necessary to accomplish and carry out the provisions of this section and section 143.789, but shall not provide the claim clearinghouse with any information whose disclosure is prohibited by Section 6103(d) of the Internal Revenue Code of 1986, as amended. The information obtained by the claim clearinghouse from the department in accordance with this section and section 143.789 shall retain its confidentiality and shall only be used by the claim clearinghouse for the purpose described in this section and section 143.789.

11. (1) At that time, the department shall also notify the patient by regular mail that setoff against the patient's tax refund has been authorized under this section. The notice shall include the following information:

- (a) The amount of the eligible claim and the name of the provider seeking setoff;
- (b) That a setoff to the patient's refund against the eligible claim has been performed; and
- (c) Any amount of the refund remaining after the offset of the eligible claim.

(2) In the case of a joint or combined return, the notice shall also state the name of the nonobligated taxpayer named in the return, if any, against whom no claim is asserted, the fact that no claim is asserted against such taxpayer, and the fact that such taxpayer is entitled to receive a refund if it is due the taxpayer regardless of the claim asserted against the taxpayer's spouse. In order to obtain the refund due the taxpayer, the taxpayer shall apply in writing for an apportionment of the refund with the department within thirty days of the date of receipt of the notice unless, in anticipation of the setoff of the taxpayer's spouse's refund, such nonobligated taxpayer provided the department with a request for apportionment of the anticipated refund which was filed at the same time the original tax return was filed, in which case the department shall determine the apportionment of the refund and forward the determination of apportionment and the nonobligated taxpayer's portion of the refund to the nonobligated taxpayer within fifteen working days of the transfer of the obligated taxpayer's portion of the refund to the claim clearinghouse. Unless a request for apportionment of the anticipated refund was provided to the department as provided in this section, within ninety days after the filing of such taxpayer's application for apportionment of the refund with the department a determination of apportionment shall be mailed to the nonobligated taxpayer by the department. The apportionment of the refund shall be final upon the expiration of thirty days from the date on which the determination of apportionment is mailed to the nonobligated taxpayer unless, within such thirty-day period, the nonobligated taxpayer applies in writing for a hearing with the department.

12. The department shall then pay to the claim clearinghouse the amount that the department has setoff for such provider, which shall include the collection assistance allocable to the claim clearinghouse. In the event the department is unable to setoff the entire eligible claim and collection assistance fee under this section, the setoff of the collection assistance fee shall have priority over the setoff of the eligible claim. If, after the department has paid to the claim clearinghouse the amount

that the department has setoff for the provider, the provider is found not to have complied with any applicable requirement of this section, the provider shall send to the patient the entire amount of the claim offset by the department for the provider plus an amount equal to the collection assistance fee.

13. In addition to refunds, lottery prize payouts made under section 313.321 shall be subject to the setoff procedures established in this section.

14. The director of the department of revenue and the director of the department of health and senior services shall promulgate rules and regulations necessary to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.”; and

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the board of directors of the transportation development district shall have no power to impose the sales tax authorized by this section unless and until the board of directors of the transportation development district shall again have submitted another proposal to authorize it to impose the sales tax pursuant to the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon.

(3) The sales tax authorized by this section shall become effective on the first day of the second calendar quarter after the department of revenue receives notification of the tax.

(4) In each transportation development district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the transportation development district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the

price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

(5) In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the transportation development district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

(6) All revenue received by a transportation development district from the tax authorized by this section which has been designated for a certain transportation development purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. Upon the expiration of the period of years approved by the qualified voters pursuant to subdivision (2) of this subsection or if the tax authorized by this section is repealed pursuant to subsection 6 of this section, all funds remaining in the special trust fund shall continue to be used solely for such designated transportation development purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other transportation development district funds.

(7) The sales tax may be imposed in increments of one-eighth of one percent, up to a maximum of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the transportation development district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525, except such transportation development district sales tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors nor to public utilities. Any transportation development district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

2. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the transportation development district.

3. On and after the effective date of any tax imposed pursuant to this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect, in addition to all other sales taxes imposed by law, the additional tax authorized pursuant to this section. The tax imposed pursuant to this section and the taxes imposed pursuant to all other laws of the state of Missouri shall be collected together and reported upon such forms and pursuant to such administrative rules and regulations as may be prescribed by the director of revenue.

4. (1) All applicable provisions contained in sections 144.010 to 144.525, governing the state sales tax, sections 32.085 and 32.087 and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the transportation development district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

5. All sales taxes received by the transportation development district shall be deposited by the director of revenue in a special fund to be expended for the purposes authorized in this section. The director of revenue shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each transportation development district and the general public.

6. (1) No transportation development district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects.

(2) Whenever the board of directors of any transportation development district in which a transportation development sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the qualified voters calling for an election to repeal such transportation development sales tax, the board of directors shall, if such repeal will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects, submit to the qualified voters of such transportation development district a proposal to repeal the transportation development sales tax imposed pursuant to the provisions of this section. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal to repeal the transportation development sales tax, then the resolution imposing the transportation development sales tax, along with any amendments thereto, is repealed. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal to repeal the transportation development sales tax, then the ordinance or resolution imposing the transportation development sales tax, along with

any amendments thereto, shall remain in effect.

7. Notwithstanding any provision of sections 99.800 to 99.865, and this section to the contrary, the sales tax imposed by a district whose project is a public mass transportation system shall not be considered economic activity taxes as such term is defined under sections 99.805 and 99.918 and shall not be subject to allocation under the provisions of subsection 3 of section 99.845, or subsection 4 of section 99.957.”; and

4. A separate account shall be maintained in the employer accumulation fund for each employer. No employer shall be responsible for the employer accumulation fund liabilities of another employer.

It is the fund in which shall be accumulated the contributions made by employers for pensions **either** to be paid members who retire on account of disability **or that result from a member's death that was the natural and proximate result of a personal injury or disease arising out of and in the course of his or her actual performance of duty as an employee**, and from which shall be made transfers as provided in sections 70.600 to 70.755.

Such period of years shall not extend beyond the latest of (1) forty years from the date the political subdivision became an employer, or (2) thirty years from the date the employer last elected to increase its optional benefit program, or (3) fifteen years from the date of the annual actuarial computation. The board shall annually certify to the governing body of each employer the amount of accrued service contribution

The board may determine different rates of contributions for employers having policeman members or having fireman members or having neither policeman members nor fireman members. Upon the filing of such suits with the circuit clerk, the delinquent land tax attorney shall forthwith cause a notice of foreclosure to be published four times, once a week, during successive weeks, and on the same day of each week, in a daily newspaper of general circulation regularly published in such county, qualified according to law for the publication of public notices and advertisements.

141.480. 1. Upon the trial of the cause upon the question of foreclosure, the tax bill, whether general or special, issued by any taxing authority shall be prima facie proof that the tax described in the tax bill has been validly assessed at the time indicated by the tax bill and that the tax is unpaid. Absent any answer the court shall take the allegations of the petition as confessed. Any person alleging any jurisdictional defect or invalidity in the tax bill or in the sale thereof must particularly specify in his answer the defect or basis of invalidity, and must, upon trial, affirmatively establish such defense.

2. Prior to formal hearing, the court may conduct an informal hearing for the purpose of clarifying issues, and shall attempt to reach an agreement with the parties upon a stipulated statement of facts. The court shall hear the evidence offered by the collector or relator as the case may be, and by all answering parties, and shall determine the amount of each and every tax bill proved by the collector or any answering party, together with the amount of interest, penalties, attorney's fees and costs accruing upon each tax bill and the date from which interest began to accrue upon each tax bill and the rate thereof. The court shall hear evidence and determine every issue of law and of fact necessary to a complete adjudication of all tax liens asserted by any and every pleading, and may also hear evidence and determine any other issue of law or fact affecting any other right, title, or interest in or to, or lien upon, such real estate, sought to be enforced by any party to the proceeding against any other party to the proceeding who has been served by process or publication as authorized by law, or who has voluntarily appeared, and shall determine the order and priority

of the liens and of any other rights or interest put in issue by the pleadings.

3. After the court has first determined the validity of the tax liens of all tax bills affecting parcels of real estate described in the petition, the priorities of the respective tax bills and the amounts due thereon, including principal, interest, penalties, attorney's fees, and costs, the court shall thereupon enter judgment of foreclosure of such liens and fix the time and place of the **public** foreclosure sale **and the time of the private foreclosure sale**. The petition shall be dismissed as to any parcel of real estate redeemed prior to the time fixed for the sheriff's **public or private** foreclosure sale **thereof** as provided in sections 141.210 to 141.810 **and sections 141.980 to 141.982**. If the parcel of real estate auctioned off at sheriff's **public** foreclosure sale **or sold at sheriff's private foreclosure sale** is sold for a sum sufficient to fully pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and for no more, and such sale is confirmed by the court, then all other proceedings as to such parcels of real estate shall be finally dismissed as to all parties and interests other than tax bill owners or holders; provided, however, that any parties seeking relief other than an interest in or lien upon the real estate may continue with said suit to a final adjudication of such other issues; provided, further, an appeal may be had as to any claim attacking the validity of the tax bill or bills or the priorities as to payment of proceeds of foreclosure sale. If the parcel of real estate auctioned off at sheriff's **public** foreclosure sale is sold for a sum greater than the total amount necessary to pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and such sale is confirmed by the court, and no appeal is taken by any person claiming any right, title or interest in or to or lien upon said parcel of real estate or by any person or taxing authority owning or holding or claiming any right, title or interest in or to any tax bills within the time fixed by law for the filing of notice of appeal, the court shall thereupon order the sheriff to make distribution to the owners or holders of the respective tax bills included in the judgment of the amounts found to be due and in the order of priorities. Thereafter all proceedings in the suit shall be ordered by the court to be dismissed as to such persons or taxing authorities owning, holding or claiming any right, title, or interest in any such tax bill or bills so paid, and the case shall proceed as to any parties claiming any right, title, or interest in or lien upon the parcel of real estate affected by such tax bill or bills as to their respective claims to such surplus funds then remaining in the hands of the sheriff.

4. Whenever an answer is filed to the petition, as herein provided, a severance of the action as to all parcels of real estate affected by such answer shall be granted, and the issues raised by the petition and such answer shall be tried separate and apart from the other issues in the suit, but the granting of such severance shall not delay the trial or other disposition of any other issue in the case. A separate appeal may be taken from any action of the court affecting any right, title, or interest in or to, or lien upon, such real estate, other than issues of law and fact affecting the amount or validity of the lien of tax bills, but the proceeding to foreclose the lien of any tax bills shall not be stayed by such appeal. The trial shall be conducted by the court without the aid of a jury and the suit shall be in equity. This action shall take precedence over and shall be triable before any other action in equity affecting the title to such real estate, upon motion of any interested party.

141.520. 1. **With respect to parcels of real estate to be sold in a public foreclosure sale**, after the judgment of foreclosure has been entered, or, after a motion for a new trial has been overruled, or, if an appeal be taken from such judgment and the judgment has been affirmed, after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, there shall be a waiting period of six months before any advertisement of sheriff's **public foreclosure sale** shall be published.

2. If any such parcel of real estate **to be sold in a public foreclosure sale** be not redeemed, or if no written contract providing for redemption be made within six months after the date of the judgment of foreclosure, if no motion for rehearing be filed, and, if filed, within six months after such motion may have been overruled, or, if an appeal be taken from such judgment and the judgment be affirmed, within six months after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, the sheriff shall commence to advertise the real estate described in the judgment and shall fix the date of **the public foreclosure** sale within thirty days after the date of the first publication of the notice of sheriff's sale as herein provided, and shall at such sale proceed to sell the real estate.

3. **With respect to parcels of real estate to be sold to a land bank agency in a private foreclosure sale, after the judgement of foreclosure has been entered or after a motion for a new trial has been overruled or if an appeal is taken from such judgment and the judgment has been affirmed, after the collector shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the clerk, there shall be a waiting period of six months before such private foreclosure sale.**

4. Any provisions of this chapter to the contrary notwithstanding, the owner of any parcel of real property against which a judgment has been rendered shall not have the right to redeem such property from said judgment if at the time of judgment such property is assessed as residential property and the judgment finds the property has been vacant for a period of not less than six months prior to the judgment. After a judgment as provided for in this section becomes final, the waiting period shall not apply to such judgment and a sale under execution of the judgment shall be immediately held as provided under the applicable provisions of this chapter.

141.530. 1. Except as otherwise provided in section 141.520, during such waiting period and at any time prior to the time of **the public or the private** foreclosure sale **of a parcel** by the sheriff, any interested party may redeem [any] **such** parcel of real estate as provided by this chapter. 3. Such advertisement shall be published four times, once a week, upon the same day of each week during successive weeks prior to the date of such sale, in a daily newspaper of general circulation regularly published in the county, qualified according to law for the publication of public notices and advertisements.

4. In addition to the provisions herein for notice and advertisement of **public** sale, the county collector shall enter upon the property subject to foreclosure of these tax liens and post a written informational notice in any conspicuous location thereon. This notice shall describe the property and advise that it is the subject of delinquent land tax collection proceedings before the circuit court brought pursuant to sections 141.210 to 141.810 and that it may be sold for the payment of delinquent taxes at a **public foreclosure** sale to be held at ten o'clock a.m., date and place, **or at a private foreclosure sale, date, and place**, and shall also contain a file number and the address and phone number of the collector. If the collector chooses to post such notices as authorized by this subsection, such posting must be made not later than the fourteenth day prior to the date of the sale.

5. The collector shall, concurrently with the beginning of the publication of sale **for parcels to be sold in a public foreclosure sale, or not less than thirty days prior to the sale for parcels to be sold in a private foreclosure sale**, cause to be prepared and sent by [restricted, registered or certified] **first class** mail with postage prepaid, a brief notice of the date, location, and time of sale of property in foreclosure of tax liens pursuant to sections 141.210 to 141.810, to the persons named in the petition as being the last known persons in whose names tax bills affecting the respective parcels of real estate described in said petition were last billed or charged on the books of the collector, or the last known owner of record, if different, and to the addresses of said persons upon said records of the collector. [The terms "restricted", "registered" or "certified mail" as used in this section mean mail which carries on the face thereof in a conspicuous place, where it will not be obliterated, the endorsement, "DELIVER TO ADDRESSEE ONLY", and which also requires a return receipt or a statement by the postal authorities that the addressee refused to receive and receipt for such mail.] If the notice is returned to the collector by the postal authorities as undeliverable for

reasons other than the refusal by the addressee to receive [and receipt for] the notice [as shown by the return receipt], then the collector shall make a search of the records maintained by the county, including those kept by the recorder of deeds, to discern the name and address of any person who, from such records, appears as a successor to the person to whom the original notice was addressed, and to cause another notice to be mailed to such person. The collector shall prepare and file with the circuit clerk prior to confirmation hearings an affidavit reciting to the court any name, address and serial number of the tract of real estate affected of any such notices of sale that are undeliverable because of an addressee's refusal to receive [and receipt for] the same, or of any notice otherwise nondeliverable by mail, or in the event that any name or address does not appear on the records of the collector, then of that fact. The affidavit in addition to the recitals set forth above shall also state reason for the nondelivery of such notice.

6. The collector may, at his or her option, concurrently with the beginning of the publication of sale **for parcels to be sold in a public foreclosure sale, or not less than thirty days prior to the sale for parcels to be sold in a private foreclosure sale**, cause to be prepared and sent by [restricted, registered or certified] **first class** mail with postage prepaid, a brief notice of the date, location, and time of sale of property in foreclosure of tax liens pursuant to sections 141.210 to 141.810, to the mortgagee or security holder, if known, of the respective parcels of real estate described in said petition, and to the addressee of such mortgagee or security holder according to the records of the collector. [The terms "restricted", "registered" or "certified mail" as used in this section mean mail which carries on the face thereof in a conspicuous place, where it will not be obliterated, the endorsement, "DELIVER TO ADDRESSEE ONLY", and which also requires a return receipt or a statement by the postal authorities that the addressee refused to receive and receipt for such mail.] If the notice is returned to the collector by the postal authorities as undeliverable for reasons other than the refusal by the addressee to receive [and receipt for] the notice [as shown by the return receipt], then the collector shall make a search of the records maintained by the county, including those kept by the recorder of deeds, to discern the name and address of any security holder who, from such records, appears as a successor to the security holder to whom the original notice was addressed, and to cause another notice to be mailed to such security holder. The collector shall prepare and file with the circuit clerk prior to confirmation hearings an affidavit reciting to the court any name, address and serial number of the tract of real estate affected by any such notices of sale that are undeliverable because of an addressee's refusal to receive [and receipt for] the same, or of any notice otherwise nondeliverable by mail, and stating the reason for the nondelivery of such notice.

141.550. 1. The **public foreclosure** sale shall be conducted, the sheriff's return thereof made, and the sheriff's deed pursuant to the sale executed, all as provided in the case of sales of real estate taken under execution except as otherwise provided in sections 141.210 to 141.810, and provided that such sale need not occur during the term of court or while the court is in session.

official charged by law with conducting the sale that he or she is not the owner of any parcel of real estate in the county which is affected by a tax bill which has been delinquent for more than six months and is not the owner of any parcel of real property with two or more violations of the municipality's building or housing codes. A prospective bidder may make such a demonstration by presenting statements from the appropriate collection and code enforcement officials of the municipality.

A prospective bidder may make such a demonstration by presenting statements from the appropriate collection and code enforcement officials of the municipality.

The sheriff shall report any such bid or bids so made by the land trustees in the same way as his report of other bids is made. **The land trustees shall pay any penalties, attorney's fees or costs included in the judgment of foreclosure of such parcel of real estate, when such parcel is sold or otherwise disposed of by the land trustees, as herein provided. Upon confirmation by the court of such bid at such sale by such land trustees, the collector shall mark the tax bills so bid by the land trustees as "canceled by sale to the land trust" and shall take credit for the full amount of such tax bills, including principal amount, interest, penalties, attorney's fees, and costs, on the collector's books and in the collector's statements with any other taxing authorities.**

3. [The land trustees shall pay any penalties, attorney's fees or costs included in the judgment of foreclosure of such parcel of real estate, when such parcel is sold or otherwise disposed of by the land trustees, as herein provided. 141.580. 1. After the sheriff sells any parcel of real estate, the court shall, upon its own motion or upon motion of any interested party, set the cause down for hearing to confirm the foreclosure sale thereof, even though such parcels are not all of the parcels of real estate described in the notice of sheriff's foreclosure sale. At the time of such hearing, the sheriff shall make report of the sale, and the court shall hear evidence of the value of the property offered on behalf of any interested party to the suit, and shall forthwith determine whether an adequate consideration has been paid for each such parcel; **provided that the amount to be paid by a land bank agency under subsection 5 of section 141.982 for a parcel sold to such land bank agency in a private foreclosure sale shall be deemed to be adequate consideration therefor and no evidence of value shall be heard with respect to such parcel; and provided further, that the amount bid for a parcel by a land bank agency under subsection 3 of section 141.560 shall be deemed adequate consideration and no evidence of value shall be heard with respect to such parcel; and provided further, that the amount bid for a parcel by land trust under subsection 2 of section 141.560 shall be deemed adequate consideration and no evidence of value shall be heard with respect to such parcel.**

If the court finds that the consideration is inadequate, but the purchaser declines to increase his or her bid to such an amount as the court deems adequate and make such additional payment, then the sale shall be disapproved if all tax bills included in the judgment, interest, penalties, attorney's fees, and costs then due thereon are paid in full by one or more interested parties to the suit,** the lien of the judgment continued, and such parcel of real estate shall be again advertised and offered for sale by the sheriff to the highest bidder at public auction for cash at any subsequent sheriff's foreclosure sale. [Unless the court requires evidence of the value of the property conveyed to land trust, none shall be required, and the amount bid by the land trustees shall be deemed adequate consideration.]

3. If the sale is confirmed, the court shall order the proceeds of the sale applied in the following order:

(1) To the payment of the costs of the publication of the notice of foreclosure and of the sheriff's foreclosure sale;

(2) To the payment of all costs including appraiser's fee not to exceed fifteen dollars and attorney's fees;

(3) To the payment of all tax bills adjudged to be due in the order of their priority, including principal, interest and penalties thereon.

If, after such payment, there is any sum remaining of the proceeds of the sheriff's foreclosure sale, the court shall thereupon try and determine the other issues in the suit in accordance with section 141.480. If any answering parties have specially appealed as provided in section 141.570, the court shall retain the custody of such funds pending disposition of such appeal, and upon disposition of such appeal shall make such distribution. If there are not sufficient proceeds of the sale to pay all claims in any class described, the court shall order the same to be paid pro rata in accordance with the priorities.

4. If there are any funds remaining of the proceeds after the sheriff's sale and after the distribution of such funds as herein set out and no person entitled to any such funds, whether or not a party to the suit, shall, within two years after such sale, appear and claim the funds, they shall [escheat to the state as provided by law] **be distributed to the appropriate taxing authorities.**

141.720. 1. The land trust shall be composed of three members, one of whom shall be appointed by the county, **as directed by the county** executive, or if the county does not have a county executive, **as directed by the county commission of the county**, one of whom shall be appointed by [the city council of that city] **that municipality** in the county which **is not an appointing authority under section 141.980** and then has the largest population according to the last preceding federal decennial census, and one of whom shall be appointed by [the board of directors of the] **that school district in the county which is not an appointing authority under section 141.980** and then has the largest population according to such census in the county. **If any such appointing authority fails to make any appointment of a land trustee after any term expires, then the appointment shall be made by the county.**

2. The terms of office of the land trustees shall be for four years each, except the terms of the first land trustees who shall be appointed by the foregoing appointing authorities, respectively, not sooner than twelve months and not later than eighteen months after sections 141.210 to 141.810 take effect; **provided, however, that the term of any land trustee appointed by a municipality or school district that becomes an appointing authority under section 141.980 shall thereupon terminate.**

3. Each land trustee shall have been a resident of the county for at least five years next prior to appointment, shall not hold other salaried or compensated public office by election or appointment during service as land trustee, the duties of which would in any way conflict with his duties as land trustee, and shall have had at least ten years experience in the management or sale of real estate.

4. Of the first land trustees appointed under sections 141.210 to 141.810, the land trustee appointed by the county commission shall serve for a term ending February 1, 1946, the land trustee appointed by the board of directors of the school district then having the largest population in the county shall serve for a term expiring February 1, 1947, and the land trustee appointed by the city council of the city then having the largest population in the county shall serve for a term expiring February 1, 1948. That budget shall not become the required annual budget of the land trust unless and until it has been approved by the governing bodies of the [county or city] **taxing authorities** that appointed trustee members. If [either] **any** of the governing bodies of the [county and city] **taxing authorities** that appointed trustee members fail to notify the land trust in writing of any objections to the proposed annual budget on or before [December] **November** twentieth, then such failure or failures to object shall be deemed approval. In the event objections have been made and a budget for the fiscal year beginning January first has not been approved by the governing bodies of the [county and city] **taxing authorities that appointed trustee members** on or before January first, then the budget for the previous fiscal year shall become the approved budget for that fiscal year. Any unexpended funds from the preceding fiscal year shall be deducted from the amounts needed to meet the budget requirements of the forthcoming year.

2. The approved and adopted budget may be amended by the trustee members only with the approval of the governing bodies of the [county and city] **taxing authorities** that appointed trustee members.

3. If at any time there are not sufficient funds available to pay the salaries and other expenses of such land trust and of its employees, incident to the administration of sections 141.210 to 141.810, including any

expenditures authorized by section 141.760, funds sufficient to pay such expenses shall be advanced and paid to the land trust upon its requisition therefor **by the ad valorem taxing authorities in the county that are not appointing authorities under section 141.980, [fifty] seven percent thereof by the county commission of such county, and the other [fifty] ninety-three percent by all of the [municipalities in such county as defined in section 141.220] other such ad valorem taxing authorities, in proportion to their assessed valuations [at the time of their last completed assessment for state and county purposes] of the properties then in the land trust inventory located within their respective taxing jurisdictions.** The land trust shall have power to requisition such funds in an amount not to exceed twenty-five percent of the total annual budget of the land trust from such sources for that fiscal year of the land trust for which there are not sufficient funds otherwise available to pay the salaries and other expenses of the land trust, but any amount in excess of twenty-five percent of the total annual budget in any fiscal year may be requisitioned by and paid to the land trust only if such additional sums are agreed to and approved by [the county commission and the respective municipalities in such county so desiring to make such payment] **such ad valorem taxing authorities.** All moneys so requisitioned shall be paid in a lump sum within thirty days after such requisition or the commencement of the fiscal year of the land trust for which such requisition is made, whichever is later, [and] **by the county paying seven percent thereof due from the county under this section and advancing the remaining ninety-three percent due from other ad valorem taxing authorities under this section on behalf of such other ad valorem taxing authorities, and such amounts so paid** shall be deposited to the credit of the land trust in some bank or trust company, subject to withdrawal by warrant as herein provided. **Amounts advanced by the county on behalf of any ad valorem taxing authority under this section shall be reimbursed to the county upon demand by the county or by the county withholding such amounts from distributions of tax moneys to such ad valorem taxing authority.**

4. The fiscal year of the land trust shall commence on January first of each year. Such land trust shall audit all claims for the expenditure of money, and shall, acting by the chairman or vice chairman thereof, draw warrants therefor from time to time.

5. No warrant for the payment of any claim shall be drawn by such land trust until such claim shall have been approved by the land commissioner and shall bear the commissioner's certificate that there is a sufficient unencumbered balance in the proper appropriation and sufficient unexpended cash available for the payment thereof. For any certification contrary thereto, such land commissioner shall be liable personally and on the commissioner's official bond for the amounts so certified, and shall thereupon be promptly removed from office by the land trustees.

6. 141.980. 1. Any municipality located wholly or partially within a county in which a land trust created under section 141.700 was operating on January 1, 2011, may establish a land bank agency for the management, sale, transfer, and other disposition of interest in real estate owned by such land bank agency. Any such land bank agency created shall be created to foster the public purpose of returning land, including land that is in a nonrevenue-generating nontax-producing status, to effective use in order to provide housing, new industry, and jobs for citizens of the establishing municipality, and to create new revenues for such municipality. Such land bank agency shall be established by order or ordinance as applicable. Such land bank agency shall not own any interest in real estate that is located outside such establishing municipality or outside such county. Within one year of the effective date of an order or ordinance passed establishing such a land bank agency, title to any real estate held by the land trustees of the land trust of such county that is located within the establishing municipality shall be transferred by deed to such land bank agency.

2. Any land bank agency created under this section shall be known as “The Land Bank of the City of, Missouri”. Such land bank agency shall have the authority to accept the grant of any interest in real property made to it, or to accept gifts and grant in aid assistance. Any interest in real property acquired by such land bank agency by gift shall be administered in the same manner as other property sold to the land bank agency. Such land bank agency shall have and exercise all the powers that are conferred by sections 141.210 to 141.810 and sections 141.980 to 141.982 necessary and incidental to the effective management, sale, or other disposition of real estate acquired under and by virtue of the foreclosure of the lien for delinquent real estate taxes, as provided in such sections, and in the exercise of such powers, the land bank agency shall be deemed to be a public corporation acting in a governmental capacity.

3. The beneficiaries of the land bank agency shall be the taxing authorities that held or owned tax bills against the respective parcels of real estate acquired by such land bank agency under a deemed sale under subsection 3 of section 141.560 or by deed from land trustees under subsection 1 of this section included in the judgment of the court, and their respective interests in each parcel of real estate shall be to the extent and in the proportion and according to the priorities determined by the court on the basis that the principal amount of their respective tax bills bore to the total principal amount of all of the tax bills described in the judgment.

4. The land bank agency shall be composed of three members, two of whom shall be appointed by the establishing municipality, and the third shall be appointed by the school district that is wholly or partially located within such municipality and county and then has the largest population according

2. A land bank agency may convey title to any real estate sold or conveyed by it by general or special warranty deed, and may convey as absolute title in fee simple, without in any case procuring any consent, conveyance, or other instrument from the beneficiaries for which it acts, provided that each such deed shall recite whether the selling price represents a consideration equal to or in excess

of two-thirds of the appraised value of such real estate so sold or conveyed. If such selling price represents a consideration less than two-thirds of the appraised value of the real estate, then the land bank commissioners shall first procure the consent thereto of not less than two of the three appointing authorities, which consent shall be evidenced by a copy of the action of each such appointing authority duly certified to by its clerk or secretary attached to and made a part of land bank commission official minutes.

3. As a condition of the sale or other authorized conveyance of ownership of any unimproved parcel of land classified as residential property owned by the land bank agency to a private owner, unless the owner owns an adjacent improved parcel, such owner may be required to enter into a contract with the land bank agency stipulating that such owner or owner's successor agree that the parcel of land shall, within one year of such sale, either be improved by a nontemporary structure or returned to the land bank agency by special warranty deed. The contract shall further state that if the private owner fails to comply with the stipulation, the owner shall be liable to the land bank agency for damages at the rate of one hundred dollars per month accruing on the first day of each month after the termination of the one-year period so long as the private owner fails to convey the parcel to the land bank agency. The performance of such agreement shall be secured by a deed of trust or other lien encumbering the parcel. If the land bank agency finds by resolution that the terms of the agreement have not been satisfied, the land bank agency shall be authorized to bring suit to recover damages for the breach and to redeem the ownership of such property without consideration or compensation by seeking a judicial foreclosure of such agreement under sections 443.190 to 443.260, except that upon final judgment of the court, title shall revert to the land bank agency without necessity of sale. Notwithstanding subsection 2 of this section, the original deed conveying title to the private owner shall contain a possibility of reverter upon the condition that the private owner fails to comply with the terms of the contract, with a right of reentry retained by the land bank agency. As an alternative to, or in addition to, seeking a judicial foreclosure, the land bank agency may exercise the right of reentry under chapter 524, 527, or 534. The land bank agency shall assume title to the land by filing a copy of the judgment with the recorder of deeds in the county where the property is located. Any property redeemed by the land bank agency under the provisions of this section shall be administered in the same manner as other property sold to the land bank agency.

4. It shall be the duty of such land bank agency to administer the tax delinquent lands and other lands in its possession as provided in this section.

(2) The land bank agency shall use reasonable efforts, consistent with the funding available, to market the property in its inventory, and will endeavor to obtain a purchase price consistent with the market conditions for that particular type of property in a similar location, however, the land bank agency may take into consideration factors that include: the costs expended either by it or the municipality in which the property is located to continue to maintain the property while it is held in inventory, the detrimental impact of vacant property on other properties within its vicinity, the proposed use of the property, and the advantage of returning the property to the tax rolls for the

benefit of all taxing authorities intended to benefit from proceeds generated by the land bank agency. The land bank agency shall maintain an inventory of the property held by it, and make it available to the public, through means that make the best use of its limited resources, including limiting accessibility through electronic means. The land bank agency shall systematically update its inventory information, no less than quarterly per year. The records from each transaction with respect to the transfer or exchange of property in the land bank agency's inventory shall be maintained, and provided upon request to any taxing authority intended to benefit from the proceeds of the land bank. A summary of all such transactions shall be prepared at least annually, and made publicly available upon request, and submitted with the budget request of such land bank as provided in subsection 6 of section 141.981.

(3) The land bank commissioners shall have power, and it shall be their duty, to manage, maintain, protect, rent, lease, repair, insure, alter, hold and return, assemble, sell, trade, acquire, exchange, or otherwise dispose of any such real estate, on such terms and conditions as may be determined in the sole discretion of the commissioners. The land bank commissioners may assemble tracts or parcels of real estate for public parks or any other purposes and to such end may exchange or acquire parcels, and otherwise effectuate such purposes by agreement with any taxing authority. Without limiting the foregoing power vested in the land bank commissioners to directly dispose of its inventory property, such commissioners may, but are not obligated to, enter into listing or commission agreements with real estate brokers licensed to do business within the city, and such commissioners.

(4) The land bank agency shall adopt rules and regulations in harmony with sections 141.210 to 141.810 and sections 141.980 to 141.982, and shall keep records of all its transactions, which records shall be open to inspection of any taxing authority in the city at any time. There shall be an annual audit of the affairs, accounts, expenses, and financial transactions of such land bank agency by certified public accountants as of April thirtieth of each year, which accountants shall be employed by the commissioners on or before March first of each year, and certified copies thereof shall be furnished to the appointing authorities described in section 141.980, and shall be available for public inspection at the office of the land bank agency and on the land bank agency's internet website, if it maintains a website. In addition to the annual audit provided for in this subdivision, the land bank agency may be performance audited at any time by the state auditor or by the auditor of the city that appoints members. The cost of such audit shall be paid by the land bank agency, and copies shall be made available to the public within thirty days of the completion of the audit.

5. The land bank commissioners may appoint a director and such other employees who are deemed necessary to carry out the responsibilities and duties imposed under sections 141.980 to 141.982, and may incur such other reasonable and proper costs and expenses as are related thereto. The bond shall be filed with the county clerk of the county. The director, who shall be a person experienced in the management and sale of real estate, shall be executive officer and administrator of the land bank agency, and shall manage all of its business, under the supervision, direction, and control of the land bank commissioners.

6. Each annual budget of the land bank agency shall be itemized as to objects and purposes of expenditure, prepared not later than December tenth of each year with copies delivered to the ad valorem taxing authorities that appointed members, and shall include therein only such

appropriations as shall be deemed necessary to meet the reasonable expenses of the land bank agency during the forthcoming fiscal year. That budget shall not become the required annual budget of the land bank agency unless and until it has been approved by the governing bodies of the ad valorem taxing authorities that appointed members. If either of the governing bodies of the ad valorem taxing authorities that appointed members fails to notify the land bank agency in writing of any objections to the proposed annual budget on or before December twentieth, then such failure or failures to object shall be deemed approved. In the event objections have been made and a budget for the fiscal year beginning May first has not been approved by the governing bodies of the ad valorem taxing authorities that appointed members on or before May first, then the budget for the previous fiscal year shall become the approved budget for that fiscal year. Any unexpended funds from the preceding fiscal year shall be deducted from the amounts needed to meet the budget requirements of the forthcoming year. Copies of the budget shall be made available to the public on or before December tenth, and a public hearing shall be had thereon before December twentieth, in each year. The approved and adopted budget may be amended by the land bank commissioners only with the approval of the governing bodies of the ad valorem taxing authorities that appointed members.

7. The fiscal year of the land bank agency shall commence on May first of each year. Such land bank agency shall audit all claims for the expenditure of money and shall, acting by the chair or vice chair thereof, draw warrants therefor from time to time.

8. No warrant for the payment of any claim shall be drawn by such land bank agency until such claim shall have been approved by the director and shall bear the director's certificate that there is a sufficient unencumbered balance in the proper appropriation and sufficient unexpended cash available for the payment thereof.

141.982. 1. Such land bank agency shall set up and maintain a perpetual inventory on each tract of its real estate, except that individual tracts may be consolidated and grouped or regrouped for economy or convenience.

2. When any parcel of real estate acquired by such land bank agency under a deemed sale under subsection 3 of section 141.560, by redemption under subsection 3 of section 141.981, by gift under subsection 2 of section 141.980, or by deed from land trustees under subsection 1 of section 141.980 is sold or otherwise disposed of by such land bank agency, the proceeds therefrom shall be applied and distributed in the following order:

(3) Any funds in excess of those necessary to meet the expenses of the annual budget of the land bank agency in any fiscal year and a reasonable sum to carry over into the next fiscal year to assure that sufficient funds will be available to meet initial expenses for that next fiscal year, exclusive of net profit from the sale of parcels acquired by the land bank agency under a private foreclosure sale, shall be paid to the respective taxing authorities that, at the time of the distribution, are taxing the real property from which the proceeds are being distributed.

The distributions shall be in proportion to the amounts of the taxes levied on the properties by the

taxing authorities. Distribution shall be made on January first and July first of each year, and at such other times as the land bank commissioners in their discretion may determine.

4. Upon acquiring title to any real estate under a deemed sale under subsection 3 of section 141.560, by redemption under subsection 3 of section 141.981, by gift under subsection 2 of section 141.980, or by deed from land trustees under subsection 1 of section 141.980, such land bank agency shall immediately notify the county assessor of such ownership, and the interests of each taxing authority therein shall be exempt from all taxation, in the same manner and to the same extent as any other publicly owned real estate, and upon the sale or other disposition of any real estate held by it, such land bank agency shall immediately notify the county assessor of such change of ownership.

5. Upon confirmation under section 141.580 of a sheriff's private foreclosure sale of a parcel of real estate to a land bank agency, the sheriff shall deliver a court administrator's deed for such parcel to the purchasing land bank agency and such land bank agency shall pay the full amount of all tax bills included in the judgment, interest, penalties, attorney's fees and costs then due thereon. Such parcel shall not be exempt from taxation; provided however, if all land taxes on such parcel are paid in full at the time of sale or other disposition of such parcel by the land bank agency or two years from the date of its acquisition by the land bank agency, whichever occurs first, then all interest and penalties that may have accrued thereon shall be abated.

6. Neither the land bank commissioners nor any salaried employee of the land bank agency provided for in sections 141.980 to 141.982 shall receive any compensation, emolument, or other profit directly or indirectly from the rental, management, purchase, sale, or other disposition of any lands held by such land bank agency other than the salaries, expenses, and emoluments provided for in sections 141.980 to 141.982; provided further that neither the land bank commissioners nor any salaried employee of the land bank agency provided for in sections 141.980 to 141.982 shall have any relationship with, or be employed by, or otherwise receive any form of compensation from, any contractor or developer who purchases property from the land bank agency. “67.451. Any city in which voters have approved fees to recover costs associated with enforcement of municipal housing, property maintenance, or nuisance ordinances may issue a special tax bill against the property where such ordinance violations existed. The officer in charge of finance shall cause the amount of unrecovered costs to be included in a special tax bill or added to the annual real estate tax bill for the property at the collecting official’s option, and the costs shall be collected by the city collector or other official collecting taxes in the same manner and procedure for collecting real estate taxes. If the cost is not paid, the tax bill shall be considered delinquent, and the collection of the delinquent bill shall be governed by laws governing delinquent and back taxes. The tax bill shall be deemed a personal debt against the owner from the date of issuance, and shall also be a lien on the property until paid. Notwithstanding any provision of the city’s charter to the contrary, the city may provide, by ordinance, that the city may discharge the special tax bill upon a determination by the city that a public benefit will be gained by such discharge, and such discharge shall include any costs of tax collection, accrued interest, or attorney fees related to the special tax bill.”; and

Further amend said bill, Page 5, Section 475.115, Line 15, by inserting after all of said line the following:

“479.011. 1. (1) The following cities may establish an administrative adjudication system under this section:

(a) Any city not within a county [or];

(b) Any home rule city with more than four hundred thousand inhabitants and located in more than one county;

(c) Any home rule city with more than seventy-three thousand but fewer than seventy-five thousand inhabitants.

(2) The cities listed in subdivision (1) of this subsection may establish, by order or ordinance, an administrative system for adjudicating housing, property maintenance, nuisance, parking, and other civil, nonmoving municipal code violations consistent with applicable state law. Such administrative adjudication

system shall be subject to practice, procedure, and pleading rules established by the state supreme court, circuit court, or municipal court. This section shall not be construed to affect the validity of other administrative adjudication systems authorized by state law and created before August 28, 2004.

2. The order or ordinance creating the administrative adjudication system shall designate the administrative tribunal and its jurisdiction, including the code violations to be reviewed. The administrative tribunal may operate under the supervision of the municipal court, parking commission, or other entity designated by order or ordinance and in a manner consistent with state law. The administrative tribunal shall adopt policies and procedures for administrative hearings, and filing and notification requirements for appeals to the municipal or circuit court, subject to the approval of the municipal or circuit court.

3. The administrative adjudication process authorized in this section shall ensure a fair and impartial review of contested municipal code violations, and shall afford the parties due process of law. The formal rules of evidence shall not apply in any administrative review or hearing authorized in this section. Evidence, including hearsay, may be admitted only if it is the type of evidence commonly relied upon by reasonably prudent persons in the conduct of their affairs. The code violation notice, property record, and related documentation in the proper form, or a copy thereof, shall be prima facie evidence of the municipal code violation. The officer who issued the code violation citation need not be present.

4. An administrative tribunal may not impose incarceration or any fine in excess of the amount allowed by law. Any sanction, fine or costs, or part of any fine, other sanction, or costs, remaining unpaid after the exhaustion of, or the failure to exhaust, judicial review procedures under chapter 536 shall be a debt due and owing the city, and may be collected in accordance with applicable law.

5. Any final decision or disposition of a code violation by an administrative tribunal shall constitute a final determination for purposes of judicial review. Such determination is subject to review under chapter 536 or, at the request of the defendant made within ten days, a trial de novo in the circuit court. After expiration of the judicial review period under chapter 536, unless stayed by a court of competent jurisdiction, the administrative tribunal's decisions, findings, rules, and orders may be enforced in the same manner as a judgment entered by a court of competent jurisdiction. Upon being recorded in the manner required by state law or the uniform commercial code, a lien may be imposed on the real or personal property of any defendant entering a plea of nolo contendere, pleading guilty to, or found guilty of a municipal code violation in the amount of any debt due the city under this section and enforced in the same manner as a judgment lien under a judgment of a court of competent jurisdiction. **The city may also issue a special tax bill to collect fines issued for housing, property maintenance, and nuisance code violations.**"; and

Further amend said title, enacting clause and intersectional references accordingly.

HOUSE AMENDMENT NO. 3

Amend House Committee Substitute for Senate Substitute for Senate Bill No. 226, Page 1, Section A, Line 3, by inserting after all of said line the following:

“66.620. 1. All county sales taxes collected by the director of revenue under sections 66.600 to 66.630 on behalf of any county, less one percent for cost of collection which shall be deposited in the state’s general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known as the “County Sales Tax Trust Fund”. The moneys in the county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of the county and all expenditures of funds arising from the county sales tax trust fund shall be by an appropriation act to be enacted by the legislative council of the county, and to the cities, towns and villages located wholly or partly within the county which levied the tax in the manner as set forth in sections 66.600 to 66.630.

2. In any county not adopting an additional sales tax and alternate distribution system as provided in section 67.581, for the purposes of distributing the county sales tax, the county shall be divided into two groups, “Group A” and “Group B”. Group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, except that beginning January 1, 1980, group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax. **Notwithstanding provisions of this section to contrary, for the period beginning August 28, 2011, and ending August 28, 2013, group A shall include all portions of any city of the fourth classification with more than four thousand three hundred but fewer than four thousand four hundred inhabitants and located in any county with a charter form of government and with more than one million inhabitants and where such city includes a dormant manufacturing plant that was used for manufacturing or assembly and employed not less than three thousand persons but has ceased such manufacturing and assembly activity.** For the purposes of determining the location of consummation of sales for distribution of funds to cities, towns and villages in group A, the boundaries of any such city, town or village shall be the boundary of that city, town or village as it existed on March 19,

1984. Group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, and shall also include all unincorporated areas of the county which levied the tax; except that, beginning January 1, 1980, group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax and shall also include all unincorporated areas of the county which levied the tax. **Notwithstanding provisions of this section to contrary, for the period beginning August 28, 2011, and ending August 28, 2013, group B shall not include any portion of any city of the fourth classification with more than four thousand three hundred but fewer than four thousand four hundred inhabitants and located in any county with a charter form of government and with more than one million inhabitants and where such city includes a dormant manufacturing plant that was used for manufacturing or assembly and employed not less than three thousand persons but has ceased such manufacturing and assembly activity.**

3. Until January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087. Except for distribution governed by section 66.630, after deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute the remaining funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, a percentage of the distributable revenue equal to the percentage ratio that the population of the unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

4. From and after January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A a portion of the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087 in accordance with the formula described in this subsection. After deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated since April 1, 1993, multiplied by the total of all sales tax revenues countywide, and a percentage of the remaining distributable revenue equal to the percentage ratio that the population of unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

5. (1) For purposes of administering the distribution formula of subsection 4 of this section, the revenues arising each year from sales occurring within each group A city, town or village shall be distributed as

follows: Until such revenues reach the adjusted county average, as hereinafter defined, there shall be distributed to the city, town or village all of such revenues reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; and once revenues exceed the adjusted county average, total revenues shall be shared in accordance with the redistribution formula as defined in this subsection.

(2) For purposes of this subsection, the “adjusted county average” is the per capita countywide average of all sales tax distributions during the prior calendar year reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; the “redistribution formula” is as follows: During 1994, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 8.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. During 1995, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of seventeen multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From January 1, 1996, until January 1, 2000, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 25.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From and after January 1, 2000, the distribution formula covering the period from January 1, 1996, until January 1, 2000, shall continue to apply, except that the percentage computed for sales arising within the municipalities shall be not less than 7.5 percent for municipalities within which sales tax revenues exceed the adjusted county average, nor less than 12.5 percent for municipalities within which sales tax revenues exceed the adjusted county average by at least twenty-five percent.

(3) For purposes of applying the redistribution formula to a municipality which is partly within the county levying the tax, the distribution shall be calculated alternately for the municipality as a whole, except that the factor for annexed portion of the county shall not be applied to the portion of the municipality which is not within the county levying the tax, and for the portion of the municipality within the county levying the tax. Whichever calculation results in the larger distribution to the municipality shall be used.

(4) Notwithstanding any other provision of this section, the fifty percent of additional sales taxes as described in section 99.845 arising from economic activities within the area of a redevelopment project

established after July 12, 1990, pursuant to sections 99.800 to 99.865, while tax increment financing remains in effect shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. Further, any agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of incremental sales tax revenues to the special allocation fund of a tax increment financing project while tax increment financing remains in effect shall continue to be in full force and effect and the sales taxes so appropriated shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. In addition, and notwithstanding any other provision of this chapter to the contrary, economic development funds shall be distributed in full to the municipality in which the sales producing them were deemed consummated. Additionally, economic development funds shall be deducted from all calculations of countywide sales taxes and shall be disregarded in calculating the amounts distributed or distributable to the municipality. As used in this subdivision, the term “economic development funds” means the amount of sales tax revenue generated in any fiscal year by projects authorized pursuant to chapter 99 or chapter 100 in connection with which such sales tax revenue was pledged as security for, or was guaranteed by a developer to be sufficient to pay, outstanding obligations under any agreement authorized by chapter 100, entered into or adopted prior to September 1, 1993, between a municipality and another public body. The cumulative amount of economic development funds allowed under this provision shall not exceed the total amount necessary to amortize the obligations involved.

6. If the qualified voters of any city, town or village vote to change or alter its boundaries by annexing any unincorporated territory included in group B or if the qualified voters of one or more city, town or village in group A and the qualified voters of one or more city, town or village in group B vote to consolidate, the area annexed or the area consolidated which had been a part of group B shall remain a part of group B after annexation or consolidation. After the effective date of the annexation or consolidation, the annexing or consolidated city, town or village shall receive a percentage of the group B distributable revenue equal to the percentage ratio that the population of the annexed or consolidated area bears to the total population of group B and such annexed area shall not be classified as unincorporated area for determination of the percentage allocable to the county. If the qualified voters of any two or more cities, towns or villages in group A each vote to consolidate such cities, towns or villages, then such consolidated cities, towns or villages shall remain a part of group A. For the purpose of sections 66.600 to 66.630, population shall be as determined by the last federal decennial census or the latest census that determines the total population of the county and all political subdivisions therein. For the purpose of calculating the adjustment based on the percentage of unincorporated county population which is annexed after April 1, 1993, the accumulated percentage immediately before each census shall be used as the new percentage base after such census. After any annexation, incorporation or other municipal boundary change affecting the unincorporated area of the county, the chief elected official of the county shall certify the new population of the unincorporated area of the county and the percentage of the population which has been annexed or incorporated since April 1, 1993, to the director of revenue. After the adoption of the county sales tax ordinance, any city, town or village in group A may by adoption of an ordinance by its governing body cease to be a part of group A and become a part of group B. Within ten days after the adoption of the ordinance transferring the city, town or village from one group to the other, the clerk of the transferring city, town or village shall forward to the director of revenue, by registered mail, a certified copy of the ordinance. Distribution to such city as a part of its former group shall cease and as a part of its new group shall begin

on the first day of January of the year following notification to the director of revenue, provided such notification is received by the director of revenue on or before the first day of July of the year in which the transferring ordinance is adopted. If such notification is received by the director of revenue after the first day of July of the year in which the transferring ordinance is adopted, then distribution to such city as a part of its former group shall cease and as a part of its new group shall begin the first day of July of the year following such notification to the director of revenue. Once a group A city, town or village becomes a part of group B, such city may not transfer back to group A.

7. If any city, town or village shall hereafter change or alter its boundaries, the city clerk of the municipality shall forward to the director of revenue, by registered mail, a certified copy of the ordinance adding or detaching territory from the municipality. The ordinance shall reflect the effective date thereof, and shall be accompanied by a map of the municipality clearly showing the territory added thereto or detached therefrom. Upon receipt of the ordinance and map, the tax imposed by sections 66.600 to 66.630 shall be redistributed and allocated in accordance with the provisions of this section on the effective date of the change of the municipal boundary so that the proper percentage of group B distributable revenue is allocated to the municipality in proportion to any annexed territory. If any area of the unincorporated county elects to incorporate subsequent to the effective date of the county sales tax as set forth in sections 66.600 to 66.630, the newly incorporated municipality shall remain a part of group B. The city clerk of such newly incorporated municipality shall forward to the director of revenue, by registered mail, a certified copy of the incorporation election returns and a map of the municipality clearly showing the boundaries thereof.

The certified copy of the incorporation election returns shall reflect the effective date of the incorporation. Upon receipt of the incorporation election returns and map, the tax imposed by sections 66.600 to 66.630 shall be distributed and allocated in accordance with the provisions of this section on the effective date of the incorporation.

8. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

9. Except as modified in sections 66.600 to 66.630, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under sections 66.600 to 66.630.”; and

Further amend said title, enacting clause and intersectional references accordingly.

5. The department of elementary and secondary education may promulgate rules to implement this section. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2011, shall be invalid and void.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Local sales taxes imposed pursuant to the local sales tax law on the purchase and sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of his **or her** deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering himself **or herself** and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on his **or her** management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. He **or she** shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by him **or her** under the local sales tax law or in the event a determination has been made against him **or her** for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

32.088. 1. Beginning January 1, 2012, the possession of a statement from the department of revenue stating no tax is due under chapters 142, 143, 144, 147, and 149, and that no fees are due under sections 260.262 or 260.273, shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

2. Beginning January 1, 2012, in lieu of subsection 1 of this section, the director may enter into an agreement with any state agency responsible for issuing any state license for conducting any business requiring the agency to provide the director of revenue with the name and Missouri tax identification number of each applicant for licensure within one month of the date the application is filed or at least one month prior to the anticipated renewal of a licensee's license. If such licensee is delinquent on any taxes under chapters 142, 143, 144, 147, and 149, or fees under sections 260.262 or 260.273, the director shall then send notice to each such entity and licensee. In the case of such delinquency or failure to file, the licensee's license shall be suspended within ninety days after notice of such delinquency or failure to file, unless the director of revenue verifies that such delinquency or failure has been remedied or arrangements have been made to achieve such remedy. The director of revenue shall, within ten business days of notification to the governmental entity issuing the license that the delinquency has been remedied or arrangements have been made to remedy such delinquency, send written notification to the licensee that the delinquency has been remedied. Tax liability paid in protest or reasonably founded disputes with such liability shall be considered paid for the purposes of this section.

32.383. 1. Notwithstanding the provisions of any other law to the contrary, with respect to taxes administered by the department of revenue and imposed in chapters 143 and 144, an amnesty from the assessment or payment of all penalties, additions to tax, and interest shall apply with respect to unpaid taxes or taxes due and owing reported and paid in full from August 1, 2011, to October 31, 2011, regardless of whether previously assessed, except for penalties, additions to tax, and interest paid before August 1, 2011. The amnesty shall apply only to state tax liabilities due or due but unpaid on or before December 31, 2010, and shall not extend to any taxpayer who at the time of payment is a party to any criminal investigations or to any civil or criminal litigation that is pending in any court of the United States or this state for nonpayment, delinquency, or fraud in relation to any state tax imposed by this state.

2. Upon written application by the taxpayer, on forms prescribed by the director of revenue, and upon compliance with the provisions of this section, the department of revenue shall not seek to collect any penalty, addition to tax, or interest that may be applicable. The department of revenue shall not

seek civil or criminal prosecution for any taxpayer for the taxable period for which the amnesty has been granted, unless subsequent investigation or audit shows that the taxpayer engaged in fraudulent or criminal conduct in applying for amnesty.

3. Amnesty shall be granted only to those taxpayers who have applied for amnesty within the period stated in this section, who have filed a tax return for each taxable period for which amnesty is requested, who have paid the entire balance due within sixty days of approval by the department of revenue, and who agree to comply with state tax laws for the next eight years from the date of the agreement. No taxpayer shall be entitled to a waiver of any penalty, addition to tax, or interest under this section unless full payment of the tax due is made in accordance with rules established by the director of revenue.

4. All taxpayers granted amnesty under this section shall comply with this state's tax laws for the eight years following the date of the amnesty agreement. If any such taxpayer fails to comply with all of this state's tax laws at any time during the eight years following the date of the agreement, all penalties, additions to tax, and interest that were waived under the amnesty agreement shall become due and owing immediately.

5. If a taxpayer elects to participate in the amnesty program established in this section as evidenced by full payment of the tax due as established by the director of revenue, that election shall constitute an express and absolute relinquishment of all administrative and judicial rights of appeal. No tax payment received under this section shall be eligible for refund or credit.

6. Nothing in this section shall be interpreted to disallow the department of revenue to adjust a taxpayer's tax return as a result of any state or federal audit.

7. All tax payments received as a result of the amnesty program established in this section, other than revenues earmarked by the Constitution of Missouri or this state's statutes, shall be deposited in the state general revenue fund.

8. The department may promulgate rules or issue administrative guidelines as are necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2011, shall be invalid and void.

32.385. 1. The director of revenue and the commissioner of administration may jointly enter into a reciprocal collection and offset of indebtedness agreement with the federal government, under which the State will offset from state tax refunds and from payments otherwise due to vendors and contractors providing goods or services to state departments, agencies, or other state agencies non-tax debt owed to the federal government; and the federal government will offset from federal payments to vendors, contractors, and taxpayers debt owed to the state of Missouri.

2. When used in this section, the following words, terms, and phrases are defined as set forth herein:

(1) "Federal official" means a unit or official of the federal government charged with the collection

(2) “State agency” means any department, division, board, commission, office, or other agency of the state of Missouri.

(3) “Non-tax liability due the state” means a liability certified to the director of revenue by a state agency and shall include, but shall not be limited to, fines, fees, penalties, and other non-tax assessments imposed by or payable to any state agency that is finally determined to be due and owing.

(4) “Person” means an individual, partnership, society, association, joint stock company, corporation, public corporation, or any public authority, estate, receiver, trustee, assignee, referee, and any other person acting in a fiduciary or representative capacity whether appointed by a court or otherwise, and any combination of the foregoing.

(6) “Vendor payment” means any payment, other than a refund, made by the state to any person or entity, and shall include but shall not be limited to any expense reimbursement to an employee of the state; but shall not include a person’s salary, wages, or pension.

(7) “Offset agreement” is the agreement authorized by this section.

3. Under the offset agreement, a federal official may:

(1) Certify to the state of Missouri the existence of a person’s delinquent non-tax liability owed by the person to the federal government; and

(2) Request that the state of Missouri withhold any refund and vendor payment to which the person is entitled.

(3) Certify and request the state of Missouri to withhold a refund or vendor payment only if the laws of the United States:

(a) Allow the state of Missouri to enter into a reciprocal agreement with the United States, under which the federal official would be authorized to offset federal payments to collect delinquent tax and non-tax debts owed to the state; and

(b) Provide for the payment of the amount withheld to the state.

(4) Retain a portion of the proceeds of any collection setoff as provided under the setoff agreement.

4. Under the offset agreement, a certification by a federal official to the state of Missouri shall include:

(1) the full name of the person and any other names known to be used by the person;

(2) the social security number or federal tax identification number;

(3) the amount of the non-tax liability; and

(4) a statement that the debt is past due and legally enforceable in the amount certified.

5. If a person for whom a certification is received from a federal official is due a refund of Missouri tax or a vendor payment, the agreement may provide that the state of Missouri shall:

(1) withhold a refund or vendor payment that is due a person whose name has been certified by a federal official;

(2) in accordance with the provisions of the offset agreement, notify the person of the amount withheld in satisfaction of a liability certified by a federal official;

(3) pay to the federal official the lesser of:

(a) the entire refund or vendor payment; or

(b) the amount certified; and

(4) pay any refund or vendor payment in excess of the certified amount to the person.

6. Under the agreement, the director of revenue shall:

(1) certify to a federal official the existence of a person's delinquent tax or non-tax liability due the state owed by the person to any state agency;

(2) request that the federal official withhold any eligible vendor payment to which the person is entitled; and

(3) provide for the payment of the amount withheld to the state.

7. A certification by a state agency to the director of revenue and by the director of revenue to the federal official under the offset agreement shall include:

(1) the full name and address of the person and any other names known to be used by the person;

(2) the social security number or tax identification number;

(3) the amount of the tax or non-tax liability;

(4) a statement that the debt is past due and legally enforceable in the amount certified; and

(5) any other information required by federal statute or regulation applicable to the collection of the debt by offset of federal payments.

8. Any other provisions of law to the contrary notwithstanding, the director of revenue and the commissioner of administration shall have the authority to enter into reciprocal agreements with any other state which extends a like comity to this state to set off offset from state tax refunds and from payments otherwise due to vendors and contractors providing goods or services to state departments, agencies, or other state agencies non-tax debt for debts due the other state that extends a like comity to this state.

32.410. As used in sections 32.410 to 32.460, the following terms shall mean:

(1) "Debt", an amount owed to the state directly or through a state agency, on account of a fee, duty, lease, direct loan, loan insured or guaranteed by the state, rent, service, sale of real or personal property, overpayment, fine, assessment, penalty, restitution, damages, interest, tax, bail bond, forfeiture, reimbursement, liability owed, an assignment, recovery of costs incurred by the state, or any other source of indebtedness to the state;

(2) "Debtor", an individual, a corporation, a partnership, an unincorporated association, a limited liability company, a trust, an estate, or any other public or private entity, including a state, local, or federal government, or an Indian tribe, that is liable for a debt or against whom there is a claim for

a debt;

(3) “Department”, the department of revenue;

(4) “State agency”, any division, board, commission, office, or other agency of the state of Missouri, including public community college districts and any state or municipal court.

32.420. 1. Notwithstanding any other provision of law to the contrary, all state agencies may refer to the department for collection debts owed to them. The department may provide collection services on debts referred to the department by a state agency. This authority shall not supersede the authority granted to the attorney general under section 27.060 or any other statute.

2. A referring agency may refer the debt to the department for collection at any time after a debt becomes delinquent and uncontested and the debtor shall have no further administrative appeal of the amount of the debt. Methods and procedures for referral shall be governed by an agreement between the referring agency and the department.

3. The collection procedures and remedies under this chapter are in addition to any other procedure or remedy available by law. If the state agency’s applicable state or federal law requires the use of a particular remedy or procedure for the collection of a debt, that particular remedy or procedure shall govern the collection of that debt to the extent the procedure or remedy is inconsistent with this chapter.

4. The state agency shall send notice to the debtor by United States regular mail at the debtor’s last known address at least twenty days before the debt is referred to the department. The notice shall state the nature and amount of the debt, identify to whom the debt is owed, and inform the debtor of the remedies available under this chapter or the state agency’s own procedures.

32.430. 1. Except as otherwise provided in this section, the department shall have the authority to use all general remedies afforded creditors of this state in collection of debt as well as any remedies afforded the state agency referring the debt and to the state in general as a creditor. The department shall not have authority to prosecute or defend civil actions on behalf of any other state agency, except as necessary to defend any challenges made to actions under section 143.902 or section 140.910 for a debt referred by a state agency or to prosecute an action under subsection 10 of section 140.910.

2. In addition to the remedies identified in sections 32.410 to 32.460, the department may use the collection remedies afforded under section 143.902 and section 140.910 in the collection of any state debt referred to the department.

3. The department may employ department staff and attorneys, and at the department’s discretion, prosecuting attorneys and private collection agencies as authorized in sections 136.150 and 140.850 in seeking collection of debts referred to the department by a state agency.

32.440. 1. The department shall add to the amount of debt referred to the department by a state agency the cost of collection which shall be ten percent of the total debt referred by the state agency. The department shall have the same authority to collect the cost of collection as the department has in collecting the debt referred by the state agency.

2. The cost of collection shall only be waived when:

(1) Within thirty days after the initial notice to the debtor by the department, the debtor establishes to the department reasonable cause for the failure to pay the debt prior to referral of the

debt to the department, enters into an agreement satisfactory to the department to pay the debt in full, and fully abides by the terms of that agreement;

(2) A good faith dispute as to the legitimacy or the amount of the debt exists, and payment is remitted or an agreement satisfactory to the department to pay the debt in full is entered into within thirty days after resolution of the dispute, and the debtor fully abides by the terms of that agreement; or

(3) Collection costs have been added by the state agency and are included in the amount of the referred debt.

3. If the department collects an amount less than the total due, the payment shall be applied proportionally to collection costs and the underlying debt unless the department has waived this requirement for certain categories of debt. Collection costs collected by the department under this section shall be deposited in the general revenue fund.

32.450. The department may compromise state debt referred to the department in accordance with section 32.378 and any agreement with the referring agency.

32.460. The department and state agencies, including the judiciary, may exchange information, including the debtor's Social Security number, as is necessary for the successful collection of the state debt referred. The referring state agency shall follow all applicable federal and state laws regarding the confidentiality of information and records regarding the debtor. The confidentiality laws applicable to the particular information received and retained by each agency shall apply to the employees of the state agency and to the department when the information has been forwarded to the department.

105.716. 1. Any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by the attorney general; provided, that in the case of any claim against the department of conservation, the department of transportation or a public institution which awards baccalaureate degrees, or any officer or employee of such department or such institution, any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by legal counsel provided by the respective entity against which the claim is made or which employs the person against whom the claim is made. In the case of any payment from the state legal expense fund based upon a claim or judgment against the department of conservation, the department of transportation or any officer or employee thereof, the department so affected shall immediately transfer to the state legal expense fund from the department funds a sum equal to the amount expended from the state legal expense fund on its behalf.

2. All persons and entities protected by the state legal expense fund shall cooperate with the attorneys conducting any investigation and preparing any defense under the provisions of sections 105.711 to 105.726 by assisting such attorneys in all respects, including the making of settlements, the securing and giving of evidence, and the attending and obtaining witness to attend hearings and trials. Funds in the state legal expense fund shall not be used to pay claims and judgments against those persons and entities who do not cooperate as required by this subsection.

3. The provisions of sections 105.711 to 105.726 notwithstanding, the attorney general may investigate, defend, negotiate, or compromise any claim covered by sections 105.711 to 105.726 against any public institution which awards baccalaureate degrees whose governing body has declared a state of financial

exigency.

4. Notwithstanding the provisions of subsection 2 of section 105.711, funds in the state legal expense fund may be expended prior to the payment of any claim or any final judgment to pay costs of defense, including reasonable attorney's fees for retention of legal counsel, when the attorney general determines that a conflict exists or particular expertise is required, and also to pay for related legal expenses including medical examination fees, expert witness fees, court reporter expenses, travel costs and ancillary legal expenses incurred prior to the payment of a claim or any final judgment.

5. Notwithstanding any other provision of law to the contrary, except for payments of less than ten thousand dollars for property damage, no funds shall be expended from the state legal expense fund for settlement of any liability claim except upon the production of a no tax due statement from the department of revenue by the party making claim or having judgment under section 105.711, which shall be satisfied from such fund. If the party is found by the director of revenue to owe a delinquent tax debt to the state of Missouri under the revenue laws of this state, after the payment of attorneys fees and expenses associated with creating the liability of the fund to the party, any remaining funds to be paid to the party from the state legal expense fund shall be offset to satisfy such tax debt before payment is made to the party making claim or having judgment.

136.055. 1. Any person who is selected or appointed by the state director of revenue as provided in subsection 2 of this section to act as an agent of the department of revenue, whose duties shall be the processing of motor vehicle title and registration transactions and the collection of sales and use taxes when required under sections 144.070 and 144.440, and who receives no salary from the department of revenue, shall be authorized to collect from the party requiring such services additional fees as compensation in full and for all services rendered on the following basis:

(1) For each motor vehicle or trailer registration issued, renewed or transferred--three dollars and fifty cents and seven dollars for those licenses sold or biennially renewed pursuant to section 301.147;

(2) For each application or transfer of title--two dollars and fifty cents;

(3) For each instruction permit, nondriver license, chauffeur's, operator's or driver's license issued for a period of three years or less--two dollars and fifty cents and five dollars for licenses or instruction permits issued or renewed for a period exceeding three years;

(4) For each notice of lien processed--two dollars and fifty cents;

(5) No notary fee or other fee or additional charge shall be paid or collected except for electronic telephone transmission reception--two dollars.

2. The director of revenue shall award fee office contracts under this section through a competitive bidding process. The competitive bidding process shall give priority to organizations and entities that are exempt from taxation under Section 501(c)(3) or 501(c)(6) of the Internal Revenue Code of 1986, as amended, and political subdivisions, including but not limited to, municipalities, counties, and fire protection districts. The director of the department of revenue may promulgate rules and regulations necessary to carry out the provisions of this subsection. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subsection shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule

are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

3. All fees collected by a tax-exempt organization may be retained and used by the organization.

4. All fees charged shall not exceed those in this section. The fees imposed by this section shall be collected by all permanent offices and all full-time or temporary offices maintained by the department of revenue.

5. Any person acting as agent of the department of revenue for the sale and issuance of registrations, licenses, and other documents related to motor vehicles shall have an insurable interest in all license plates, licenses, tabs, forms and other documents held on behalf of the department.

6. Any person acting as agent of the department of revenue for the collection of sales and use tax when required under sections 144.070 and 144.440 shall be entitled to deduct and retain an amount equal to two percent of the motor vehicle sales tax under section 144.140 to offset the actual cost incurred by such person, on behalf of the department of revenue, in the collection of such taxes in accordance with the provisions of Article IV, Section 30(b) of the Missouri Constitution.

7. The fees authorized by this section shall not be collected by motor vehicle dealers acting as agents of the department of revenue under section 32.095 or those motor vehicle dealers authorized to collect and remit sales tax under subsection 8 of section 144.070.

[7.] **8.** Notwithstanding any other provision of law to the contrary, the state auditor may audit all records maintained and established by the fee office in the same manner as the auditor may audit any agency of the state, and the department shall ensure that this audit requirement is a necessary condition for the award of all fee office contracts. No confidential records shall be divulged in such a way to reveal personally identifiable information.

140.910. 1. In addition to any other remedy provided by law for the collection of delinquent taxes due the state of Missouri, if the director has filed a certificate of lien in the circuit court as provided by section 143.902, 144.380, or 144.690, the director or his or her designee may issue an order directing any person to withhold and pay over to the department assets belonging to, due, or to become due the taxpayer. The director or his or her designee shall not issue the administrative garnishment if the taxpayer has entered into a written agreement with the department for an alternative payment arrangement and the taxpayer is in compliance with the agreement.

2. An order entered under this section shall be served on the person or other legal entity either by regular mail or by certified mail, return receipt requested, or may be issued through electronic means, and shall be binding on the employer or other payor two weeks after mailing or electronic issuance of such service. The person or other entity in possession of assets belonging to, due, or to become due the taxpayer may deduct an additional sum not to exceed six dollars per month as reimbursement for costs, except that the total amount withheld shall not exceed the limitations contained in the federal Consumer Credit Protection Act, 15 U.S.C. 1673.

3. A copy of the order shall be mailed to the taxpayer at the taxpayer's last known address. The notice shall advise the taxpayer that the administrative garnishment has commenced and the procedures to contest such garnishment on the grounds that such garnishment is improper due to a mistake of fact by requesting a hearing within thirty days from mailing or electronic issuance of the notice. At such a hearing the certified records of the department shall constitute prima facie evidence

that the director's order is valid and enforceable. If a prima facie case is established, the obligor may only assert as a defense mistake as to the identity of the taxpayer, mistake as to payments made, or existence of an alternative payment agreement for which no default has occurred. The taxpayer shall have the burden of proof on such issues. The taxpayer may obtain relief from the garnishment by paying the amount owed.

4. An employer or other payor shall withhold from the earnings or other income of each taxpayer the amount specified in the order. The employer or other payor shall transmit the payments as directed in the order within ten business days of the date the earnings, money due, or other income was payable to the taxpayer. For purposes of this section, "business day" means a day that state offices are open for regular business. The employer or other payor shall, along with the amounts transmitted, provide the date the amount was withheld from the taxpayer.

5. An order issued under subsection 1 of this section shall be a continuing order and shall remain in effect and be binding upon any employer or other payor upon whom it is directed until a further order of the director. The director shall notify an employer or other payor upon whom such an order has been directed whenever the deficiency is paid in full.

6. If the order is served on a person other than an employer or other payor, it shall be a lien against any money belonging to the taxpayer that is in the possession of the person on the date of service. The person other than an employer or other payor shall pay over any assets within ten business days of the service date of the order. A financial institution ordered to surrender an account shall be entitled to collect its normally scheduled account activity surcharges to maintain the account during the period of time the account is garnished. For purposes of this section, the interest of the taxpayer in any joint financial accounts shall be presumed to be equal to all other joint owners.

7. An order issued under subsection 1 of this section shall have priority over any other legal process under state law against the same income or other asset, except that where the other legal process is an order issued under section 452.350, 454.505, or 454.507, the withholding for child support shall have priority.

8. No person who complies with an order entered under this section shall be liable to the taxpayer, or to any other person claiming rights derived from the taxpayer, for wrongful withholding. A person who fails or refuses to withhold or pay the amounts as ordered under this section shall be liable to the state in a sum equal to the value of the wages or property not surrendered, but not to exceed the amount of tax deficiency. The director is hereby authorized to bring an action in circuit court to determine the liability of a person for failure to withhold or pay the amounts as ordered. If a court finds that a violation has occurred, the court may fine the person in an amount not to exceed five hundred dollars. The court may also enter a judgment against the person or other legal entity for the amounts to be withheld or paid, court costs, and reasonable attorney's surcharges.

9. The remedy provided by this section shall be available where the state or any of its political subdivisions is the employer or other payor of the taxpayer in the same manner and to the same extent as where the employer or other payor is a private party.

10. An employer shall not discharge, or refuse to hire or otherwise discipline, an employee as a result of an order to withhold and pay over certain money authorized by this section. If any such employee is discharged within thirty days of the date upon which an order to withhold and pay over certain money is to take effect, there shall arise a rebuttable presumption that such discharge was a

result of such order. This presumption shall be overcome only by clear, cogent and convincing evidence produced by the employer that the employee was not terminated because of the order to withhold and pay over certain money. The director or his or her designee is hereby authorized to bring an action in circuit court to determine whether the discharge constitutes a violation of this subsection. If the court finds that a violation has occurred, the court may enter an order against the employer requiring reinstatement of the employee and may fine the employer in an amount not to exceed five hundred dollars. Further, the court may enter judgment against the employer for the back wages, costs, attorney's surcharges, and for the amount of taxes that should have been withheld and paid over during the period of time the employee was wrongfully discharged.

11. If a taxpayer for whom an order to withhold has been issued under subsection 1 of this section terminates the taxpayer's employment, the employer shall, within ten days of the termination, notify the department of the termination, shall provide to the department the last known address of the taxpayer, if known to the employer, and shall provide to the department the name and address of the taxpayer's new employer, if known. The director or his or her designee may issue an order to the new employer as provided in subsection 1 of this section.

12. For purposes of this section, "assets" include, but are not limited to, currency, any financial account or other liquid asset, and any income or other periodic form of payment due to a taxpayer regardless of source, including, but not limited to, wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program, and interest.

144.083. 1. The director of revenue shall require all persons who are responsible for the collection of taxes under the provisions of section 144.080 to procure a retail sales license at no cost to the licensee which shall be prominently displayed at the licensee's place of business, and the license is valid until revoked by the director or surrendered by the person to whom issued when sales are discontinued. The director shall issue the retail sales license within ten working days following the receipt of a properly completed application. Any person applying for a retail sales license or reinstatement of a revoked sales tax license who owes any tax under sections 144.010 to 144.510 or sections 143.191 to 143.261 must pay the amount due plus interest and penalties before the department may issue the applicant a license or reinstate the revoked license. All persons beginning business subsequent to August 13, 1986, and who are required to collect the sales tax shall secure a retail sales license prior to making sales at retail. Such license may, after ten days' notice, be revoked by the director of revenue only in the event the licensee shall be in default for a period of sixty days in the payment of any taxes levied under section 144.020 or sections 143.191 to 143.261. Notwithstanding the provisions of section 32.057 in the event of revocation, the director of revenue may publish the status of the business account including the date of revocation in a manner as determined by the director.

2. The possession of a retail sales license and a statement from the department of revenue that the licensee owes no tax due under [sections 144.010 to 144.510 or sections 143.191 to 143.261] **section 32.088** shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license which is required for conducting any business [where goods are sold at retail]. The date of issuance on the statement that the licensee owes no tax due shall be no more than ninety days before the date of submission for application or renewal of the local license. The revocation of a retailer's license by the director shall render the occupational license or the state license null and void.

3. No person responsible for the collection of taxes under section 144.080 shall make sales at retail unless such person is the holder of a valid retail sales license. After all appeals have been exhausted, the director of revenue may notify the county or city law enforcement agency representing the area in which the former licensee's business is located that the retail sales license of such person has been revoked, and that any county or city occupation license of such person is also revoked. The county or city may enforce the provisions of this section, and may prohibit further sales at retail by such person.

4. In addition to the provisions of subsection 2 of this section, beginning January 1, 2009, **and until December 31, 2011**, the possession of a statement from the department of revenue stating no tax is due under sections 143.191 to 143.265 or sections 144.010 to 144.510 shall also be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business where goods are sold at retail. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

5. Notwithstanding any law or rule to the contrary, sales tax shall only apply to the sale price paid by the final purchaser and not to any off-invoice discounts or other pricing discounts or mechanisms negotiated between manufacturers, wholesalers, and retailers.

168.071. 1. The state board of education may refuse to issue or renew a certificate, or may, upon hearing, discipline the holder of a certificate of license to teach for the following causes:

(1) A certificate holder or applicant for a certificate has pleaded to or been found guilty of a felony or crime involving moral turpitude under the laws of this state, any other state, of the United States, or any other country, whether or not sentence is imposed;

(2) The certification was obtained through use of fraud, deception, misrepresentation or bribery;

(3) There is evidence of incompetence, immorality, or neglect of duty by the certificate holder;

(4) A certificate holder has been subject to disciplinary action relating to certification issued by another state, territory, federal agency, or country upon grounds for which discipline is authorized in this section; [or]

(5) If charges are filed by the local board of education, based upon the annulling of a written contract with the local board of education, for reasons other than election to the general assembly, without the consent of the majority of the members of the board that is a party to the contract; **or**

(6) Beginning, January 1, 2012, the government entity issuing a valid certificate of license to teach in Missouri under section 168.011, shall at least one time each year provide the name and Social Security number of each certificate holder or applicant for certificate of a license to teach in Missouri to the director of revenue. The director of revenue shall at least one time each year check the status of each certificate holder or applicant for certificate of a license to teach in Missouri against a database developed by the director to determine if all state income tax returns have been filed and all state income taxes owed have been paid. If such certificate holder or applicant for certificate of a license to teach in Missouri is delinquent on any state taxes, or has failed to file state income tax returns in the last three years, the director shall then send notice to the certificate holder or applicant for certificate of a license to teach in Missouri and the department of elementary and secondary education. In the case of such delinquency or failure to file, the certificate holder's license shall be suspended within ninety days after notice of such delinquency or failure to file, and the applicant for certificate's license shall not be issued unless the director of revenue verifies that such certificate

holder or applicant for certificate has remedied such delinquency or failure or has made arrangements to achieve such remedy. The director of revenue shall, within ten business days of notification to the government entity issuing the certificate of license to teach, that the delinquency has been remedied or arrangements have been made to remedy such delinquency, and send written notification to the certificate holder or applicant for certificate that the delinquency has been remedied. Tax liability paid in protest or reasonably founded disputes with such liability shall be considered paid for the purposes of this section.

2. A public school district may file charges seeking the discipline of a holder of a certificate of license to teach based upon any cause or combination of causes outlined in subsection 1 of this section, including annulment of a written contract. Charges shall be in writing, specify the basis for the charges, and be signed by the chief administrative officer of the district, or by the president of the board of education as authorized by a majority of the board of education. The board of education may also petition the office of the attorney general to file charges on behalf of the school district for any cause other than annulment of contract, with acceptance of the petition at the discretion of the attorney general.

3. The department of elementary and secondary education may file charges seeking the discipline of a holder of a certificate of license to teach based upon any cause or combination of causes outlined in subsection 1 of this section, other than annulment of contract. Charges shall be in writing, specify the basis for the charges, and be signed by legal counsel representing the department of elementary and secondary education.

4. If the underlying conduct or actions which are the basis for charges filed pursuant to this section are also the subject of a pending criminal charge against the person holding such certificate, the certificate holder may request, in writing, a delayed hearing on advice of counsel under the fifth amendment of the Constitution of the United States. Based upon such a request, no hearing shall be held until after a trial has been completed on this criminal charge.

5. The certificate holder shall be given not less than thirty days' notice of any hearing held pursuant to this section.

6. Other provisions of this section notwithstanding, the certificate of license to teach shall be revoked or, in the case of an applicant, a certificate shall not be issued, if the certificate holder or applicant has pleaded guilty to or been found guilty of any of the following offenses established pursuant to Missouri law or offenses of a similar nature established under the laws of any other state or of the United States, or any other country, whether or not the sentence is imposed:

(1) Any dangerous felony as defined in section 556.061 or murder in the first degree;

(2) Any of the following sexual offenses: rape; statutory rape in the first degree; statutory rape in the second degree; sexual assault; forcible sodomy; statutory sodomy in the first degree; statutory sodomy in the second degree; child molestation in the first degree; child molestation in the second degree; deviate sexual assault; sexual misconduct involving a child; sexual misconduct in the first degree; sexual abuse; enticement of a child; or attempting to entice a child;

7. When a certificate holder pleads guilty or is found guilty of any offense that would authorize the state board of education to seek discipline against that holder's certificate of license to teach, the local board of education or the department of elementary and secondary education shall immediately provide written notice to the state board of education and the attorney general regarding the plea of guilty or finding of guilty.

8. The certificate holder whose certificate was revoked pursuant to subsection 6 of this section may appeal such revocation to the state board of education. Notice of this appeal must be received by the commissioner of education within ninety days of notice of revocation pursuant to this subsection. Failure of the certificate holder to notify the commissioner of the intent to appeal waives all rights to appeal the revocation. Upon notice of the certificate holder's intent to appeal, an appeal hearing shall be held by a hearing officer designated by the commissioner of education, with the final decision made by the state board of education, based upon the record of that hearing. The certificate holder shall be given not less than thirty days' notice of the hearing, and an opportunity to be heard by the hearing officer, together with witnesses.

9. In the case of any certificate holder who has surrendered or failed to renew his or her certificate of license to teach, the state board of education may refuse to issue or renew, or may suspend or revoke, such certificate for any of the reasons contained in this section.

10. In those cases where the charges filed pursuant to this section are based upon an allegation of misconduct involving a minor child, the hearing officer may accept into the record the sworn testimony of the minor child relating to the misconduct received in any court or administrative hearing.

11. Hearings, appeals or other matters involving certificate holders, licensees or applicants pursuant to this section may be informally resolved by consent agreement or agreed settlement or voluntary surrender of the certificate of license pursuant to the rules promulgated by the state board of education.

12. The final decision of the state board of education is subject to judicial review pursuant to sections 536.100 to 536.140.

13. A certificate of license to teach to an individual who has been convicted of a felony or crime involving moral turpitude, whether or not sentence is imposed, shall be issued only upon motion of the state board of education adopted by a unanimous affirmative vote of those members present and voting.” ; and

2. For purposes of this section:

The board may initiate a contested hearing to determine if reasonable cause exists to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances:**

(1) The board shall serve notice pursuant to section 536.067 of the contested hearing at least fifteen days prior to the hearing. Such notice shall include a statement of the reasons the board believes there is reasonable cause to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental, or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances;

(2) For purposes of this section and prior to any contested hearing, the board may, notwithstanding any other law limiting access to medical or other health data, obtain medical data and health records relating to the licensee or applicant without the licensee's or applicant's consent, upon issuance of a subpoena by the board. These data and records shall be admissible without further

authentication by either board or licensee at any hearing held pursuant to this section;

(3) After a contested hearing before the board, and upon a showing of reasonable cause to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental, or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances the board may require a licensee or applicant to submit to an examination. The board shall maintain a list of facilities approved to perform such examinations. The licensee or applicant may propose a facility not previously approved to the board and the board may accept such facility as an approved facility for such licensee or applicant by a majority vote;

(4) For purposes of this subsection, every licensee or applicant is deemed to have consented to an examination upon a showing of reasonable cause. The applicant or licensee shall be deemed to have waived all objections to the admissibility of testimony by the provider of the examination and to the admissibility of examination reports on the grounds that the provider of the examination's testimony or the examination is confidential or privileged;

(5) Written notice of the order for an examination shall be sent to the applicant or licensee by registered mail, addressed to the licensee or applicant at the licensee's or applicant's last known address on file with the board, or shall be personally served on the applicant or licensee. The order shall state the cause for the examination, how to obtain information about approved facilities, and a time limit for obtaining the examination. The licensee or applicant shall cause a report of the examination to be sent to the board;

(6) The licensee or applicant shall sign all necessary releases for the board to obtain and use the examination during a hearing and to disclose the recommendations of the examination as part of a disciplinary order;

(7) After receiving the report of the examination ordered in subdivision (3) of this subsection, the board may hold a contested hearing to determine if by clear and convincing evidence the licensee or applicant is unable to practice with reasonable skill or safety to the public by reasons of medical or osteopathic incompetency, reason of mental or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances. If the board finds that the licensee or applicant is unable to practice with reasonable skill or safety to the public by reasons of medical or osteopathic incompetency, reason of mental or physical incapacity, or excessive use or abuse of controlled substances, the board shall, after a hearing, enter an order imposing one or more of the disciplinary measures set forth in subsection 4 of section 334.100; and

(8) The provisions of chapter 536 for a contested case, except those provisions or amendments which are in conflict with this section, shall apply to and govern the proceedings contained in this subsection and the rights and duties of the parties involved. The person appealing such an action shall be entitled to present evidence under chapter 536 relevant to the allegations.

2. Failure to submit to the examination when directed shall be cause for the revocation of the license of the licensee or denial of the application. No license may be reinstated or application granted until such time as the examination is completed and delivered to the board or the board withdraws its order.

3. Neither the record of proceedings nor the orders entered by the board shall be used against a

licensee or applicant in any other proceeding, except for a proceeding in which the board or its members are a party or in a proceeding involving any state or federal agency.

4. A licensee or applicant whose right to practice has been affected under this section shall, at reasonable intervals not to exceed twelve months, be afforded an opportunity to demonstrate that he or she can resume the competent practice of his or her profession or should be granted a license. The board may hear such motion more often upon good cause shown.

5. The board shall promulgate rules and regulations to carry out the provisions of this section.

6. For purposes of this section, “examination” means a skills, multidisciplinary, or substance abuse evaluation.”; and

(3) Upon a finding that cause exists to discipline a licensee's license the board may impose any discipline otherwise available when disciplining licensees of that same profession.

8. A final decision of the administrative hearing commission or the board shall be subject to judicial review pursuant to chapter 536.”; and

Further amend said bill, Page 24, Section 334.103, Lines 1 to 18, by deleting all of said lines and inserting in lieu thereof the following:

“334.103. 1. A license issued under this chapter by the Missouri State Board of Registration for the Healing Arts shall be automatically revoked at such time as the final trial proceedings are concluded whereby a licensee has been adjudicated and found guilty, or has entered a plea of guilty or nolo contendere, in a felony criminal prosecution under the laws of the state of Missouri, the laws of any other state, or the laws of the United States of America for any offense reasonably related to the qualifications, functions or duties of their profession, or for any felony offense[, an essential element of which is] **involving** fraud, dishonesty or an act of violence, or for any felony offense involving moral turpitude, whether or not sentence is imposed, or, upon the final and unconditional revocation of the license to practice their profession in another state or territory upon grounds for which revocation is authorized in this state

following a review of the record of the proceedings and upon a formal motion of the state board of registration for the healing arts. The license of any such licensee shall be automatically reinstated if the conviction or the revocation is ultimately set aside upon final appeal in any court of competent jurisdiction.

2. Anyone who has been denied a license, permit or certificate to practice in another state shall automatically be denied a license to practice in this state. However, the board of healing arts may set up other qualifications by which such person may ultimately be qualified and licensed to practice in Missouri.”; and

Further amend said bill, Pages 24 and 25, Section 334.108, Lines 1 to 22, by deleting all of said lines and inserting in lieu thereof the following:

“334.108. 1. Prior to prescribing any drug, controlled substance, or other treatment through the internet, a physician shall establish a valid physician-patient relationship. This relationship shall include:

(1) Obtaining a reliable medical history and performing a physical examination of the patient, adequate to establish the diagnosis for which the drug is being prescribed and to identify underlying conditions or contraindications to the treatment recommended or provided;

(2) Having sufficient dialogue with the patient regarding treatment options and the risks and benefits of treatment or treatments;

(3) If appropriate, following up with the patient to assess the therapeutic outcome;

(4) Maintaining a contemporaneous medical record that is readily available to the patient and, subject to the patient's consent, to the patient's other health care professionals; and

(5) Including the electronic prescription information as part of the patient's medical record.

2. The requirements of subsection 1 of this section may be satisfied by the prescribing physician's designee when treatment is provided in:

(1) A hospital as defined in section 197.020;

(2) A hospice program as defined in section 197.250;

(3) Accordance with a collaborative practice agreement as defined in section 334.104;

(4) Conjunction with a physician assistant licensed pursuant to section 334.738;

(5) Consultation with another physician who has an ongoing physician-patient relationship with the patient, and who has agreed to supervise the patient's treatment, including use of any prescribed medications; or

(6) On-call or cross-coverage situations.”; and

Further amend said bill, Pages 25 to 27, Section 334.715, Lines 1 to 63, by deleting all of said lines and inserting in lieu thereof the following:

“334.715. 1. The board may refuse to issue or renew any license [any applicant or may suspend, revoke, or refuse to renew the license of any licensee for any one or any combination of the causes provided in section 334.100, or if the applicant or licensee] required under sections 334.700 to 334.725 for one or any combination of causes listed in subsection 2 of this section or any cause listed in section 334.100. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the

applicant of the applicant's right to file a complaint with the administrative hearing commission as provided in chapter 621. As an alternative to a refusal to issue or renew any certificate, registration, or authority, the board may, in its discretion, issue a license which is subject to reprimand, probation, restriction, or limitation to an applicant for licensure for any one or any combination of causes listed in subsection 2 of this section or section 334.100. The board's order of reprimand, probation, limitation, or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited, or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited, or restricted license seeking review of the board's determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered waived.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided in chapter 621 against any holder of a certificate of registration or authority, permit, or license required by sections 334.700 to 334.725 or any person who has failed to renew or has surrendered the person's certification of registration or license for any one or any combination of the following causes:

(1) Violated or conspired to violate any provision of sections 334.700 to 334.725 or any provision of any rule promulgated pursuant to sections 334.700 to 334.725; or

(2) Has been found guilty of unethical conduct as defined in the ethical standards of the National Athletic Trainers Association or the National Athletic Trainers Association Board of Certification, or its successor agency, as adopted and published by the committee and the board and filed with the secretary of state; or

(3) Any cause listed in section 334.100.

[2. Upon receipt of a written application made in the form and manner prescribed by the board, the board may reinstate any license which has expired, been suspended or been revoked or may issue any license which has been denied; provided, that no application for reinstatement or issuance of license or licensure shall be considered until at least six months have elapsed from the date of denial, expiration, suspension, or revocation when the license to be reinstated or issued was denied issuance or renewal or was suspended or revoked for one of the causes listed in subsection 1 of this section.]

3. After the filing of such complaint before the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the board may, singly or in combination:

(1) Warn, censure, or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed ten years; or

(2) Suspend the person's license, certificate, or permit for a period not to exceed three years; or

(3) Administer a public or private reprimand; or

(4) Deny the person's application for a license; or

(5) Permanently withhold issuance of a license or require the person to submit to the care, counseling, or treatment of physicians designated by the board at the expense of the individual to be examined; or

(6) Require the person to attend such continuing education courses and pass such examinations as the board may direct.

4. In any order of revocation, the board may provide that the person shall not apply for reinstatement of the person's license for a period of time ranging from two to seven years following the date of the order of revocation. All stay orders shall toll such time period.

5. Before restoring to good standing a license, certificate, or permit issued under this chapter which has been in a revoked, suspended, or inactive state for any cause for more than two years, the board may require the applicant to attend such continuing education courses and pass such examinations as the board may direct.”; and

Further amend said bill, Pages 33 and 34, Section 536.063, Lines 1 to 43, by deleting all of said lines and inserting in lieu thereof the following:

“536.063. In any contested case:

(1) The contested case shall be commenced by the filing of a writing by which the party or agency instituting the proceeding seeks such action as by law can be taken by the agency only after opportunity for hearing, or seeks a hearing for the purpose of obtaining a decision reviewable upon the record of the proceedings and evidence at such hearing, or upon such record and additional evidence, either by a court or by another agency. Answering, intervening and amendatory writings and motions may be filed in any case and shall be filed where required by rule of the agency, except that no answering instrument shall be required unless the notice of institution of the case states such requirement. Entries of appearance shall be permitted[.];

(2) Any writing filed whereby affirmative relief is sought shall state what relief is sought or proposed and the reason for granting it, and shall not consist merely of statements or charges phrased in the language of a statute or rule; provided, however, that this subdivision shall not apply when the writing is a notice of appeal as authorized by law[.];

(3) Reasonable opportunity shall be given for the preparation and presentation of evidence bearing on any issue raised or decided or relief sought or granted. Where issues are tried without objection or by consent, such issues shall be deemed to have been properly before the agency. Any formality of procedure may be waived by mutual consent[.];

(4) Every writing seeking relief or answering any other writing, and any motion shall state the name and address of the attorney, if any, filing it; otherwise the name and address of the party filing it[.];

(5) By rule the agency may require any party filing such a writing to furnish, in addition to the original of such writing, the number of copies required for the agency's own use and the number of copies necessary to enable the agency to comply with the provisions of this subdivision hereinafter set forth. The agency shall, without charge therefor, mail one copy of each such writing, as promptly as possible after it is filed, to every party or his **or her** attorney who has filed a writing or who has entered his **or her** appearance in the case, and who has not theretofore been furnished with a copy of such writing and shall have requested copies of the writings; provided that in any case where the parties are so numerous that the requirements

of this subdivision would be unduly onerous, the agency may in lieu thereof (a) notify all parties of the fact of the filing of such writing, and (b) permit any party to copy such writing[.];

(6) When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under section 536.067 upon a properly pled writing filed to initiate the contested case under this chapter, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. “Good cause” includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.”; and

Further amend said bill, Pages 34 and 35, Section 536.067, Lines 1 to 54, by deleting all of said lines and inserting in lieu thereof the following:

“536.067. In any contested case:

(1) The agency shall promptly mail a notice of institution of the case to all necessary parties, if any, and to all persons designated by the moving party and to any other persons to whom the agency may determine that notice should be given. The agency or its clerk or secretary shall keep a permanent record of the persons to whom such notice was sent and of the addresses to which sent and the time when sent. Where a contested case would affect the rights, privileges or duties of a large number of persons whose interests are sufficiently similar that they may be considered as a class, notice may in a proper case be given to a reasonable number thereof as representatives of such class. In any case where the name or address of any proper or designated party or person is not known to the agency, and where notice by publication is permitted by law, then notice by publication may be given in accordance with any rule or regulation of the agency or if there is no such rule or regulation, then, in a proper case, the agency may by a special order fix the time and manner of such publication[.];

(2) The notice of institution of the case to be mailed as provided in this section shall state in substance:

(a) The caption and number of the case;

(b) That a writing seeking relief has been filed in such case, the date it was filed, and the name of the party filing the same;

(c) A brief statement of the matter involved in the case unless a copy of the writing accompanies said notice;

(d) Whether an answer to the writing is required, and if so the date when it must be filed;

(e) That a copy of the writing may be obtained from the agency, giving the address to which application for such a copy may be made. This may be omitted if the notice is accompanied by a copy of such writing;

(f) The location in the Code of State Regulations of any rules of the agency regarding discovery or a statement that the agency shall send a copy of such rules on request;

(3) Unless the notice of hearing hereinafter provided for shall have been included in the notice of

institution of the case, the agency shall, as promptly as possible after the time and place of hearing have been determined, mail a notice of hearing to the moving party and to all persons and parties to whom a notice of institution of the case was required to be or was mailed, and also to any other persons who may thereafter have become or have been made parties to the proceeding. The notice of hearing shall state:

- (a) The caption and number of the case;
- (b) The time and place of hearing;

(4) No hearing in a contested case shall be had, except by consent, until a notice of hearing shall have been given substantially as provided in this section, and such notice shall in every case be given a reasonable time before the hearing. Such reasonable time shall be at least ten days except in cases where the public morals, health, safety or interest may make a shorter time reasonable; provided that when a longer time than ten days is prescribed by statute, no time shorter than that so prescribed shall be deemed reasonable;

(5) When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under this section upon a properly pled writing filed to initiate the contested case under this chapter, a default decision shall be entered against the holder of a license, registration, permit, or certificate of authority without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. “Good cause” includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.”; and

Further amend said bill, Pages 35 to 38, Section 536.070, Lines 1 to 93, by deleting all of said lines and inserting in lieu thereof the following:

“536.070. In any contested case:

(1) Oral evidence shall be taken only on oath or affirmation[.];

(2) Each party shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not the subject of the direct examination, to impeach any witness regardless of which party first called him **or her** to testify, and to rebut the evidence against him[.] **or her**;

(3) A party who does not testify in his **or her** own behalf may be called and examined as if under cross-examination[.];

(4) Each agency shall cause all proceedings in hearings before it to be suitably recorded and preserved. A copy of the transcript of such a proceeding shall be made available to any interested person upon the payment of a fee which shall in no case exceed the reasonable cost of preparation and supply[.];

(5) Records and documents of the agency which are to be considered in the case shall be offered in evidence so as to become a part of the record, the same as any other evidence, but the records and

documents may be considered as a part of the record by reference thereto when so offered[.];

(6) Agencies shall take official notice of all matters of which the courts take judicial notice. They may also take official notice of technical or scientific facts, not judicially cognizable, within their competence, if they notify the parties, either during a hearing or in writing before a hearing, or before findings are made after hearing, of the facts of which they propose to take such notice and give the parties reasonable opportunity to contest such facts or otherwise show that it would not be proper for the agency to take such notice of them[.];

(7) Evidence to which an objection is sustained shall, at the request of the party seeking to introduce the same, or at the instance of the agency, nevertheless be heard and preserved in the record, together with any cross-examination with respect thereto and any rebuttal thereof, unless it is wholly irrelevant, repetitious, privileged, or unduly long[.];

(8) Any evidence received without objection which has probative value shall be considered by the agency along with the other evidence in the case. The rules of privilege shall be effective to the same extent that they are now or may hereafter be in civil actions. Irrelevant and unduly repetitious evidence shall be excluded[.];

(9) Copies of writings, documents and records shall be admissible without proof that the originals thereof cannot be produced, if it shall appear by testimony or otherwise that the copy offered is a true copy of the original, but the agency may, nevertheless, if it believes the interests of justice so require, sustain any objection to such evidence which would be sustained were the proffered evidence offered in a civil action in the circuit court, but if it does sustain such an objection, it shall give the party offering such evidence reasonable opportunity and, if necessary, opportunity at a later date, to establish by evidence the facts sought to be proved by the evidence to which such objection is sustained[.];

(10) Any writing or record, whether in the form of an entry in a book or otherwise, made as a memorandum or record of an act, transaction, occurrence or event, shall be admissible as evidence of the act, transaction, occurrence or event, if it shall appear that it was made in the regular course of any business, and that it was the regular course of such business to make such memorandum or record at the time of such act, transaction, occurrence, or event or within a reasonable time thereafter. All other circumstances of the making of such writing or record, including lack of personal knowledge by the entrant or maker, may be shown to affect the weight of such evidence, but such showing shall not affect its admissibility. The term "business" shall include business, profession, occupation and calling of every kind[.];

(11) The results of statistical examinations or studies, or of audits, compilations of figures, or surveys, involving interviews with many persons, or examination of many records, or of long or complicated accounts, or of a large number of figures, or involving the ascertainment of many related facts, shall be admissible as evidence of such results, if it shall appear that such examination, study, audit, compilation of figures, or survey was made by or under the supervision of a witness, who is present at the hearing, who testifies to the accuracy of such results, and who is subject to cross-examination, and if it shall further appear by evidence adduced that the witness making or under whose supervision such examination, study, audit, compilation of figures, or survey was made was basically qualified to make it. All the circumstances relating to the making of such an examination, study, audit, compilation of figures or survey, including the nature and extent of the qualifications of the maker, may be shown to affect the weight of such evidence but such showing shall not affect its admissibility[.];

(12) Any party or the agency desiring to introduce an affidavit in evidence at a hearing in a contested

case may serve on all other parties (including, in a proper case, the agency) copies of such affidavit in the manner hereinafter provided, at any time before the hearing, or at such later time as may be stipulated. Not later than seven days after such service, or at such later time as may be stipulated, any other party (or, in a proper case, the agency) may serve on the party or the agency who served such affidavit an objection to the use of the affidavit or some designated portion or portions thereof on the ground that it is in the form of an affidavit; provided, however, that if such affidavit shall have been served less than eight days before the hearing such objection may be served at any time before the hearing or may be made orally at the hearing. If such objection is so served, the affidavit or the part thereof to which objection was made, may not be used except in ways that would have been permissible in the absence of this subdivision; provided, however, that such objection may be waived by the party or the agency making the same. Failure to serve an objection as aforesaid, based on the ground aforesaid, shall constitute a waiver of all objections to the introduction of such affidavit, or of the parts thereof with respect to which no such objection was so served, on the ground that it is in the form of an affidavit, or that it constitutes or contains hearsay evidence, or that it is not, or contains matters which are not, the best evidence, but any and all other objections may be made at the hearing. Nothing herein contained shall prevent the cross-examination of the affiant if he **or she** is present in obedience to a subpoena or otherwise and if he **or she** is present, he **or she** may be called for cross-examination during the case of the party who introduced the affidavit in evidence. If the affidavit is admissible in part only it shall be admitted as to such part, without the necessity of preparing a new affidavit. The manner of service of such affidavit and of such objection shall be by delivering or mailing copies thereof to the attorneys of record of the parties being served, if any, otherwise, to such parties, and service shall be deemed complete upon mailing; provided, however, that when the parties are so numerous as to make service of copies of the affidavit on all of them unduly onerous, the agency may make an order specifying on what parties service of copies of such affidavit shall be made, and in that case a copy of such affidavit shall be filed with the agency and kept available for inspection and copying. Nothing in this subdivision shall prevent any use of affidavits that would be proper in the absence of this subdivision.”; and

Further amend said bill, Pages 40 and 41, Section 621.045, Lines 1 to 72, by deleting all of said lines and inserting in lieu thereof the following:

“621.045. 1. The administrative hearing commission shall conduct hearings and make findings of fact and conclusions of law in those cases when, under the law, a license issued by any of the following agencies may be revoked or suspended or when the licensee may be placed on probation or when an agency refuses to permit an applicant to be examined upon his **or her** qualifications or refuses to issue or renew a license of an applicant who has passed an examination for licensure or who possesses the qualifications for licensure without examination:

2. If in the future there are created by law any new or additional administrative agencies which have the power to issue, revoke, suspend, or place on probation any license, then those agencies are under the provisions of this law.

3. The administrative hearing commission is authorized to conduct hearings and make findings of fact and conclusions of law in those cases brought by the Missouri state board for architects, professional engineers, professional land surveyors and landscape architects against unlicensed persons under section 327.076.

4. Notwithstanding any other provision of this section to the contrary, after August 28, 1995, in order to encourage settlement of disputes between any agency described in subsection 1 or 2 of this section and its licensees, any such agency shall:

(1) Provide the licensee with a written description of the specific conduct for which discipline is sought and a citation to the law and rules allegedly violated, together with copies of any documents which are the basis thereof and the agency's initial settlement offer, or file a contested case against the licensee;

(2) If no contested case has been filed against the licensee, allow the licensee at least sixty days, from the date of mailing, to consider the agency's initial settlement offer and to contact the agency to discuss the terms of such settlement offer;

(3) If no contested case has been filed against the licensee, advise the licensee that the licensee may, either at the time the settlement agreement is signed by all parties, or within fifteen days thereafter, submit the agreement to the administrative hearing commission for determination that the facts agreed to by the parties to the settlement constitute grounds for denying or disciplining the license of the licensee; and

(4) In any contact under this subsection by the agency or its counsel with a licensee who is not represented by counsel, advise the licensee that the licensee has the right to consult an attorney at the licensee's own expense.

5. If the licensee desires review by the administrative hearing commission under subdivision (3) of subsection 4 of this section at any time prior to the settlement becoming final, the licensee may rescind and

withdraw from the settlement and any admissions of fact or law in the agreement shall be deemed withdrawn and not admissible for any purposes under the law against the licensee. Any settlement submitted to the administrative hearing commission shall not be effective and final unless and until findings of fact and conclusions of law are entered by the administrative hearing commission that the facts agreed to by the parties to the settlement constitute grounds for denying or disciplining the license of the licensee.

6. When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under sections 536.067 and 621.100 upon a properly pled writing filed to initiate the contested case under this chapter or chapter 536, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. “Good cause” includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.”; and

Further amend said bill, Pages 42 and 43, Section 621.100, Lines 1 to 42, by deleting all of said lines and inserting in lieu thereof the following:

“621.100. 1. Upon receipt of a written complaint from an agency named in section 621.045 in a case relating to a holder of a license granted by such agency, or upon receipt of such complaint from the attorney general, the administrative hearing commission shall cause a copy of said complaint to be served upon such licensee in person, **or by leaving a copy of the complaint at the licensee's dwelling house or usual place of abode or last address given to the agency by the licensee with some person residing or present therein over the age of fifteen,** or by certified mail, together with a notice of the place of and the date upon which the hearing on said complaint will be held. If service cannot be accomplished [in person or by certified mail] **as described in this section,** notice by publication as described in subsection 3 of section 506.160 shall be allowed; any commissioner is authorized to act as a court or judge would in that section, and any employee of the commission is authorized to act as a clerk would in that section. In any case initiated upon complaint of the attorney general, the agency which issued the license shall be given notice of such complaint and the date upon which the hearing will be held by delivery of a copy of such complaint and notice to the office of such agency or by certified mail. Such agency may intervene and may retain the services of legal counsel to represent it in such case.

2. When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under this section and section 536.067 upon a properly pled writing filed to initiate the contested case under this chapter or chapter 536, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of

the default decision. “Good cause” includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

3. In any case initiated under this section, the custodian of the records of an agency may prepare a sworn affidavit stating truthfully pertinent information regarding the license status of the licensee charged in the complaint, including only: the name of the licensee; his **or her** license number; its designated date of expiration; the date of his **or her** original Missouri licensure; the particular profession, practice or privilege licensed; and the status of his **or her** license as current and active or otherwise. This affidavit shall be received as substantial and competent evidence of the facts stated therein notwithstanding any objection as to the form, manner of presentment or admissibility of this evidence, and shall create a rebuttable presumption of the veracity of the statements therein; provided, however, that the procedures specified in section 536.070 shall apply to the introduction of this affidavit in any case where the status of this license constitutes a material issue of fact in the proof of the cause charged in the complaint.”; and

Further amend said bill, Page 43, Section 621.110, Lines 1 to 22, by deleting all of said lines and inserting in lieu thereof the following:

“621.110. Upon a finding in any cause charged by the complaint for which the license may be suspended or revoked as provided in the statutes and regulations relating to the profession or vocation of the licensee **and within one hundred twenty days of the date the case became ready for decision**, the commission shall deliver or transmit by mail to the agency which issued the license the record and a transcript of the proceedings before the commission together with the commission's findings of fact and conclusions of law. The commission may make recommendations as to appropriate disciplinary action but any such recommendations shall not be binding upon the agency. A copy of the findings of fact, conclusions of law and the commission's recommendations, if any, shall be delivered or transmitted by mail to the licensee if the licensee's whereabouts are known, and to any attorney who represented the licensee. Within thirty days after receipt of the record of the proceedings before the commission and the findings of fact, conclusions of law, and recommendations, if any, of the commission, the agency shall set the matter for hearing upon the issue of appropriate disciplinary action and shall notify the licensee of the time and place of the hearing, provided that such hearing may be waived by consent of the agency and licensee where the commission has made recommendations as to appropriate disciplinary action. In case of such waiver by the agency and licensee, the recommendations of the commission shall become the order of the agency. The licensee may appear at said hearing and be represented by counsel. The agency may receive evidence relevant to said issue from the licensee or any other source. After such hearing the agency may order any disciplinary measure it deems appropriate and which is authorized by law. In any case where the commission fails to find any cause charged by the complaint for which the license may be suspended or revoked, the commission shall dismiss the complaint, and so notify all parties.”; and

Further amend said title, enacting clause and intersectional references accordingly.

2. The state board of education, in conjunction with the department of health and senior services, shall promulgate rules establishing the criteria for meeting the requirements of subsection 1 of this section, which may include, but are not limited to, forms or other proof of such examination, or other rules as are necessary for the enforcement of this section. The department shall review the dispensation information and, if there is reasonable cause to believe a violation of law or breach of professional standards may have occurred, the department shall notify the appropriate law enforcement or professional licensing, certification, or regulatory agency or entity, and provide dispensation information required for an investigation.

4. The department may provide data in the controlled substances dispensation monitoring program to the following persons:

(1) Persons, both in-state and out-of-state, authorized to prescribe or dispense controlled substances for the purpose of providing medical or pharmaceutical care for their patients;

(2) An individual who requests his or her own dispensation monitoring information in accordance with state law;

(3) The state board of pharmacy;

(4) Any state board charged with regulating a professional that has the authority to prescribe or dispense controlled substances that requests data related to a specific professional under the authority of that board;

(5) Local, state, and federal law enforcement or prosecutorial officials, both in-state and out-of-state engaged in the administration, investigation, or enforcement of the laws governing licit drugs based on a specific case and under a subpoena or court order;

(6) The family support division within the department of social services regarding Medicaid program recipients;

(7) A judge or other judicial authority under a subpoena or court order; and

(8) Authorized personnel of the department of health and senior services for the administration and enforcement of sections 195.450 to 195.480.

5. The department may provide data to public or private entities for statistical, research, or educational purposes after removing information that could be used to identify individual patients or persons who received dispensations from dispensers.

6. Nothing in sections 195.450 to 195.480 shall be construed to require a pharmacist or prescriber to obtain information about a patient from the database. A pharmacist or prescriber shall not be held liable for damages to any person in any civil action for injury, death, or loss to person or property on the basis that the pharmacist or prescriber did or did not seek or obtain information from the database.

195.459. The department is authorized to contract with any other agency of this state or with a

private vendor, as necessary, to ensure the effective operation of the prescription monitoring program. Any contractor shall comply with the provisions regarding confidentiality of prescription information in section 195.456.

195.462. The department shall promulgate rules setting forth the procedures and methods of implementing sections 195.450 to 195.480. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. Sections 195.450 to 195.480 and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2011, shall be invalid and void.

195.465. 1. A dispenser who knowingly fails to submit dispensation monitoring information to the department as required in sections 195.450 to 195.480 or knowingly submits the incorrect dispensation information is guilty of a class A misdemeanor.

2. A person authorized to have dispensation monitoring information under sections 195.450 to 195.480 who knowingly discloses such information in violation of sections 195.450 to 195.480 or who uses such information in a manner and for a purpose in violation of sections 195.450 to 195.480 is guilty of a class A misdemeanor.

195.468. 1. The department shall implement the following education courses:

(1) An orientation course during the implementation phase of the dispensation monitoring program established in section 195.453;

(2) A course for persons who are authorized to access the dispensation monitoring information but who did not participate in the orientation course;

(3) A course for persons who are authorized to access the dispensation monitoring information but who have violated laws or breached occupational standards involving dispensing, prescribing, and use of substances monitored by the dispensation monitoring program established in section 195.453;

When appropriate, the department shall develop the content of the education courses described in subdivisions (1) to (3) of this subsection.

2. The department shall, when appropriate:

195.471. The department of health and senior services shall develop and implement an electronic logbook to monitor the sale of schedule V controlled substances containing any detectable amount of pseudoephedrine. All pharmacists and registered pharmacy technicians shall submit their logbooks, as required under section 195.017, electronically in accordance with rules promulgated by the department.

195.474. 1. Beginning January 1, 2012, the bureau of narcotics and dangerous drugs within the department of health and senior services shall establish a two-year statewide pilot project for the reporting of fraudulently obtained prescription controlled substances. The pilot project shall include the following:

(1) Provide a toll-free number for reporting to the bureau by physicians, pharmacists, and other health care professionals with prescriptive authority who have reason to believe that a person is fraudulently attempting to obtain a prescription for a controlled substance or is attempting to obtain an excessive amount of a controlled substance by prescription;

(2) Establish a system within the bureau for receiving such reports under subdivision (1) of this subsection along with any evidence offered or submitted by the reporter which indicates the fraud; and

(3) Forward such reports, along with any evidence offered or submitted to the appropriate prosecuting attorney or the state attorney general for investigation and prosecution.

2. On or before February 1, 2013, and February 1, 2014, the bureau of narcotics and dangerous drugs shall submit a report to the general assembly detailing the following specifics regarding the pilot project:

(1) The number of reports received under this section;

(2) The type of evidence offered or submitted indicating the fraud;

(3) The number of referrals to the attorney general and each local prosecuting attorney;

(4) The number of cases investigated and prosecuted as a result of such reporting, and the number of convictions or pleas resulting from such investigations and prosecutions. The attorney general and local prosecuting attorneys shall cooperate with the bureau in the submission and collection of the information necessary for inclusion in the report; and

(5) Any recommendations regarding continuance of and improvements in the pilot project.

Nothing in this section shall be construed as authorizing the inclusion or release of any identifying information of any reporter or person who is identified as a person who is attempting to fraudulently obtain prescription controlled substances.

3. Any person who in good faith reports to the bureau under this section shall be immune from any civil or criminal liability as the result of such good faith reporting.

4. The department of health and senior services may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2011, shall be invalid and void.

5. The pilot project shall be funded from existing appropriations or with any moneys specifically appropriated for this pilot project. The lack of any additional new appropriations for this pilot

project shall not be sufficient cause for the department to fail to establish the pilot project under this section.

6. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset three years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

195.477. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under sections 195.450 to 195.480 shall automatically sunset six years after the effective date of sections 195.450 to 195.480 unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under sections 195.450 to 195.480 shall automatically sunset six years after the effective date of the reauthorization of sections 195.450 to 195.480; and

(3) Sections 195.450 to 195.480 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 195.450 to 195.480 is sunset.

195.480. The provisions of sections 195.450 to 195.480 shall be funded with federal or private grant moneys. If no federal or private grant moneys are available to implement the provisions of sections 195.450 to 195.480, the prescription drug monitoring act shall be implemented subject to appropriations.”; and

Further amend said bill, Page 27, Section 334.715, Line 63, by inserting after all of said line the following:

“334.747. 1. A physician assistant with a certificate of controlled substance prescriptive authority as provided in this section may prescribe any controlled substance listed in schedule III, IV, or V of section 195.017 when delegated the authority to prescribe controlled substances in a supervision agreement. 3. A physician assistant shall receive a certificate of controlled substance prescriptive authority from the board of healing arts upon verification of the completion of the following educational requirements:

One year of clinical rotations in a program accredited by the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA) or its predecessor agency, which includes pharmacotherapeutics as a component of its clinical training, shall satisfy such requirement. Proof of such training shall serve to document experience in the prescribing of drugs, medicines, and therapeutic devices;

(4) A physician assistant previously licensed in a jurisdiction where physician assistants are authorized to prescribe controlled substances may obtain a state bureau of narcotics and dangerous drugs registration if a supervising physician can attest that the physician assistant has met the requirements of subdivisions (1) to (3) of this subsection and provides documentation of existing federal Drug Enforcement Agency registration.”; and

2. At least fifty percent of the moneys appropriated for state aid to public libraries shall be apportioned to all public libraries established and maintained under the provisions of the library laws or other laws of the state relating to libraries. The allocation of the moneys shall be based on an equal per capita rate for the population of each city, village, town, township, urban public library district, county or consolidated library district in which any library is or may be established, in proportion to the population according to the latest federal census of the cities, villages, towns, townships, school districts, county or regional library districts maintaining public libraries primarily supported by public funds which are designed to serve the general public. No grant shall be made to any public library which is tax supported if the rate of tax levied or the appropriation for the library should be decreased below the rate in force on December 31, 1946, or on the date of its establishment. Grants shall be made to any public library if a public library tax of at least ten cents per one hundred dollars assessed valuation has been voted in accordance with sections 182.010 to 182.460 or as authorized in section 137.030 and is duly assessed and levied for the year preceding that in which the grant is made, or if the appropriation for the public library in any city of first class yields one dollar or more per capita for the previous year according to the population of the latest federal census or if the amount provided by the city for the public library, in any other city in which the library is not supported by a library tax, is at least equal to the amount of revenue which would be realized by a tax of ten cents per one hundred dollars assessed valuation if the library had been tax supported. Except that, no grant under this section shall be affected because of a reduction in the rate of levy which is required by the provisions of section 137.073, **or because of a voluntary reduction in the levy following the enactment of a district sales tax under section 182.802, if the proceeds from the sales tax equal or exceed the reduction in revenue from the levy.**

3. The librarian of the library together with the treasurer of the library or the treasurer of the city if there is no library treasurer shall certify to the state librarian the annual tax income and rate of tax or the appropriation for the library on the date of the enactment of this law, and of the current year, and each year thereafter, and the state librarian shall certify to the commissioner of administration the amount to be paid to each library.

4. The balance of the moneys shall be administered and supervised by the state librarian who may provide grants to public libraries for:

The tax authorized in this section shall not exceed one-half of one cent, and shall be imposed solely for the purpose of funding the operation and maintenance of public libraries within the boundaries of the district. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the calendar quarter immediately following the adoption of the sales tax. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

5. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

6. 7. If the tax is repealed or terminated by any means, all remaining revenues generated from the sales tax shall continue to be used solely for the designated purposes, and the board of directors shall retain for a period of one year two percent of the amount collected after the repeal or termination to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts.”; and

Section 353**; receipt, transmission, or handling of such orders or facilitating the dispensing of such orders; the designing, initiating, implementing, and monitoring of a medication therapeutic plan as defined by the prescription order so long as the prescription order is specific to each patient for care by a pharmacist; the compounding, dispensing, labeling, and administration of drugs and devices pursuant to medical prescription orders and administration of viral influenza, pneumonia, shingles and meningitis vaccines by written protocol authorized by a physician for persons twelve years of age or older as authorized by rule or the administration of pneumonia, shingles, and meningitis vaccines by written protocol authorized by a physician for a specific patient as authorized by rule; the participation in drug selection according to state law and participation in drug utilization reviews; the proper and safe storage of drugs and devices and the maintenance of proper records thereof; consultation with patients and other health care practitioners, **and veterinarians and their clients about legend drugs**, about the safe and effective use of drugs and devices; and the offering or performing of those acts, services, operations, or transactions necessary in the conduct, operation, management and control of a pharmacy. No person shall engage in the practice of pharmacy unless he is licensed under the provisions of this chapter. This chapter shall not be construed to prohibit the use of auxiliary personnel under the direct supervision of a pharmacist from assisting the pharmacist in any of his **or her** duties. This assistance in no way is intended to relieve the pharmacist from his **or her** responsibilities for compliance with this chapter and he **or she** will be responsible for the actions of the auxiliary personnel acting in his **or her** assistance. This chapter shall also not be construed to prohibit or interfere with any legally registered practitioner of medicine, dentistry, **or** podiatry, or veterinary medicine **only for use in animals**, or the practice of optometry in accordance with and as provided in sections 195.070 and 336.220 in the compounding, **administering, prescribing**, or dispensing of his **or her** own prescriptions.

2. Any pharmacist who accepts a prescription order for a medication therapeutic plan shall have a written protocol from the physician who refers the patient for medication therapy services. The written protocol and the prescription order for a medication therapeutic plan shall come from the physician only, and shall not come from a nurse engaged in a collaborative practice arrangement under section 334.104, or from a physician assistant engaged in a supervision agreement under section 334.735.

3. Nothing in this section shall be construed as to prevent any person, firm or corporation from owning a pharmacy regulated by sections 338.210 to 338.315, provided that a licensed pharmacist is in charge of such pharmacy.

4. Nothing in this section shall be construed to apply to or interfere with the sale of nonprescription drugs and the ordinary household remedies and such drugs or medicines as are normally sold by those engaged in the sale of general merchandise.

5. No health carrier as defined in chapter 376 shall require any physician with which they contract to enter into a written protocol with a pharmacist for medication therapeutic services.

6. This section shall not be construed to allow a pharmacist to diagnose or independently prescribe pharmaceuticals.

7. The state board of registration for the healing arts, under section 334.125, and the state board of pharmacy, under section 338.140, shall jointly promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Such rules shall require protocols to include provisions allowing for timely communication between the pharmacist and the referring physician, and any other patient protection provisions deemed appropriate by both boards. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither board shall separately promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

Any pharmacist who has received a certificate of medication therapeutic plan authority may engage in the designing, initiating, implementing, and monitoring of a medication therapeutic plan as defined by a prescription order from a physician that is specific to each patient for care by a pharmacist.

If he maintains more than one office in this state, the board shall without additional fee issue to him duplicate certificates of registration for each office so maintained.] If any registrant shall change the location of his **or her** office during the period for which any certificate of registration has been issued, [he] **the registrant** shall, within fifteen days thereafter, notify the board of such change [and it shall issue to him without additional fee a new registration certificate showing the new location].

334.090. 1. Each applicant for registration under this chapter shall accompany the application for registration with a registration fee to be paid to the [director of revenue] **board**. If the application is filed and the fee paid after the registration renewal date, a delinquent fee shall be paid; but whenever in the opinion of the board the applicant's failure to register is caused by extenuating circumstances including illness of the applicant, as defined by rule and regulation, the delinquent fee may be waived by the board. Whenever any new license is granted to any person under the provisions of this chapter, the board shall, upon application therefor, issue to such licensee a certificate of registration covering a period from the date of the issuance of the license to the next renewal date without the payment of any registration fee.

2. The board shall set the amount of the fees which this chapter authorizes and requires by rules and regulations promulgated pursuant to section 536.021. The fees shall be set at a level to produce revenue which shall not substantially exceed the cost and expense of administering this chapter.

334.099. 1. The board may initiate a contested hearing to determine if reasonable cause exists to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances:

(1) The board shall serve notice pursuant to section 536.067 of the contested hearing at least fifteen days prior to the hearing. Such notice shall include a statement of the reasons the board believes there is reasonable cause to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental, or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances;

(2) For purposes of this section and prior to any contested hearing, the board may, notwithstanding any other law limiting access to medical or other health data, obtain medical data and health records relating to the licensee or applicant without the licensee's or applicant's consent, upon issuance of a subpoena by the board. These data and records shall be admissible without further authentication by either board or licensee at any hearing held pursuant to this section;

(3) After a contested hearing before the board, and upon a showing of reasonable cause to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental, or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances the board may require a licensee or applicant to submit to an examination. The board shall maintain a list of facilities approved to perform such examinations. The licensee or applicant may propose a facility not previously approved to the board and the board may accept such facility as an approved facility for such licensee or applicant by a majority vote;

(4) For purposes of this subsection, every licensee or applicant is deemed to have consented to an examination upon a showing of reasonable cause. The applicant or licensee shall be deemed to have waived all objections to the admissibility of testimony by the provider of the examination and to the admissibility of examination reports on the grounds that the provider of the examination's testimony or the examination is confidential or privileged;

(5) Written notice of the order for an examination shall be sent to the applicant or licensee by registered mail, addressed to the licensee or applicant at the licensee's or applicant's last known address on file with the board, or shall be personally served on the applicant or licensee. The order shall state the cause for the examination, how to obtain information about approved facilities, and a time limit for obtaining the examination. The licensee or applicant shall cause a report of the examination to be sent to the board;

(6) The licensee or applicant shall sign all necessary releases for the board to obtain and use the examination during a hearing and to disclose the recommendations of the examination as part of a disciplinary order;

(7) After receiving the report of the examination ordered in subdivision (3) of this subsection, the board may hold a contested hearing to determine if by clear and convincing evidence the licensee or applicant is unable to practice with reasonable skill or safety to the public by reasons of medical or osteopathic incompetency, reason of mental or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances. If the board finds that the licensee or applicant is unable to practice with reasonable skill or safety to the public by reasons of medical or osteopathic incompetency, reason of mental or physical incapacity, or excessive use or abuse of controlled substances, the board shall, after a hearing, enter an order imposing one or more of the disciplinary measures set forth in subsection 4 of section 334.100; and

(8) The provisions of chapter 536 for a contested case, except those provisions or amendments which are in conflict with this section, shall apply to and govern the proceedings contained in this subsection and the rights and duties of the parties involved. The person appealing such an action shall be entitled to present evidence under chapter 536 relevant to the allegations.

2. Failure to submit to the examination when directed shall be cause for the revocation of the license of the licensee or denial of the application. No license may be reinstated or application granted until such time as the examination is completed and delivered to the board or the board withdraws its order.

3. Neither the record of proceedings nor the orders entered by the board shall be used against a licensee or applicant in any other proceeding, except for a proceeding in which the board or its members are a party or in a proceeding involving any state or federal agency.

4. A licensee or applicant whose right to practice has been affected under this section shall, at reasonable intervals not to exceed twelve months, be afforded an opportunity to demonstrate that he or she can resume the competent practice of his or her profession or should be granted a license. The board may hear such motion more often upon good cause shown.

5. The board shall promulgate rules and regulations to carry out the provisions of this section.

6. For purposes of this section, “examination” means a skills, multidisciplinary, or substance abuse evaluation.

334.100. 1. The board may refuse to issue or renew any certificate of registration or authority, permit or license required pursuant to this chapter for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of the applicant’s right to file a complaint with the administrative hearing commission as provided by chapter 621. As an alternative to a refusal to issue or renew any certificate, registration or authority, the board may, at its discretion, issue a license which is subject to probation, restriction or limitation to an applicant for licensure for any one or any combination of causes stated in subsection 2 of this section. The board’s order of probation, limitation or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited or restricted license seeking review of the board’s determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board’s decision shall be considered as waived.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered the person’s certificate of registration or authority, permit or license for any one or any combination of the following causes:

6. 7. In any investigation, hearing or other proceeding to determine a licensee's or applicant's fitness to practice, any record relating to any patient of the licensee or applicant shall be discoverable by the board and admissible into evidence, regardless of any statutory or common law privilege which such licensee, applicant, record custodian or patient might otherwise invoke. (2) A licensee is practicing, attempting or intending to practice in Missouri; and

(3) Either a licensee is unable by reason of any physical or mental condition to receive and evaluate information or to communicate decisions to the extent that the licensee's condition or actions significantly affect the licensee's ability to practice, or another state, territory, federal agency or country has issued an order suspending or restricting the holder of a license or other right to practice a profession regulated by this chapter, or the licensee has engaged in repeated acts of life-threatening negligence as defined in subsection 2 of section 334.100; and

The administrative hearing commission shall grant a licensee's request for a continuance of the preliminary hearing; however, the board's order shall remain in full force and effect until the preliminary hearing, which shall be held not later than forty-five days after service of the documents required in subdivision (2) of subsection 3.

5. At the preliminary hearing, the administrative hearing commission shall receive into evidence all information certified by the board and shall only hear evidence on the issue of whether the board's order of suspension or restriction should be terminated or modified. Within one hour after the preliminary hearing,

the administrative hearing commission shall issue its oral or written preliminary order, with or without findings of fact and conclusions of law, that either adopts, terminates or modifies the board's order. The administrative hearing commission shall reduce to writing any oral preliminary order within five business days, but the effective date of the order shall be the date orally issued.

6. The preliminary order of the administrative hearing commission shall become a final order and shall remain in effect for three years unless either party files a request for a full hearing on the merits of the complaint filed by the board within thirty days from the date of the issuance of the preliminary order of the administrative hearing commission.

7. Upon receipt of a request for full hearing, the administrative hearing commission shall set a date for hearing and notify the parties in writing of the time and place of the hearing. If a request for full hearing is timely filed, the preliminary order of the administrative hearing commission shall remain in effect until the administrative hearing commission enters an order terminating, modifying, or dismissing its preliminary order or until the board issues an order of discipline following its consideration of the decision of the administrative hearing commission pursuant to section 621.110 and subsection 3 of section 334.100.

9. Notwithstanding the provisions of this chapter or chapter 610 or chapter 621 to the contrary, the proceedings under this section shall be closed and no order shall be made public until it is final, for purposes of appeal.

(1) Engaging in sexual conduct, as defined in section 566.010, with a patient who is not the licensee's spouse, regardless of whether the patient consented;

(2) Engaging in sexual misconduct with a minor or person the licensee believes to be a minor. "Sexual misconduct" means any conduct of a sexual nature which would be illegal under state or federal law;

(7) A report from a board approved facility or a professional health program stating the licensee is not fit to practice. For purposes of this section, a licensee is deemed to have waived all objections to the admissibility of testimony from the provider of the examination and admissibility of the

examination reports. The licensee shall sign all necessary releases for the board to obtain and use the examination during a hearing; or

(8) Any conduct for which the board may discipline that constitutes a serious danger to the health, safety, or welfare of a patient or the public.

3. Within five days of the board's filing of the complaint, the administrative hearing commission shall review the information submitted by the board and the licensee and shall determine based on that information if probable cause exists pursuant to subsection 1 of this section and shall issue its findings of fact and conclusions of law. If the administrative hearing commission finds that there is probable cause, the administrative hearing commission shall enter the order requested by the board. The order shall be effective upon personal service or by leaving a copy at all of the licensee's current addresses on file with the board.

4. The administrative hearing commission shall hold a hearing within forty-five days of the board's filing of the complaint to determine if cause for discipline exists. (1) If no cause for discipline exists, the administrative hearing commission shall issue findings of fact, conclusions of law, and an order terminating the emergency suspension or restriction.

(2) If cause for discipline exists, the administrative hearing commission shall issue findings of fact and conclusions of law and order the emergency suspension or restriction to remain in full force and effect pending a disciplinary hearing before the board. The board shall hold a hearing following the certification of the record by the administrative hearing commission and may impose any discipline otherwise authorized by state law.

6. Any action under this section shall be in addition to and not in lieu of any discipline otherwise in the board's power to impose and may be brought concurrently with other actions.

7. If the administrative hearing commission does not find probable cause and does not grant the emergency suspension or restriction, the board shall remove all reference to such emergency suspension or restriction from its public records. Records relating to the suspension or restriction

shall be maintained in the board's files. The board or licensee may use such records in the course of any litigation to which they are both parties. Additionally, such records may be released upon a specific, written request of the licensee.

8. (1) The board may initiate a hearing before the board, for discipline of any licensee's license or certificate upon receipt of one of the following:

(a) Certified court records of a finding of guilt or plea of guilty or nolo contendere in a criminal prosecution under the laws of any state or of the United States for any offense involving the qualifications, functions, or duties of any profession licensed or regulated under this chapter, for any offense involving fraud, dishonesty, or an act of violence, or for any offense involving moral turpitude, whether or not sentence is imposed;

(b) Evidence of final disciplinary action against the licensee's license, certification or registration issued by any other state, by any other agency or entity of this state or any other state or the United States or its territories, or any other country;

(c) Evidence of certified court records finding the licensee has been judged incapacitated or disabled under Missouri law or under the laws of any other state or of the United States or its territories.

(2) The board shall provide the licensee not less than ten days notice of any hearing held pursuant to chapter 536.

(3) Upon a finding that cause exists to discipline a licensee's license the board may impose any discipline otherwise available when disciplining licensees of that same profession.

9. A final decision of the administrative hearing commission or the board shall be subject to judicial review pursuant to chapter 536.

334.103. 1. A license issued under this chapter by the Missouri State Board of Registration for the Healing Arts shall be automatically revoked at such time as the final trial proceedings are concluded whereby a licensee has been adjudicated and found guilty, or has entered a plea of guilty or nolo contendere, in a felony criminal prosecution under the laws of the state of Missouri, the laws of any other state, or the laws of the United States of America for any offense reasonably related to the qualifications, functions or duties of their profession, or for any felony offense[, an essential element of which is] **involving** fraud, dishonesty or an act of violence, or for any felony offense involving moral turpitude, whether or not sentence is imposed, or, upon the final and unconditional revocation of the license to practice their profession in another state or territory upon grounds for which revocation is authorized in this state following a review of the record of the proceedings and upon a formal motion of the state board of registration for the healing arts. The license of any such licensee shall be automatically reinstated if the conviction or the revocation is ultimately set aside upon final appeal in any court of competent jurisdiction.

2. Anyone who has been denied a license, permit or certificate to practice in another state shall automatically be denied a license to practice in this state. However, the board of healing arts may set up other qualifications by which such person may ultimately be qualified and licensed to practice in Missouri.

334.108. 1. Prior to prescribing any drug, controlled substance, or other treatment through the internet, a physician shall establish a valid physician-patient relationship. This relationship shall include:

(1) Obtaining a reliable medical history and performing a physical examination of the patient, adequate to establish the diagnosis for which the drug is being prescribed and to identify underlying conditions or contraindications to the treatment recommended or provided;

(2) Having sufficient dialogue with the patient regarding treatment options and the risks and benefits of treatment or treatments;

(3) If appropriate, following up with the patient to assess the therapeutic outcome;

(4) Maintaining a contemporaneous medical record that is readily available to the patient and, subject to the patient's consent, to the patient's other health care professionals; and

(5) Including the electronic prescription information as part of the patient's medical record.

2. The requirements of subsection 1 of this section may be satisfied by the prescribing physician's designee when treatment is provided in:

(1) A hospital as defined in section 197.020;

(2) A hospice program as defined in section 197.250;

(3) Home health services provided by a home health agency as defined in section 197.400;

(4) Accordance with a collaborative practice agreement as defined in section 334.104;

(5) Conjunction with a physician assistant licensed pursuant to section 334.738;

(6) Consultation with another physician who has an ongoing physician-patient relationship with the patient, and who has agreed to supervise the patient's treatment, including use of any prescribed medications; or

(7) On-call or cross-coverage situations.

334.715. 1. The board may refuse to **issue or renew any** license [any applicant or may suspend, revoke, or refuse to renew the license of any licensee for any one or any combination of the causes provided in section 334.100, or if the applicant or licensee] **required under sections 334.700 to 334.725 for one or any combination of causes listed in subsection 2 of this section or any cause listed in section 334.100.** The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of the applicant's right to file a complaint with the administrative hearing commission as provided in chapter 621. As an alternative to a refusal to issue or renew any certificate, registration, or authority, the board may, in its discretion, issue a license which is subject to reprimand, probation, restriction, or limitation to an applicant for licensure for any one or any combination of causes listed in subsection 2 of this section or section 334.100. The board's order of reprimand, probation, limitation, or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited, or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited, or restricted license seeking review of the board's determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered waived.

2. The board may cause a complaint to be filed with the administrative hearing commission as

provided in chapter 621 against any holder of a certificate of registration or authority, permit, or license required by sections 334.700 to 334.725 or any person who has failed to renew or has surrendered the person's certification of registration or license for any one or any combination of the following causes:

(1) Violated or conspired to violate any provision of sections 334.700 to 334.725 or any provision of any rule promulgated pursuant to sections 334.700 to 334.725; or

(2) Has been found guilty of unethical conduct as defined in the ethical standards of the National Athletic Trainers Association or the National Athletic Trainers Association Board of Certification, or its successor agency, as adopted and published by the committee and the board and filed with the secretary of state; or

(3) Any cause listed in section 334.100.

[2. Upon receipt of a written application made in the form and manner prescribed by the board, the board may reinstate any license which has expired, been suspended or been revoked or may issue any license which has been denied; provided, that no application for reinstatement or issuance of license or licensure shall be considered until at least six months have elapsed from the date of denial, expiration, suspension, or revocation when the license to be reinstated or issued was denied issuance or renewal or was suspended or revoked for one of the causes listed in subsection 1 of this section.]

3. After the filing of such complaint before the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the board may, singly or in combination:

(1) Warn, censure, or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed ten years; or

(2) Suspend the person's license, certificate, or permit for a period not to exceed three years; or

(3) Administer a public or private reprimand; or

(4) Deny the person's application for a license; or

(5) Permanently withhold issuance of a license or require the person to submit to the care, counseling, or treatment of physicians designated by the board at the expense of the individual to be examined; or

(6) Require the person to attend such continuing education courses and pass such examinations as the board may direct.

4. In any order of revocation, the board may provide that the person shall not apply for reinstatement of the person's license for a period of time ranging from two to seven years following the date of the order of revocation. All stay orders shall toll such time period.

5. Before restoring to good standing a license, certificate, or permit issued under this chapter which has been in a revoked, suspended, or inactive state for any cause for more than two years, the board may require the applicant to attend such continuing education courses and pass such examinations as the board may direct.”; and

Further amend said bill, page 22, section 436.456, line 1, by inserting after all of said line the following:

“536.063. In any contested case:

(1) The contested case shall be commenced by the filing of a writing by which the party or agency instituting the proceeding seeks such action as by law can be taken by the agency only after opportunity for hearing, or seeks a hearing for the purpose of obtaining a decision reviewable upon the record of the proceedings and evidence at such hearing, or upon such record and additional evidence, either by a court or by another agency. Answering, intervening and amendatory writings and motions may be filed in any case and shall be filed where required by rule of the agency, except that no answering instrument shall be required unless the notice of institution of the case states such requirement. Entries of appearance shall be permitted[.];

(2) Any writing filed whereby affirmative relief is sought shall state what relief is sought or proposed and the reason for granting it, and shall not consist merely of statements or charges phrased in the language of a statute or rule; provided, however, that this subdivision shall not apply when the writing is a notice of appeal as authorized by law[.];

(3) Reasonable opportunity shall be given for the preparation and presentation of evidence bearing on any issue raised or decided or relief sought or granted. Where issues are tried without objection or by consent, such issues shall be deemed to have been properly before the agency. Any formality of procedure may be waived by mutual consent[.];

(4) Every writing seeking relief or answering any other writing, and any motion shall state the name and address of the attorney, if any, filing it; otherwise the name and address of the party filing it[.];

(5) By rule the agency may require any party filing such a writing to furnish, in addition to the original of such writing, the number of copies required for the agency’s own use and the number of copies necessary to enable the agency to comply with the provisions of this subdivision hereinafter set forth. The agency shall, without charge therefor, mail one copy of each such writing, as promptly as possible after it is filed, to every party or his **or her** attorney who has filed a writing or who has entered his **or her** appearance in the case, and who has not theretofore been furnished with a copy of such writing and shall have requested copies of the writings; provided that in any case where the parties are so numerous that the requirements of this subdivision would be unduly onerous, the agency may in lieu thereof (a) notify all parties of the fact of the filing of such writing, and (b) permit any party to copy such writing[.];

(6) When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under section 536.067 upon a properly pled writing filed to initiate the contested case under this chapter, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. “Good cause” includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

536.067. In any contested case:

(1) The agency shall promptly mail a notice of institution of the case to all necessary parties, if any, and to all persons designated by the moving party and to any other persons to whom the agency may determine that notice should be given. The agency or its clerk or secretary shall keep a permanent record of the persons to whom such notice was sent and of the addresses to which sent and the time when sent. Where a contested case would affect the rights, privileges or duties of a large number of persons whose interests are sufficiently similar that they may be considered as a class, notice may in a proper case be given to a reasonable number thereof as representatives of such class. In any case where the name or address of any proper or designated party or person is not known to the agency, and where notice by publication is permitted by law, then notice by publication may be given in accordance with any rule or regulation of the agency or if there is no such rule or regulation, then, in a proper case, the agency may by a special order fix the time and manner of such publication[.];

(2) The notice of institution of the case to be mailed as provided in this section shall state in substance:

(a) The caption and number of the case;

(b) That a writing seeking relief has been filed in such case, the date it was filed, and the name of the party filing the same;

(c) A brief statement of the matter involved in the case unless a copy of the writing accompanies said notice;

(d) Whether an answer to the writing is required, and if so the date when it must be filed;

(e) That a copy of the writing may be obtained from the agency, giving the address to which application for such a copy may be made. This may be omitted if the notice is accompanied by a copy of such writing;

(f) The location in the Code of State Regulations of any rules of the agency regarding discovery or a statement that the agency shall send a copy of such rules on request;

(3) Unless the notice of hearing hereinafter provided for shall have been included in the notice of institution of the case, the agency shall, as promptly as possible after the time and place of hearing have been determined, mail a notice of hearing to the moving party and to all persons and parties to whom a notice of institution of the case was required to be or was mailed, and also to any other persons who may thereafter have become or have been made parties to the proceeding. The notice of hearing shall state:

(a) The caption and number of the case;

(b) The time and place of hearing;

(4) No hearing in a contested case shall be had, except by consent, until a notice of hearing shall have been given substantially as provided in this section, and such notice shall in every case be given a reasonable time before the hearing. Such reasonable time shall be at least ten days except in cases where the public morals, health, safety or interest may make a shorter time reasonable; provided that when a longer time than ten days is prescribed by statute, no time shorter than that so prescribed shall be deemed reasonable;

(5) When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under this section upon a properly pled writing filed to initiate the contested case under this chapter, a default decision shall

be entered against the holder of a license, registration, permit, or certificate of authority without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. "Good cause" includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

536.070. In any contested case:

(1) Oral evidence shall be taken only on oath or affirmation[.];

(2) Each party shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not the subject of the direct examination, to impeach any witness regardless of which party first called him **or her** to testify, and to rebut the evidence against him[.] **or her**;

(3) A party who does not testify in his **or her** own behalf may be called and examined as if under cross-examination[.];

(4) Each agency shall cause all proceedings in hearings before it to be suitably recorded and preserved. A copy of the transcript of such a proceeding shall be made available to any interested person upon the payment of a fee which shall in no case exceed the reasonable cost of preparation and supply[.];

(5) Records and documents of the agency which are to be considered in the case shall be offered in evidence so as to become a part of the record, the same as any other evidence, but the records and documents may be considered as a part of the record by reference thereto when so offered[.];

(6) Agencies shall take official notice of all matters of which the courts take judicial notice. They may also take official notice of technical or scientific facts, not judicially cognizable, within their competence, if they notify the parties, either during a hearing or in writing before a hearing, or before findings are made after hearing, of the facts of which they propose to take such notice and give the parties reasonable opportunity to contest such facts or otherwise show that it would not be proper for the agency to take such notice of them[.];

(7) Evidence to which an objection is sustained shall, at the request of the party seeking to introduce the same, or at the instance of the agency, nevertheless be heard and preserved in the record, together with any cross-examination with respect thereto and any rebuttal thereof, unless it is wholly irrelevant, repetitious, privileged, or unduly long[.];

(8) Any evidence received without objection which has probative value shall be considered by the agency along with the other evidence in the case. The rules of privilege shall be effective to the same extent that they are now or may hereafter be in civil actions. Irrelevant and unduly repetitious evidence shall be excluded[.];

(9) Copies of writings, documents and records shall be admissible without proof that the originals thereof cannot be produced, if it shall appear by testimony or otherwise that the copy offered is a true copy of the original, but the agency may, nevertheless, if it believes the interests of justice so require, sustain any objection to such evidence which would be sustained were the proffered evidence offered in a civil action

in the circuit court, but if it does sustain such an objection, it shall give the party offering such evidence reasonable opportunity and, if necessary, opportunity at a later date, to establish by evidence the facts sought to be proved by the evidence to which such objection is sustained[.];

(10) Any writing or record, whether in the form of an entry in a book or otherwise, made as a memorandum or record of an act, transaction, occurrence or event, shall be admissible as evidence of the act, transaction, occurrence or event, if it shall appear that it was made in the regular course of any business, and that it was the regular course of such business to make such memorandum or record at the time of such act, transaction, occurrence, or event or within a reasonable time thereafter. All other circumstances of the making of such writing or record, including lack of personal knowledge by the entrant or maker, may be shown to affect the weight of such evidence, but such showing shall not affect its admissibility. The term “business” shall include business, profession, occupation and calling of every kind[.];

(11) The results of statistical examinations or studies, or of audits, compilations of figures, or surveys, involving interviews with many persons, or examination of many records, or of long or complicated accounts, or of a large number of figures, or involving the ascertainment of many related facts, shall be admissible as evidence of such results, if it shall appear that such examination, study, audit, compilation of figures, or survey was made by or under the supervision of a witness, who is present at the hearing, who testifies to the accuracy of such results, and who is subject to cross-examination, and if it shall further appear by evidence adduced that the witness making or under whose supervision such examination, study, audit, compilation of figures, or survey was made was basically qualified to make it. All the circumstances relating to the making of such an examination, study, audit, compilation of figures or survey, including the nature and extent of the qualifications of the maker, may be shown to affect the weight of such evidence but such showing shall not affect its admissibility[.];

(12) Any party or the agency desiring to introduce an affidavit in evidence at a hearing in a contested case may serve on all other parties (including, in a proper case, the agency) copies of such affidavit in the manner hereinafter provided, at any time before the hearing, or at such later time as may be stipulated. Not later than seven days after such service, or at such later time as may be stipulated, any other party (or, in a proper case, the agency) may serve on the party or the agency who served such affidavit an objection to the use of the affidavit or some designated portion or portions thereof on the ground that it is in the form of an affidavit; provided, however, that if such affidavit shall have been served less than eight days before the hearing such objection may be served at any time before the hearing or may be made orally at the hearing. If such objection is so served, the affidavit or the part thereof to which objection was made, may not be used except in ways that would have been permissible in the absence of this subdivision; provided, however, that such objection may be waived by the party or the agency making the same. Failure to serve an objection as aforesaid, based on the ground aforesaid, shall constitute a waiver of all objections to the introduction of such affidavit, or of the parts thereof with respect to which no such objection was so served, on the ground that it is in the form of an affidavit, or that it constitutes or contains hearsay evidence, or that it is not, or contains matters which are not, the best evidence, but any and all other objections may be made at the hearing. Nothing herein contained shall prevent the cross-examination of the affiant if he **or she** is present in obedience to a subpoena or otherwise and if he **or she** is present, he **or she** may be called for cross-examination during the case of the party who introduced the affidavit in evidence. If the affidavit is admissible in part only it shall be admitted as to such part, without the necessity of preparing a new affidavit. The manner of service of such affidavit and of such objection shall be by delivering or mailing copies thereof to the attorneys of record of the parties being served, if any, otherwise, to such parties, and

service shall be deemed complete upon mailing; provided, however, that when the parties are so numerous as to make service of copies of the affidavit on all of them unduly onerous, the agency may make an order specifying on what parties service of copies of such affidavit shall be made, and in that case a copy of such affidavit shall be filed with the agency and kept available for inspection and copying. Nothing in this subdivision shall prevent any use of affidavits that would be proper in the absence of this subdivision.”; and

“621.045. 1. The administrative hearing commission shall conduct hearings and make findings of fact and conclusions of law in those cases when, under the law, a license issued by any of the following agencies may be revoked or suspended or when the licensee may be placed on probation or when an agency refuses to permit an applicant to be examined upon his **or her** qualifications or refuses to issue or renew a license of an applicant who has passed an examination for licensure or who possesses the qualifications for licensure without examination:

2. If in the future there are created by law any new or additional administrative agencies which have the power to issue, revoke, suspend, or place on probation any license, then those agencies are under the provisions of this law.

3. The administrative hearing commission is authorized to conduct hearings and make findings of fact and conclusions of law in those cases brought by the Missouri state board for architects, professional

engineers, professional land surveyors and landscape architects against unlicensed persons under section 327.076.

4. Notwithstanding any other provision of this section to the contrary, after August 28, 1995, in order to encourage settlement of disputes between any agency described in subsection 1 or 2 of this section and its licensees, any such agency shall:

(1) Provide the licensee with a written description of the specific conduct for which discipline is sought and a citation to the law and rules allegedly violated, together with copies of any documents which are the basis thereof and the agency's initial settlement offer, or file a contested case against the licensee;

(2) If no contested case has been filed against the licensee, allow the licensee at least sixty days, from the date of mailing, to consider the agency's initial settlement offer and to contact the agency to discuss the terms of such settlement offer;

(3) If no contested case has been filed against the licensee, advise the licensee that the licensee may, either at the time the settlement agreement is signed by all parties, or within fifteen days thereafter, submit the agreement to the administrative hearing commission for determination that the facts agreed to by the parties to the settlement constitute grounds for denying or disciplining the license of the licensee; and

(4) In any contact under this subsection by the agency or its counsel with a licensee who is not represented by counsel, advise the licensee that the licensee has the right to consult an attorney at the licensee's own expense.

5. If the licensee desires review by the administrative hearing commission under subdivision (3) of subsection 4 of this section at any time prior to the settlement becoming final, the licensee may rescind and withdraw from the settlement and any admissions of fact or law in the agreement shall be deemed withdrawn and not admissible for any purposes under the law against the licensee. Any settlement submitted to the administrative hearing commission shall not be effective and final unless and until findings of fact and conclusions of law are entered by the administrative hearing commission that the facts agreed to by the parties to the settlement constitute grounds for denying or disciplining the license of the licensee.

6. When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under sections 536.067 and 621.100 upon a properly pled writing filed to initiate the contested case under this chapter or chapter 536, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. "Good cause" includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

621.100. 1. Upon receipt of a written complaint from an agency named in section 621.045 in a case relating to a holder of a license granted by such agency, or upon receipt of such complaint from the attorney general, the administrative hearing commission shall cause a copy of said complaint to be served upon such licensee in person, **or by leaving a copy of the complaint at the licensee's dwelling house or usual place**

of abode or last address given to the agency by the licensee with some person residing or present therein over the age of fifteen, or by certified mail, together with a notice of the place of and the date upon which the hearing on said complaint will be held. If service cannot be accomplished [in person or by certified mail] **as described in this section**, notice by publication as described in subsection 3 of section 506.160 shall be allowed; any commissioner is authorized to act as a court or judge would in that section, and any employee of the commission is authorized to act as a clerk would in that section. In any case initiated upon complaint of the attorney general, the agency which issued the license shall be given notice of such complaint and the date upon which the hearing will be held by delivery of a copy of such complaint and notice to the office of such agency or by certified mail. Such agency may intervene and may retain the services of legal counsel to represent it in such case.

2. When a holder of a license, registration, permit, or certificate of authority issued by the division of professional registration or a board, commission, or committee of the division of professional registration against whom an affirmative decision is sought has failed to plead or otherwise respond in the contested case and adequate notice has been given under this section and section 536.067 upon a properly pled writing filed to initiate the contested case under this chapter or chapter 536, a default decision shall be entered against the licensee without further proceedings. The default decision shall grant such relief as requested by the division of professional registration, board, committee, commission, or office in the writing initiating the contested case as allowed by law. Upon motion stating facts constituting a meritorious defense and for good cause shown, a default decision may be set aside. The motion shall be made within a reasonable time, not to exceed thirty days after entry of the default decision. “Good cause” includes a mistake or conduct that is not intentionally or recklessly designed to impede the administrative process.

3. In any case initiated under this section, the custodian of the records of an agency may prepare a sworn affidavit stating truthfully pertinent information regarding the license status of the licensee charged in the complaint, including only: the name of the licensee; his **or her** license number; its designated date of expiration; the date of his **or her** original Missouri licensure; the particular profession, practice or privilege licensed; and the status of his **or her** license as current and active or otherwise. This affidavit shall be received as substantial and competent evidence of the facts stated therein notwithstanding any objection as to the form, manner of presentment or admissibility of this evidence, and shall create a rebuttable presumption of the veracity of the statements therein; provided, however, that the procedures specified in section 536.070 shall apply to the introduction of this affidavit in any case where the status of this license constitutes a material issue of fact in the proof of the cause charged in the complaint.

621.110. Upon a finding in any cause charged by the complaint for which the license may be suspended or revoked as provided in the statutes and regulations relating to the profession or vocation of the licensee **and within one hundred twenty days of the date the case became ready for decision**, the commission shall deliver or transmit by mail to the agency which issued the license the record and a transcript of the proceedings before the commission together with the commission’s findings of fact and conclusions of law. The commission may make recommendations as to appropriate disciplinary action but any such recommendations shall not be binding upon the agency. A copy of the findings of fact, conclusions of law and the commission’s recommendations, if any, shall be delivered or transmitted by mail to the licensee if the licensee’s whereabouts are known, and to any attorney who represented the licensee. Within thirty days after receipt of the record of the proceedings before the commission and the findings of fact, conclusions of law, and recommendations, if any, of the commission, the agency shall set the matter for hearing upon

the issue of appropriate disciplinary action and shall notify the licensee of the time and place of the hearing, provided that such hearing may be waived by consent of the agency and licensee where the commission has made recommendations as to appropriate disciplinary action. In case of such waiver by the agency and licensee, the recommendations of the commission shall become the order of the agency. The licensee may appear at said hearing and be represented by counsel. The agency may receive evidence relevant to said issue from the licensee or any other source. After such hearing the agency may order any disciplinary measure it deems appropriate and which is authorized by law. In any case where the commission fails to find any cause charged by the complaint for which the license may be suspended or revoked, the commission shall dismiss the complaint, and so notify all parties.”; and

SENATE AMENDMENT NO. 10

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 430, Page 33, Section 226.520, Line 2 of said page, by inserting after all of said line the following:

“226.540. Notwithstanding any other provisions of sections 226.500 to 226.600, outdoor advertising shall be permitted within six hundred and sixty feet of the nearest edge of the right-of-way of highways located on the interstate, federal-aid primary system as it existed on June 1, 1991, or the national highway system as amended in areas zoned industrial, commercial or the like and in unzoned commercial and industrial areas as defined in this section, subject to the following regulations which are consistent with customary use in this state:

(1) Lighting:

(a) No revolving or rotating beam or beacon of light that simulates any emergency light or device shall be permitted as part of any sign. No flashing, intermittent, or moving light or lights will be permitted except scoreboards and other illuminated signs designating public service information, such as time, date, or temperature, or similar information, will be allowed; tri-vision, projection, and other changeable message signs shall be allowed subject to Missouri highways and transportation commission regulations;

(b) External lighting, such as floodlights, thin line and gooseneck reflectors are permitted, provided the light source is directed upon the face of the sign and is effectively shielded so as to prevent beams or rays of light from being directed into any portion of the main traveled way of the federal-aid primary highways as of June 1, 1991, and all highways designated as part of the National Highway System by the National Highway System Designation Act of 1995 and those highways subsequently designated as part of the National Highway System and the lights are not of such intensity so as to cause glare, impair the vision of the driver of a motor vehicle, or otherwise interfere with a driver's operation of a motor vehicle;

(c) No sign shall be so illuminated that it interferes with the effectiveness of, or obscures, an official traffic sign, device, or signal;

(2) Size of signs:

(a) The maximum area for any one sign shall be eight hundred square feet with a maximum height of thirty feet and a maximum length of seventy-two feet, inclusive of border and trim but excluding the base or apron, supports, and other structural members. The area shall be measured as established herein and in rules promulgated by the commission. In determining the size of a conforming or nonconforming sign structure, temporary cutouts and extensions installed for the length of a specific display contract shall not be considered a substantial increase to the size of the permanent display; provided the actual square footage of such temporary cutouts or extensions may not exceed thirty-three percent of the permanent display area. Signs erected in accordance with the provisions of sections 226.500 to 226.600 prior to August 28, 2002, which fail to meet the requirements of this provision shall be deemed legally nonconforming as defined herein;

(b) The maximum size limitations shall apply to each side of a sign structure, and signs may be placed back to back, double faced, or in V-type construction with not more than two displays to each facing, but such sign structure shall be considered as one sign;

(c) After August 28, 1999, no new sign structure shall be erected in which two or more displays are stacked one above the other. Stacked structures existing on or before August 28, 1999, in accordance with sections 226.500 to 226.600 shall be deemed legally nonconforming and may be maintained in accordance with the provisions of sections 226.500 to 226.600. Structures displaying more than one display on a horizontal basis shall be allowed, provided that total display areas do not exceed the maximum allowed square footage for a sign structure pursuant to the provisions of paragraph (a) of this subdivision;

(3) Spacing of signs:

(a) On all interstate highways, freeways, and nonfreeway federal-aid primary highways as of June 1, 1991, and all highways designated as part of the National Highway System by the National Highway System Designation Act of 1995 and those highways subsequently designated as part of the National Highway System:

a. No sign structure shall be erected within one thousand four hundred feet of an existing sign on the same side of the highway;

b. Outside of incorporated municipalities, no structure may be located adjacent to or within five hundred feet of an interchange, intersection at grade, or safety rest area. Such five hundred feet shall be measured from the beginning or ending of the pavement widening at the exit from or entrance to the main traveled way. For purpose of this subparagraph, the term "incorporated municipalities" shall include "urban areas", except that such "urban areas" shall not be considered "incorporated municipalities" if it is finally determined that such would have the effect of making Missouri be in noncompliance with the requirements of Title 23, United States Code, Section 131;

(b) The spacing between structure provisions of this subdivision do not apply to signs which are separated by buildings, natural surroundings, or other obstructions in such manner that only one sign facing located within such distance is visible at any one time. Directional or other official signs or those advertising the sale or lease of the property on which they are located, or those which advertise activities on the property on which they are located, including products sold, shall not be counted, nor shall measurements be made from them for the purpose of compliance with spacing provisions;

(c) No sign shall be located in such manner as to obstruct or otherwise physically interfere with the effectiveness of an official traffic sign, signal, or device or obstruct or physically interfere with a motor

vehicle operator's view of approaching, merging, or intersecting traffic;

(d) The measurements in this section shall be the minimum distances between outdoor advertising sign structures measured along the nearest edge of the pavement between points directly opposite the signs along each side of the highway and shall apply only to outdoor advertising sign structures located on the same side of the highway involved;

(4) As used in this section, the words “unzoned commercial and industrial land” shall be defined as follows: that area not zoned by state or local law or ordinance and on which there is located one or more permanent structures used for a commercial business or industrial activity or on which a commercial or industrial activity is actually conducted together with the area along the highway extending outwardly seven hundred fifty feet from and beyond the edge of such activity. All measurements shall be from the outer edges of the regularly used improvements, buildings, parking lots, landscaped, storage or processing areas of the commercial or industrial activity and along and parallel to the edge of the pavement of the highway. Unzoned land shall not include:

(a) Land on the opposite side of the highway from an unzoned commercial or industrial area as defined in this section and located adjacent to highways located on the interstate, federal-aid primary system as it existed on June 1, 1991, or the national highway system as amended, unless the opposite side of the highway qualifies as a separate unzoned commercial or industrial area; or

(b) Land zoned by a state or local law, regulation, or ordinance;

(5) “Commercial or industrial activities” as used in this section means those which are generally recognized as commercial or industrial by zoning authorities in this state, except that none of the following shall be considered commercial or industrial:

(a) Outdoor advertising structures;

(b) Agricultural, forestry, ranching, grazing, farming, and related activities, including seasonal roadside fresh produce stands;

(c) Transient or temporary activities;

(d) Activities more than six hundred sixty feet from the nearest edge of the right-of-way or not visible from the main traveled way;

(e) Activities conducted in a building principally used as a residence;

(f) Railroad tracks and minor sidings;

(6) The words “unzoned commercial or industrial land” shall also include all areas not specified in this section which constitute an “unzoned commercial or industrial area” within the meaning of the present Section 131 of Title 23 of the United States Code, or as such statute may be amended. As used in this section, the words “zoned commercial or industrial area” shall refer to those areas zoned commercial or industrial by the duly constituted zoning authority of a municipality, county, or other lawfully established political subdivision of the state, or by the state and which is within seven hundred fifty feet of one or more permanent commercial or industrial activities. Commercial or industrial activities as used in this section are limited to those activities:

(a) In which the primary use of the property is commercial or industrial in nature;

(b) Which are clearly visible from the highway and recognizable as a commercial business;

(c) Which are permanent as opposed to temporary or transitory and of a nature that would customarily be restricted to commercial or industrial zoning in areas comprehensively zoned; and

(d) In determining whether the primary use of the property is commercial or industrial pursuant to paragraph (a) of this subdivision, the state highways and transportation commission shall consider the following factors:

- a. The presence of a permanent and substantial building;
- b. The existence of utilities and local business licenses, if any, for the commercial activity;
- c. On-premise signs or other identification;
- d. The presence of an owner or employee on the premises for at least twenty hours per week;

(7) In zoned commercial and industrial areas, whenever a state, county or municipal zoning authority has adopted laws or ordinances which include regulations with respect to the size, lighting and spacing of signs, which regulations are consistent with the intent of sections 226.500 to 226.600 and with customary use, then from and after the effective date of such regulations, and so long as they shall continue in effect, the provisions of this section shall not apply to the erection of signs in such areas. Notwithstanding any other provisions of this section, after August 28, 1992, with respect to any outdoor advertising which is regulated by the provisions of subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527:

(a) No county or municipality shall issue a permit to allow a regulated sign to be newly erected without a permit issued by the state highways and transportation commission;

(b) A county or municipality may charge a reasonable one-time permit or inspection fee to assure compliance with local wind load and electrical requirements when the sign is first erected, but a county or municipality may not charge a permit or inspection fee for such sign after such initial fee. Changing the display face or performing routine maintenance shall not be considered as erecting a new sign;

(c) Local regulations adopted pursuant to this section or section 71.288 may be more restrictive than the size, lighting, and spacing provisions specified in this section, provided such local regulations allow for customary usage and comply with the intent of this section. Local regulations may not prohibit off-premise outdoor advertising structures on commercial or industrial property within six hundred sixty feet of federal aid primary or interstate highways. In the event a local regulation is determined by the courts to be prohibitive, unreasonable, or failing to allow for customary usage; statutory size, lighting, and spacing regulations shall automatically apply in such areas until such time as a valid local ordinance complying with the requirements under this section is adopted by the local zoning authority;

(8) The state highways and transportation commission on behalf of the state of Missouri, may seek agreement with the Secretary of Transportation of the United States under Section 131 of Title 23, United States Code, as amended, that sections 226.500 to 226.600 are in conformance with that Section 131 and provides effective control of outdoor advertising signs as set forth therein. If such agreement cannot be reached and the penalties under subsection (b) of Section 131 are invoked, the attorney general of this state shall institute proceedings described in subsection (1) of that Section 131.

226.541. 1. As used in this section, the following words or phrases mean:

- (1) “Conforming out of standard signs”, signs that fail to meet the current statutory and**

administrative rule requirements for outdoor advertising but currently comply with the terms of the federal/state agreement and meet the August 27, 1999, statutory and administrative rule requirements that governed outdoor advertising and the highway beautification act of 1965;

(2) “Federal/state agreement”, an agreement executed between the United States Department of Transportation and the state highways and transportation commission on February 22, 1972, for carrying out national policy relative to control of outdoor advertising in areas adjacent to the national system of interstate and defense highways and the federal-aid primary system;

(3) “Reset”, movement of a sign structure from one location to another location on the same or adjoining property, if the adjoining property is zoned commercial or industrial and the owner of the sign has obtained the legal right to erect a sign on the adjoining property from its owner, as authorized by a sign permit amendment and the terms of an executed written partial waiver and reset agreement between the permit owner and the state highways and transportation commission;

(4) “Substantially rebuilt”, any reconstruction or repair of a sign that requires the replacement of fifty-one percent or more of the sign structure's support poles in a twelve-month period.

2. Subject to the provisions of this section, conforming out of standard signs shall be treated as conforming signs under commission administrative rules, including new display technologies, lighting, cutouts, and extensions, except that such signs shall not be substantially rebuilt except in accordance with the provisions of this section. New technologies, lighting, cutouts, and extensions may be utilized on conforming and conforming out of standard signs in accordance with Missouri department of transportation regulations.

3. On the date the commission approves funding for any phase or portion of construction or reconstruction of any street or highway, the rules in effect for outdoor advertising on August 27, 1999, shall be reinstated for that section of highway scheduled for construction and there shall immediately be a moratorium imposed on the issuance of state sign permits for new sign structures.

4. Owners of existing signs which meet the requirements for outdoor advertising in effect on August 27, 1999, and the requirements of the federal/state agreement and who voluntarily execute a partial waiver and reset agreement may reset such signs on the same or adjoining property. Such reset agreements shall be contingent upon obtaining any required local approval to reset the sign structure. Any sign which has been reset must still comply with the August 27, 1999, outdoor advertising regulations after it has been reset.

5. Owners of existing signs who elect to reset qualifying signs shall receive compensation representing the actual cost to reset the existing sign. Signs which have been reset under these provisions must be reconstructed of the same type materials and may not exceed the square footage of the original sign structure.

6. Sign owners may elect to reset existing qualifying signs by executing a partial waiver and reset agreement with the commission. Such agreement shall specify the size, type, and location of the rebuilt sign and the reset expenses to be paid to the owner by the commission. In the event the owner fails to execute such an agreement within one hundred twenty days of receiving written notice the sign will be displaced by construction, the commission shall have the right at its sole discretion to initiate normal condemnation procedures for the compensated removal of the sign.

7. Immediately upon the completion of construction on any section of highway, the moratorium

on new permits shall be lifted and the rules for outdoor advertising in effect on the date the construction is completed shall apply to such section of highway.

8. Local zoning authorities may prohibit the resetting of qualifying signs which fail to comply with local regulations.

9. All signs shall be subject to the biennial inspection fees under section 226.550.”; and

HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Substitute for Senate Bill No. 202, Page 1, Section A, Line 2, by inserting after all of said line the following:

“105.935. 1. Any state employee who has accrued any overtime hours may choose to use those hours as compensatory leave time provided that the leave time is available and agreed upon by both the state employee and his or her supervisor.

2. A state employee who is a nonexempt employee pursuant to the provisions of the Fair Labor Standards Act shall be eligible for payment of overtime in accordance with subsection 4 of this section. A nonexempt state employee who works on a designated state holiday shall be granted equal compensatory time off duty or shall receive, at his or her choice, the employee’s straight time hourly rate in cash payment. A nonexempt state employee shall be paid in cash for overtime unless the employee requests compensatory time off at the applicable overtime rate. As used in this section, the term “state employee” means any person who is employed by the state and earns a salary or wage in a position normally requiring the actual performance by him or her of duties on behalf of the state, but shall not include any employee who is exempt under the provisions of the Fair Labor Standards Act or any employee of the general assembly.

3. Beginning on January 1, 2006, and annually thereafter each department shall pay all nonexempt state employees in full for any overtime hours accrued during the previous calendar year which have not already been paid or used in the form of compensatory leave time. All nonexempt state employees shall have the option of retaining up to a total of eighty compensatory time hours **at any time during the year**.

4. The provisions of subsection 2 of this section shall only apply to nonexempt state employees who are otherwise eligible for compensatory time under the Fair Labor Standards Act, excluding employees of the general assembly. Any nonexempt state employee requesting cash payment for overtime worked shall notify such employee’s department in writing of such decision and state the number of hours, no less than twenty, for which payment is desired. The department shall pay the employee within the calendar month following the month in which a valid request is made. Nothing in this section shall be construed as creating a new compensatory benefit for state employees.

5. Each department shall, by November first of each year, notify the commissioner of administration, the house budget committee chair, and the senate appropriations committee chair of the amount of overtime paid in the previous fiscal year and an estimate of overtime to be paid in the current fiscal year. The fiscal year estimate for overtime pay to be paid by each department shall be designated as a separate line item in the appropriations bill for that department. The provisions of this subsection shall become effective July 1, 2005.

6. Each state department shall report quarterly to the house of representatives budget committee chair, the senate appropriations committee chair, and the commissioner of administration the cumulative number of accrued overtime hours for department employees, the dollar equivalent of such overtime hours, the number of authorized full-time equivalent positions and vacant positions, the amount of funds for any vacant positions which will be used to pay overtime compensation for employees with full-time equivalent positions, and the current balance in the department’s personal service fund.

7. This section is applicable to overtime earned under the Fair Labor Standards Act. This section is applicable to employees who are employed in nonexempt positions providing direct client care or custody in facilities operating on a twenty-four-hour seven-day-a-week basis in the department of corrections, the

department of mental health, the division of youth services of the department of social services, and the veterans commission of the department of public safety.”; and

Further amend said title, enacting clause and intersectional references accordingly.

HOUSE AMENDMENT NO. 3

Amend House Committee Substitute for Senate Substitute for Senate Bill No. 202, Page 2, Section 130.028, Line 48, by inserting after all of said line the following:

“429.010. 1. Any person who shall do or perform any work or labor upon land, rent any machinery or equipment, or use any rental machinery or equipment, or furnish any material, fixtures, engine, boiler or machinery for any building, erection or improvements upon land, or for repairing, grading, excavating, or filling of the same, or furnish and plant trees, shrubs, bushes or other plants or provides any type of landscaping goods or services or who installs outdoor irrigation systems under or by virtue of any contract with the owner or proprietor thereof, or his or her agent, trustee, contractor or subcontractor, or without a contract if ordered by a city, town, village or county having a charter form of government to abate the conditions that caused a structure on that property to be deemed a dangerous building under local ordinances pursuant to section 67.410, upon complying with the provisions of sections 429.010 to 429.340, shall have for his or her work or labor done, machinery or equipment rented or materials, fixtures, engine, boiler, machinery, trees, shrubs, bushes or other plants furnished, or any type of landscaping goods or services provided, a lien upon such building, erection or improvements, and upon the land belonging to such owner or proprietor on which the same are situated, to the extent of three acres; or if such building, erection or improvements be upon any lot of land in any town, city or village, or if such building, erection or improvements be for manufacturing, industrial or commercial purposes and not within any city, town or village, then such lien shall be upon such building, erection or improvements, and the lot, tract or parcel of land upon which the same are situated, and not limited to the extent of three acres, to secure the payment of such work or labor done, machinery or equipment rented, or materials, fixtures, engine, boiler, machinery, trees, shrubs, bushes or other plants or any type of landscaping goods or services furnished, or outdoor irrigation systems installed; except that if such building, erection or improvements be not within the limits of any city, town or village, then such lien shall be also upon the land to the extent necessary to provide a roadway for ingress to and egress from the lot, tract or parcel of land upon which such building, erection or improvements are situated, not to exceed forty feet in width, to the nearest public road or highway. Such lien shall be enforceable only against the property of the original purchaser of such plants unless the lien is filed against the property prior to the conveyance of such property to a third person. For claims involving the rental of machinery or equipment to others who use the rental machinery or equipment, the lien shall be for the reasonable rental value of the machinery or equipment during the period of actual use and any periods of nonuse taken into account in the rental contract, while the machinery or equipment is on the property in question.

2. There shall be no lien involving the rental of machinery or equipment unless:

(1) The improvements are made on commercial property;

(2) The amount of the claim exceeds five thousand dollars; and

(3) The party claiming the lien provides written notice within five business days of the commencement of the use of the rental machinery or equipment to the property owner that rental machinery or equipment is being used upon their property. Such notice shall identify the name of the entity that rented the machinery

or equipment, the machinery or equipment being rented, and the rental rate. Nothing contained in this subsection shall apply to persons who use rented machinery or equipment in performing the work or labor described in subsection 1 of this section.

3. (1) No lien shall be permitted on behalf of a collective bargaining unit fringe benefit fund with respect to all employee benefits, dues, and fringe costs arising out of the performance of work by a subcontractor or a lower tier subcontractor unless:

(a) a. The subcontractor or lower tier subcontractor is delinquent, which means being at least thirty days late, in making timely payments of employee benefits, dues, or fringe costs to the fund.

b. If the fund has actual knowledge that the delinquency relates to work performed on a particular project, the fund shall advise the original contractor for the project in question in writing of the fact of such delinquency, identifying the subcontractor or lower tier subcontractor at issue and an approximation of the amount of the obligation at issue within fifteen days after the subcontractor or lower tier subcontractor at issue becomes delinquent in payment.

c. If the fund does not have the actual knowledge described in subparagraph b. of this paragraph at a time that will permit it to comply with the timing requirements of subparagraph b. of this paragraph, the fund shall provide the written notice required by subparagraph b. of this paragraph within ten days after the fund acquires such actual knowledge.

d. An original contractor or subcontractor may make a request in writing for a written confirmation from the fund confirming that for a specific subcontractor or any of its specifically identified lower tier subcontractors with respect to a specifically identified project, all employee benefits, dues, and fringe costs arising out of the performance of the work on such project by the subcontractor and all of its lower tier subcontractors otherwise due to the fund have been paid. Such written requests shall be deemed effective if sent by certified mail, return receipt requested. The fund shall respond in writing by certified mail, return receipt requested, to such a request for confirmation within ten days of the fund's receipt of the request; and

(b) The fund has timely and accurately responded to any request for confirmation made under the terms of paragraph (a) of this subdivision.

(2) The obligations of this subsection shall apply with equal force and effect to like claims by a fund under a payment bond issued by an original contractor on a construction project, regardless of whether such construction project is a private project or a public works project.”; and

Further amend said title, enacting clause and intersectional references accordingly.

In which the concurrence of the Senate is respectfully requested.

Journal of the Senate

SIXTY-SEVENTH DAY—WEDNESDAY, MAY 11, 2011

The Senate met pursuant to adjournment.

Senator Pearce in the Chair.

Reverend Carl Gauck offered the following prayer:

“A lot of ‘distractions’ would vanish if we realized that we are not bound at all times to ignore the practical problems of our life when we are at prayer. On the contrary, sometimes these problems actually ought to be the subject of meditation.” (Thomas Merton)

As we continue through this week O Lord, help us to be mindful of You and turn to You in prayer at all times and about all things so that our work might not be bogged down by distractions but seen clearly as to the course we are to follow and the path our votes are to take. In Your Holy Name we pray. Amen.

(e) Key terms and conditions of coverage, such as whether portable electronics may be repaired or replaced with similar make and model reconditioned or nonoriginal manufacturer parts or equipment;

(4) Summarize the process for filing a claim, including any requirement to return portable electronics and the maximum fee applicable in the event the customer fails to comply with any equipment return requirements; and

(5) State that the customer may cancel enrollment for coverage under a portable electronics insurance policy at any time and receive a refund of any unearned premium on a pro rata basis.

2. Eligibility and underwriting standards for customers electing to enroll in coverage shall be established for each portable electronics insurance program. Each insurer shall maintain all eligibility and underwriting records for a period of five years. Portable electronics insurance issued under sections 379.1500 to 379.1550 shall be deemed primary coverage over any other collateral coverage.

3. Insurers offering portable electronics insurance coverage through vendors shall appoint a supervising business entity to supervise the administration of the program. The supervising business entity shall be responsible for the development of a training program for employees and authorized representatives of a vendor, and shall include basic instruction about the portable electronics insurance offered to customers and the disclosures required under this section.

4. Insurers and applicable supervising business entities offering portable electronics insurance shall share all complaint, grievance, or inquiries regarding any conduct that is specific to a vendor and that may not comply with applicable state laws and regulations.

5. A supervising business entity shall maintain a registry of vendor locations which are authorized to sell or solicit portable electronics insurance coverage in this state. Upon request by the director and with ten days' notice to the supervising business entity, the registry shall be open to inspection and examination by the director during regular business hours of the supervising business entity.

6. Within thirty days of a supervising business entity terminating a vendor location's appointment to sell or solicit portable electronics insurance, the supervising business entity shall update the registry with the effective date of termination. If a supervising business entity has possession of information relating to any cause for discipline under section 375.141, the supervising business entity shall notify the director of such information in writing. The privileges and immunities applicable to insurers under section 375.022 shall apply to supervising business entities for any information

reported under this subsection.

7. The supervising business entity shall not charge a fee for adding or removing a vendor location from the registry.

8. No employee or authorized representative of a vendor shall advertise, represent, or otherwise hold himself or herself out as an insurance producer, unless such employee or authorized representative is otherwise licensed as an insurance producer.

9. The training required in subsection 3 of this section shall be delivered to all employees and authorized representatives of the vendors who are directly engaged in the activity of selling portable electronics insurance in this state. The training may be provided in electronic form. However, if conducted in an electronic form, the supervising business entity shall implement a supplemental education program regarding the portable electronics insurance product that is conducted and overseen by licensed employees of the supervising business entity.

10. The charges for portable electronics insurance coverage may be billed and collected by the vendor. Any charge to the customer that is not included in the cost associated with the purchase or lease of portable electronics or related services shall be separately itemized on the customer's bill. If the portable electronics insurance is included in the purchase or lease of portable electronics or related services, the vendor shall clearly and conspicuously disclose to the customer that the portable electronics insurance coverage is included with the portable electronics or related services. Vendors billing and collecting such charges shall not be required to maintain such funds in a segregated account, provided that the insurer authorized the vendor to hold such funds in an alternative manner and remits such amounts to the supervising business entity within forty-five days of receipt. All funds received by a vendor from a customer for the sale of portable electronics insurance shall be considered funds held in trust by the vendor in a fiduciary capacity for the benefit of the insurer. Vendors shall maintain all records related to the purchase of portable electronics insurance for a period of three years from the date of purchase.

379.1515. Persons licensed as vendors shall be subject to the provisions of sections 375.012 to 375.014, 375.018, 375.031, 375.046, 375.051, 375.052, 375.071, 375.106, 375.116, 375.141, and 375.144 of the insurance producers act.

379.1520. 1. The director may suspend, revoke, refuse to issue, or refuse to issue any license or renew any license required by the provisions of sections 379.1500 to 379.1550 for any reason listed in section 375.141 or for any one or more of the following causes:

(1) Use of any advertisement or solicitation that is false, misleading, or deceptive to the general public or persons to whom the advertisement or solicitation is primarily directed;

(2) Obtaining or attempting to obtain any fee, charge, tuition, or other compensation by fraud, deception, or misrepresentation;

(3) Violation of any professional trust or confidence.

2. The director may impose other penalties that the director deems necessary and reasonable to carry out the purposes of sections 379.1500 to 379.1550, including:

(1) Suspending the privilege of transacting portable electronics insurance under sections 379.1500 to 379.1550 at specific locations where violations have occurred; and

(2) Suspending or revoking the ability of individual employees or authorized representatives to act under the license.

379.1525. Vendors shall be subject to the investigation and examination provisions of section 374.190.

379.1530. Premiums received by a vendor or supervising business entity shall be deemed received by the insurer. Insurers may require consumers to provide proof of purchase.

379.1535. If the director determines that a person has engaged, is engaging in, or has taken a substantial step toward engaging in an act, practice, or course of business constituting a violation of sections 379.1500 to 379.1550 or rule adopted or order issued thereunder, or that a person has materially aided or is materially aiding an act, practice, omission, or course of business constituting a violation of sections 379.1500 to 379.1550, or a rule adopted or order issued thereunder, the director may:

- (1) Issue such administrative orders as authorized under section 374.046; or**
- (2) Maintain a civil action for relief authorized under section 374.048.**

A violation of sections 379.1500 to 379.1550 or rule adopted or order issued thereunder is a level two violation under section 374.049.

379.1540. The license of a supervising business entity may be suspended, revoked, renewal refused, or an application refused if the director finds that a violation by a portable electronics insurance vendor was known or should have been known by the supervising business entity and the violation was neither reported to the director nor correction action taken. A violation of this section is a level three violation under section 374.049.

379.1545. Notwithstanding any other provision of law:

(1) An insurer may terminate or otherwise change the terms and conditions of a policy of portable electronics insurance only upon providing the policyholder and enrolled customers with at least thirty days' notice;

(2) If the insurer changes the terms and conditions of a policy of portable electronics insurance, the insurer shall provide the vendor and any policyholders with a revised policy or endorsement and each enrolled customer with a revised certificate, endorsement, updated brochure, or other evidence indicating a change in the terms and conditions has occurred and a summary of material changes;

(3) Notwithstanding subdivision (1) of this section, an insurer may terminate an enrolled customer's enrollment under a portable electronics insurance policy upon fifteen days' notice for discovery of fraud or material misrepresentation in obtaining coverage or in the presentation of a claim thereunder;

(4) Notwithstanding subdivision (1) of this section, an insurer may immediately terminate an enrolled customer's enrollment under a portable electronics insurance policy:

(a) For nonpayment of premium;

(b) If the enrolled customer ceases to have an active service with the vendor of portable electronics; or

(c) If an enrolled customer exhausts the aggregate limit of liability, if any, under the terms of the portable electronics insurance policy and the insurer sends notice of termination to the customer within thirty calendar days after exhaustion of the limit. However, if the notice is not timely sent, enrollment and coverage shall continue notwithstanding the aggregate limit of liability until the insurer sends notice of termination to the enrolled customer;

(5) Where a portable electronics insurance policy is terminated by a policyholder, the policyholder shall mail or deliver written notice to each enrolled customer advising the customer of the termination of the policy and the effective date of termination. The written notice shall be mailed or delivered to the customer at least thirty days prior to the termination;

(6) Whenever notice is required under this section, it shall be in writing and may be mailed or delivered to the vendor at the vendor's mailing address and to its affected enrolled customers' last known mailing addresses on file with the insurer. If notice is mailed, the insurer or vendor, as the case may be, shall maintain proof of mailing in a form authorized or accepted by the U.S. Postal Service or other commercial mail delivery service. Alternatively, an insurer or vendor policyholder may comply with any notice required by this section by providing electronic notice to a vendor or its affected enrolled customers, as the case may be, by electronic means. Additionally, if an insurer or vendor policyholder provides electronic notice to an affected enrolled customer and such delivery by electronic means is not available or is undeliverable, the insurer or vendor policyholder shall provide written notice to the enrolled customer by mail in accordance with this section. If notice is accomplished through electronic means, the insurer or vendor of portable electronics, as the case may be, shall maintain proof that the notice was sent.

379.1550. 1. The director may promulgate rules to implement the provisions of sections 379.1500 to 379.1550. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in sections 379.1500 to 379.1550 shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. Sections 379.1500 to 379.1550 and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2011, shall be invalid and void.

2. The provisions of sections 379.1500 to 379.1550 shall become effective January 1, 2012.”; and

5. In the event a city, town, or village fails to comply with subsections 2 and 3 of this section, such entity shall be subject to a civil penalty in an amount of ten percent of excess revenues required to be submitted that were not submitted, with such penalty to be distributed to the local schools where the moving violation occurred.”; and

(3) The geographic area where the attorney services are to be provided; and

(4) The amount of experience desired for the particular kind of attorney services to be provided and the nature of the private attorney’s experience with similar issues or cases.

2. If the attorney general makes the determination described in subsection 1 of this section, the attorney general shall request written proposals from private attorneys to represent the state, unless the attorney general determines that requesting proposals is not feasible under the circumstances and sets forth the basis for this determination in writing. If a request for proposals is issued, the attorney general shall choose the lowest and best bid or request the office of administration establish an independent panel to evaluate the proposals and choose the lowest and best bid.

3. The state may not enter into a contingency fee contract that provides for the private attorney to receive an aggregate contingency fee in excess of twenty-five percent of the net recovery to the state.

4. The state shall not enter into a contract for contingency fee attorney services unless the following requirements are met throughout the contract period and any extensions to the contract:

(1) The government attorneys shall retain complete control over the course and conduct of the case;

(2) A government attorney with supervisory authority shall oversee the litigation;

(3) The government attorneys shall retain veto power over any decisions made by outside counsel;

(4) A government attorney with supervisory authority for the case shall attend all settlement conferences; and

(5) Decisions regarding settlement of the case shall be reserved exclusively to the discretion of the attorney general.

5. The attorney general shall develop a standard addendum to every contract for contingent fee attorney services that shall be used in all cases, describing in detail what is expected of both the contracted private attorney and the state, including, without limitation, the requirements listed in subsection 4 of this section.

6. Copies of any executed contingency fee contract and the attorney general's written determination to enter into a contingency fee contract with the private attorney shall be posted on the attorney general's website for public inspection within five business days after the date the contract is executed and shall remain posted on the website for the duration of the contingency fee contract, including any extensions or amendments to the contract. Any payment of contingency fees shall be posted on the attorney general's website within fifteen days after the payment of such contingency fees to the private attorney and shall remain posted on the website for at least three hundred sixty-five days.

7. Any private attorney under contract to provide services to the state on a contingency fee basis shall, from the inception of the contract until at least four years after the contract expires or is terminated, maintain detailed current records, including documentation of all expenses, disbursements, charges, credits, underlying receipts and invoices, and other financial transactions that concern the provision of such attorney services. The private attorney shall maintain detailed contemporaneous time records for the attorneys and paralegals working on the matter in increments of no greater than one tenth of an hour and shall promptly provide these records to the attorney general, upon request. Any request under chapter 610 for inspection and copying of such records shall be served upon and responded to by the attorney general's office.

8. By February first of each year, the attorney general shall submit a report to the president pro tem of the senate and the speaker of the house of representatives describing the use of contingency fee contracts with private attorneys in the preceding calendar year. At a minimum, the report shall:

(1) Identify all new contingency fee contracts entered into during the year and all previously executed contingency fee contracts that remain current during any part of the year, and for each contract describe:

(a) The name of the private attorney with whom the department has contracted, including the

name of the attorney's law firm;

(b) The nature and status of the legal matter;

(c) The name of the parties to the legal matter;

(d) The amount of any recovery; and

(e) The amount of any contingency fee paid.

(2) Include copies of any written determinations made under subsections 1 and 2 of this section.

The following allowances due under the provisions of sections 87.120 to 87.371 of any member who retired from service shall be increased annually, as approved by the board of trustees beginning with the first increase in the October following his or her retirement and subsequent increases in each October thereafter, at the rates designated:
